

Resolution: Adoption of Honors/Pass/Fail Grading Scale
(from the ad hoc University Grading Scale Committee)

Whereas, it is common practice in medical schools nationwide to use a Pass/Fail grading scale, particularly in clinical courses where students meet a series of competency milestones; and

Whereas, an honors designation is used to recognize exemplary performance and professionalism; and

Whereas, the UCF College of Medicine has requested that Honors/Pass/Fail be added to the grading scale at the graduate level; and

Whereas, other colleges in the university have expressed an interest in adopting such a grading scale in the future; therefore

Be It Resolved, that Honors/Pass/Fail be added to the grading scale at the graduate level.
