

Resolution 2012-2013-2 Correct Problems Associated with the Current Hangtag Pricing Policy

Whereas, the purpose of the Parking Services is to provide adequate parking facilities for students, faculty, and staff.

Whereas, the hangtag permits the UCF student, faculty, or staff to have the freedom of anonymity off campus for safety reasons, the safety of our students, faculty, and staff should not be compromised by the undue burden of a significantly higher cost.

Whereas, the decal creates a problem for families with multiple users and two or more vehicles in terms of which vehicle can be used for commuting to work.

Whereas, the hangtag would encourage carpooling, thus reducing the parking burden on campus, but a higher price associated with the hangtag discourages carpooling.

Be It Resolved, that the current Parking Services Pricing Policy, be revised to reflect the following changes:

- The fees for a parking hangtag and a parking decal sticker be equalized such that they cover the cost of the materials only.
