Standard Parliamentary Procedures of the UCF Faculty Senate

The Faculty Senate acts in accordance with the principles of parliamentary governance to ensure the right of every member to voice their opinion on issues coming before it and to subsequently execute the will of the majority.

- Meeting agenda: Ordered list of the business to be conducted in the meeting
Sent prior to the meeting along with other meeting materials
Should be read and examined prior to the meeting by all members
Non-agenda text and material to be presented should be submitted two days prior to the meeting
- The senate chair: Presides at the meeting and moves the Senate through the agenda
Does not make motions or debate unless they “relinquish the chair”
Rules on various points throughout the meeting**
Can ask for unanimous consent if no opposition is expected on business
Recognizes members to speak
- Upon recognition: A member can do any combination of the following:
Can ask a question of a speaker or member
May make an appropriate motion**
Can debate a motion currently under consideration
- Rules of debate: Every member has the right and opportunity to debate each topic
No member can debate twice until all wishing to debate have spoken once
With a 2 / 3 vote, the rules of debate can be altered**
By a 2 / 3 vote, debate can be stopped & followed by an immediate vote**
- Main motion: Brings up a new topic of business for debate
Requires a second, unless coming from a senate committee
After the chair states the question, the motion belongs to the assembly
The member that makes a main motion is permitted to speak first
A Resolution can only be voted upon if it is on the meeting agenda
- Secondary motion: May act upon another motion**
Many have a rank order of precedence**
All motions are resolved in the reverse order in which they were made
All motions are ultimately voted upon, or dealt with by another means**
- Interruptions: Rarely happen after a member has been recognized to speak
Are typically signaled by standing and then being recognized by the chair
Can only occur to make certain timely and urgent motions**
- Rules of voting: Prior to a vote there will be a restatement of the question at hand
Votes shall ordinarily be by voice (*ballot votes are used for elections*)
Any member can request a hand count vote**
Any member that questions the outcome can request a hand count vote**

Parliamentary Authority: Roberts Rules of Order, Newest Edition

Senate Resolution Process Guidance in the Steering Committee

The guidance for how the Steering Committee handles resolutions comes directly from our Bylaws and from Roberts Rules.

The Faculty Bylaws Section VI. A. 2 lists the Duties and Responsibilities of the Steering Committee. Point f is relevant to the consideration of resolutions and states:

f. To consider resolutions forwarded by Senate committees and to forward them to the full Senate or refer them back to the Senate committee.

Roberts Rules states the following about Bylaws in 56:68 point 4)

If the Bylaws authorize certain things specifically, other things of the same class are thereby prohibited.

Resolutions brought forward by a senate committee:

For resolutions forwarded from committees, the Bylaws reveal that there are only two possible motions that can be made in Steering. First, Steering can approve the resolution and send it to the full senate, where it will be on the agenda for consideration. Second, Steering can refer the resolution back to the committee it came from. *(Note: Resolutions referred back to committee are typically accompanied by a brief description of one or points that Steering would like to be addressed in the committee.)*

Roberts Rules makes it clear that by listing just those two options in our Bylaws, no other parliamentary actions can be considered in Steering for those resolutions that were forwarded from a senate committee. To state this another way: this means that amending the resolution, postponing the resolution indefinitely, or other parliamentary actions are NOT permissible. Therefore, discussion of the resolution should only be for the purpose of informing that single decision Steering has.

Resolutions brought forward by a faculty member:

There are no parliamentary stipulations on resolutions that are brought to Steering directly by a faculty member(s) and not through committee. Such resolutions can be fully debated and amended prior to any decision as to the next step to be considered for the resolution. Steering can forward such a resolution to the Senate, can refer it to a committee, or take any other appropriate parliamentary action upon it. Such resolutions that are forwarded to the Senate will be placed on the upcoming agenda.

Can resolutions from committees ever be amended?

Resolutions from committees can be amended at our full Senate meetings, but not at Steering. If Steering members believe that a resolution should be amended they can either send that resolution back to the committee or they can propose their amendment at the full senate meeting and can encourage others to do so as well. Please send amendments to be proposed to the senate office ASAP so we can prepare and have those amendments ready to share prior to the Senate meeting.

Topic Assignment Guidance in the Steering Committee

It is critical for the effective function of senate committees that all committees receive their assigned topics from steering as early as possible in the fall semester.

Steering's role in the assignment of topics is focused on the determination of the senate committee or committees best suited to work on each topic, and not on the descriptions, merits, or weaknesses of the topics.

To make the assignment process more efficient, this year we will open each topic with a motion that includes preliminary assignment of that topic to a committee or committees.

If there is no disagreement with the preliminary assignment, steering can quickly approve the assignment via unanimous consent and move to subsequent topics.

If a steering member would like to propose a different assignment, they may make a motion to amend the preliminary assignment. Steering will then consider the amended motion using standard parliamentary procedures outlined in Robert's Rules.
