Whereas, UCF has in place a conflict of interest policy that requires all relationships to family members to be reported as part of the annual conflict of interest assessment, and for mitigation plans to be set up and enacted when potential conflicts of interest are identified; therefore

Be It Resolved that the Faculty Senate endorses fair and equal enactment of the policies for identifying and mitigating potential conflicts of interest via the employment of relatives at UCF. In particular, employment of skilled researchers on a research project should not be singled out as the sole instance in which family members cannot utilize the mitigation procedures open to all other cases involving the employment of relatives.
