

Policy Clarifying the Conferral of a Graduate Degree

The graduate faculty at the University of Central Florida are responsible for developing the curricula of graduate degree programs, and are charged with evaluating the performance of students in completing the curricula. Therefore, the conferral of a graduate degree requires the graduate faculty to verify that students have performed at a satisfactory level in completing the entire curriculum required for the degree. It should be noted that although degree programs may prepare students for licensure by an external agency, the conferral of a UCF graduate degree is not dependent on an evaluation by the external agency of a student's performance on the licensure exam, except where required by Florida State statute or rule.
