RESOLUTION 1992-1993-5

Whereas one of the most important hallmarks of a university is a quality library, and
Whereas library quality depends almost entirely on a reliable (steady) source of funding that keeps pace with academic programs, and enrollment, and
Whereas quality undergraduate and graduate teaching, and faculty research efforts require sustained quality in library collections and services,
Therefore, be it resolved that the UCF Library be not only protected from cuts and given priority in capital campaigns but also be given high priority in ranking of campus budgetary allocations, with the goal of moving the UCF Library as close as possible to the average for the SUS within five years.

Submitted by the Library Advisory Committee.
