

Resolution 2005-2006-4 Travel Reimbursement

Whereas, the University expects faculty to travel as an essential part of their duties and responsibilities - for the enrichment and enlightenment of their professional development in teaching, service and research.

Be it resolved that the University of Central Florida will relentlessly pursue avenues that will lead to:

- a) an increase in the per diem rate for meals to be consistent with the current federally established guidelines.
- b) an increase in the mileage rate for faculty using their own vehicles to be consistent with the current federally established guidelines.
- c) a streamlining of the procedure to file a claim for reimbursement of expenses incurred while on university business.

Approved by the Faculty Senate on February 16, 2006.
