

Resolution 2012-2013-8 Ineligibility of Administrators for TIP, RIA and SoTL Awards

Whereas, the current policy of allowing deans, subdeans, chairs, and others in twelve-month administrative positions to compete for TIP, RIA, and SoTL awards may lead to conflicts of interest; and

Whereas, TIP, RIA and SoTL provide significant salary increases; and

Whereas, these employees have access to other salary increases by virtue of their administrative status; therefore

Be It Resolved that current deans, subdeans, chairs, and other twelve-month administrators are not eligible for TIP, RIA, and SoTL awards.

Approved by the Faculty Senate on March 28, 2013.
