

Universal Parking Fee Pricing Resolution
(from the Parking Advisory Committee)

Whereas, the purpose of the Parking Services is to provide adequate parking facilities for students, faculty, and staff; and

Whereas, the hangtag permits the UCF student, faculty, or staff to have the freedom of anonymity off campus for safety reasons, the safety of our students, faculty, and staff should not be compromised by the undue burden of a significantly higher cost; and

Whereas, the purchase of either the hangtag or the decal affords students, faculty, or staff with the exact same benefit, namely the renting of one parking space for the duration of the permit; and

Whereas, the decal creates a problem for families with multiple users and two or more vehicles in terms of which vehicle can be used for commuting to work; and

Whereas, the hangtag would encourage carpooling, thus reducing the parking burden on campus, but a higher price associated with the hangtag discourages carpooling; and

Whereas, a survey of students, staff and faculty indicated strong support for equal hangtag and decal prices across each category; therefore

Be It Resolved, that the Faculty Senate of the University of Central Florida urges the University of Central Florida Administration to equalize the prices for Parking Hangtag and Decal to the lowest possible, budget neutral price, within each user category.
