Resolution 2018-2019-10 Faculty Senate Bylaw Change
Research Council

Whereas, UCF strives to become the recognized leader among 21st century universities; and

Whereas, a key metric for research in the Collective Impact Strategic Plan is to double research awards from $133 million to at least $250 million; and

Whereas, the Research Council is a university-level joint committee that annually reports to the Senate and doesn’t reflect the high faculty interest needed to achieve the key metric; and

Whereas, the membership of the Research Council consists of faculty, while most joint committees have a broad membership; therefore

Be it resolved that the Bylaws for the Faculty Constitution be amended to elevate the Research Council to a Senate Operational Committee with automatic updates to the Faculty Constitution as follows:
