

Faculty Senate Strategic Planning Council 2018-2019 Annual Report

Title

Faculty Senate Strategic Planning Council
Academic Year 2018-2019

Summary of Meetings

The Strategic Planning Council met twice during the 2018-19 academic year: once in the fall 2018 semester (November 6, 2018) and once in the spring 2019 semester (April 25, 2019). Please refer to the committee minutes for additional details regarding attendees, dates, times, and agenda topics. Additional business was transacted via email including regular updates on progress to institutionalizing the new strategic plan and information on the Marchioli Collective Impact awards.

Summary of Issues and/or Topics Addressed

- To ensure Council members are engaged in and aware of the strategic planning process at all stages.
- To solicit faculty feedback and perspectives on their respective unit's progress in institutionalizing the strategic plan and how they are doing so.

Recommendations/Outcomes

Committee members were encouraged to ask questions, share best practices, and discuss several iterations of the strategic planning document. Guests were invited to present to the council how they were implementing performance metrics within their colleges and units. (Reference the committee minutes for further information.)
