**UNIVERSITY OF CENTRAL FLORIDA
COLLEGE OF MEDICINE
TEACHING INCENTIVE PROGRAM
2009-2010 PROCEDURES**
(Approved by the Faculty Senate Steering Committee DATE)

The University of Central Florida Teaching Incentive Program was established as a new initiative in 2000-2001. The Office of Academic Affairs provides the funding for the new awards and the specifics of the TIP program were developed through consultation between the Office of Academic Affairs and the Faculty Senate Steering Committee.

I. Awards:

Regardless of the contract length (9-months or 12-months), award recipients will receive a \$5,000 increase to their base salary retroactive to August 8, 2009, the start of the 2009-2010 contract.

II. Eligibility Criteria:

A faculty member will be considered “**eligible**” for an award if all the following criteria are met:

1. The faculty member must be on a full-time, 9- or 12-month tenured or tenure-track appointment with the rank of professor, associate professor, or assistant professor; or be a full-time 9- or 12-month employee who is appointed to a rank which is equivalent to professor, associate professor, or assistant professor; or be on a full-time appointment as an instructor or a lecturer; or be on a multi-year non tenure-track appointment. Faculty on visiting (or similar temporary) appointments and faculty on less than full-time appointments are not eligible for these awards.
2. The faculty member must have a substantial teaching commitment at the University through classroom instruction during the **past four** academic years (2005-2006, 2006-2007, 2007-2008, and 2008-2009).
3. No faculty member may be selected for a TIP more than once **every five** years. Specifically, any faculty member who received a TIP increase in previous years that became effective August 8, 2005, or later is not eligible for a TIP this year. Further, any faculty member who received a TIP increase that was effective August 8, 2004, or earlier is eligible for a TIP this year.

III. Productivity Criteria:

An eligible faculty member will be considered a “**candidate**” for the award if the following teaching productivity criteria are met:

1. Total Credit Hour Productivity (CHP) **or** total Graduate Hour Productivity (GHP) must be at or above the college, school, department, or unit median for **eligible** faculty. A **unit** is defined as any degree granting academic unit not within an established college. CHP and GHP are defined as the sum of classroom, web and media-enhanced credit hours (SCH) generated for the last eight fall and spring semesters (for academic years 2005-2006, 2006-2007, 2007-2008, and 2008-2009).

2. For CHP, SCH is defined as the total student credit hours (**total = undergraduate plus graduate**) from the final end of semester assignment reports. For GHP, SCH is defined as the total student credit hours (**graduate only**) from the final end of semester assignment reports. In either case, SCH excludes student credit hours for individualized instruction such as independent studies, practicums, internships, supervised research, dissertations and theses. SCH also excludes student credit hours for overload assignments.

3. The total number of candidates for the award in the college is equal to the number of candidates based on CHP criterion **plus** the number of candidates based on GHP criterion.

IV. Allocation of Awards to the College:

1. The funding from the Office of Academic Affairs provides for new TIP awards. For year 2009-2010, there will be a minimum of 1 award for the college. These new awards will be allocated to the college in proportion to the total number of faculty candidates determined above (rounded to the nearest integer).

2. In any given academic year, if any former recipients of TIP awards leave their employment at UCF, the award(s) will remain within their respective colleges or units for “recycling” as **additional** TIP awards for the following academic year.

3. The number of new and “recycled” TIP awards will be communicated to the college and to the Faculty Senate Steering Committee as soon as these data become available.

V. Faculty Senate Oversight Committee:

The Faculty Senate TIP Oversight Committee, the Faculty Senate Steering Committee, will review faculty appeals of their eligibility or of data relative to their productivity and make recommendations to the Provost’s representative. Further, this committee will also review the data on allocation of new awards to the college as well as the data on “recycled” awards. No appeals of Selection Committee’s recommendations will be considered.

VI. Criteria for Awards and Process for Selection of Award Winners:

1. Establishment of selection criteria and selection of award winners from the list of candidates for award as determined above will be the responsibility of faculty in the college.

2. There will be two college (or unit) level committees **elected annually**: the Selection Criteria and Procedures Committee and the Selection Committee. Both committees will be composed of **elected** faculty and will have school, department, or unit representation. These committees will have no less than three and no more than five members. Both committees, to the extent possible, will be composed of faculty who previously won TIP awards. In addition to the faculty members, the Selection Committee will have a student member selected in accordance with the document prepared by each of the Selection Criteria and Procedures Committees. The documents prepared by the Selection Criteria and Procedures Committees will be subject to approval by the Provost's representative. Further, these documents will be provided to the Faculty Senate Oversight Committee. Faculty candidates for the award are not eligible to serve on the Selection Committee.

3. Selection criteria shall include teaching quality and effectiveness, continuing commitment to instruction, consideration of class size (large versus small), and innovation and creativity in instruction. Candidates will be asked to prepare a portfolio containing teaching assignments, student evaluations, and other supporting documentation for the past **four** academic years (2005-2006, 2006-2007, 2007-2008, and 2008-2009).

The Selection Criteria and Procedures Committee shall specify the **maximum** permissible size of the faculty portfolio (for example, one 2-inch three-ring binder or a 6-page written document).

4. The Selection Committee will review faculty portfolios and recommend award recipients to the Provost. The President will give the final approval for awards to the successful faculty members.
