Resolution 2012-2013-3 Encouraging Funded Interdisciplinary Research
(from the Budget and Administrative Committee)

Whereas, the current academic climate across many disciplines, if not all, is to encourage and promote multidisciplinary and interdisciplinary research; and

Whereas, entities, such as National Academies of Science, have recommended that to facilitate interdisciplinary research academic institutions should focus on the development of policies to address cost-sharing and credit splits that are equitable to all parties involved; therefore

Be it Resolved that the Faculty Senate endorses current university efforts to allow equitable cost-sharing and credit splits among all involved parties.
