10/14, 1-2PM: Strangers in a Strange Land: Supporting Students on the Autism Spectrum  Cape Florida Ballroom, Student Union
Increasing numbers of students diagnosed with Autism Spectrum Disorders are attending and working at UCF. This presentation will highlight common challenges for the students and their instructors and support staff, and some strategies that may help everyone succeed.

10/18, 12-1PM: PTSD: The Invisible Scar  FCTL CB1 205
A presentation on the impact of traumatic events on an individual’s functioning in the classroom and beyond.

10/22, 3:30-5PM: Teaching Students with Disabilities: Thoughts for an Inclusive Classroom, with Marcus Engel  CB1 205
Marcus Engel is an inspirational speaker who discusses how being blinded by a drunk driver dramatically changed his life. Through the exploration of his journey, he allows individuals to engage and discuss issues associated with disabilities. This session will offer insights and suggestions on how to work with students with disabilities in the classroom.

10/22, 7-8:30PM: Marcus Engel  Cape Florida Ballroom, Student Union
Marcus Engel’s extraordinary story of recovery after being blinded and catastrophically injured by a drunk driver challenges individuals to eliminate self-limiting behaviors and inspires them to maximize their potential to achieve their dreams. Learn more: marcusengel.com

10/28, 1:30-3:30PM: What’s Your Ability?  Key West Ballroom, Student Union
SDES and SDS are partnering with PRIDE Coalition to bring a panel of students with different disabilities to discuss their experiences.
