AGENDA ITEMS – New Business

II-A: 2016-17 Regulations changes/recommendations -- Recommended changes to the regulations were reviewed and adopted. The only substantial change is that faculty and staff permits will be issued in accordance with salary ranges rather than pay grade numbers. Employees with salaries greater than \$50,001 must purchase B permits; employees with salaries between \$35,001 and \$50,000 will have to option to purchase a B or C permit; employees with salaries less than \$35,000 must purchase C permits. There will be no increase in the permit fees for 2016-17 and no increase in the transportation access fee.
