ANNOUNCEMENTS: None

UNFINISHED BUSINESS: None

NEW BUSINESS:
Standing Committee Reports
- **Budget and Administrative** - Dr. Pamela Roush reported on the November 15 meeting that included a discussion with Bill Merck, Mark Roberts, and Michelle Meister.
  Travel: Michelle Meister was present as Bill Merck's liaison to the Travel Department to address the travel problems.
- Retirement system: Bill Merck explained that the changes in the University’s contribution to the retirement system has been explained in a memo that was distributed during the summer. Since summer may not be the best time to communicate such information, the memo will be re-circulated.
- Auxiliary Fund: Questions regarding what happens to the money from the Auxiliary fund were answered. It was suggested that the UCF Report could be used to improve communication of this type of information and provide information about where the funds are spent.
- Payroll: When discussing the late payment of personnel, it was decided that there may be problems on both ends, including communication problems. The committee members were asked to delineate exactly what their concerns are.
- Campus alterations and improvements: Bill Merck explained that the State auditor had looked into the A&I bid system and found it was reasonable. He explained that there are specifications that have to be met and thus we must stay within the system. Dr. Roush was asked to request a copy of the audit.

The Committee intends to draft various resolutions and it has plans to meet with these individuals again in 4 months.

Graduate Council - Dr. Stephen Goodman reported that the Appeals Subcommittee has submitted resolutions for the Senate's consideration at this meeting.

Personnel - Dr. Tom Mullens reported that the Committee has a resolution on the agenda regarding the deans' involvement in the tenure process.
Undergraduate Policy and Curriculum Committee - Dr. Ana Leon reported that the Committee is addressing three issues.

- NC Grade Request: approved for the Math Department
- Certificate in Women’s Studies: approved
- Add/Drop period: The Committee was asked by Dr. Whitehouse to explore the length of add/drop period. Committee members plan to survey their faculty for input.

The UPCC has formed two subcommittees:

1. Large Class Requirements - Dr. Lee Armstrong reported that the subcommittee is working with the Faculty Center for Teaching and Learning to secure information regarding large classes. At a November 17 meeting the subcommittee and a group of faculty brainstormed general topics of interest. Dr. Karen Smith offered to plan workshops for the spring semester. Faculty senators were asked to e-mail Dr. Smith with concerns and suggestions for these workshops and to attend them when offered.

2. Subcommittee on the balance between research and teaching as UCF moves toward a Research 1 status. No report yet.
