

## **Resolution 2007-08-05 Appointment and Evaluation of School Directors and Department Chairs (Revised)**

**Whereas**, the University of Central Florida seeks to sustain growth, productivity and excellence in education and research,

**Be it resolved**, that the Faculty Senate endorses the following guidelines for appointment and evaluation of directors and department chairs.

All schools/departments must have a full-time director/department chair.

### Service Eligibility

A school/department's director/chair serves a term of five years although the appointment is renewable annually. Normally, a director/department chair will not serve more than two successive five-year terms. Except under special circumstances (e.g., as interim or acting) no one with another administrative appointment should serve concurrently as a director/department chair, and no director/department chair should serve concurrently in any other administrative position. Where an outside faculty member is considered for director/department chair appointment, customary academic search procedures should be followed.

### Appointment

Each college dean, upon consultation with that college's faculty, will establish a procedure for the appointment and reappointment of directors/department chairs. After due consideration, as hiring agent, the dean will nominate a candidate for director/department chair, whose appointment is subject to approval by the provost and the president. Eligible voters on appointments include all tenured faculty, tenure-track faculty and full-time clinical faculty at the rank of assistant professor and above but eligibility may be extended at the college level by vote of the tenured and tenure-track faculty. College procedures require a record of the vote for appointment and reappointment.

### Review & Reappointment

The faculty of the school/department will evaluate directors/department chairs annually. Department/school faculty and others whom the dean deems appropriate will conduct the review. A full review for reappointment will take place during the fifth year. The dean at his or her own initiative or as a consequence of a request by the school/department faculty can institute an interim review.
