Proposed Amendment to

Resolution 2019-2020-12 Faculty Senate Bylaw Change – Information Technology Committee Membership by the Information Technology Committee

Whereas, instructional design faculty are impacted by decisions regarding educational media and communications, and can provide expertise regarding information technology resources, and would like to contribute to the committee; therefore

BE IT RESOLVED that the membership for the Information Technology Committee in the Bylaws be amended as follows:

Membership
The committee shall consist of at least one faculty member from each academic unit, selected by the Committee on Committees, and the vice president for Information Technologies and Resources or his/her designee (ex officio), and the vice provost for Digital Learning or designee (ex officio). An associate or senior instructional designer shall serve as an ex officio member.

The committee chair and vice chair shall be elected annually by its membership at the first meeting of the committee after the new Faculty Senate is elected, normally in the early fall term. Terms of service are two years, staggered.
