

Resolution 2017-2018-13 Emeritus Policy Revisions

Whereas, the November 28, 2016 policy changed the application for Emeritus status to occur within five years after retiring; and

Whereas, these and other policy changes resulted in unintentional consequences for faculty continuing their involvement with the University after retirement but before official retirement status, such as serving on graduate committees; and

Whereas, the ability for our distinguished emeritus faculty to maintain their ongoing research, academic, and service endeavors for the improved image of the University after retirement requires the continued use of the email address they have used throughout their careers; and

Whereas, the unit voting for Emeritus was not clear; therefore

BE IT RESOLVED that UCF Policy 4-502.2, Emeritus Status be revised as attached.

Returned to the Personnel Committee on February 8, 2018.

Approved by the Faculty Senate Steering Committee on March 8, 2018.

Approved by the Faculty Senate on March 22, 2018.
