1 **Resolution 2025-2026-7: Bylaws Amendment:**

2 **Steering Committee Composition, Steering Committee Duties and Responsibilities,**
3 **and Related Areas of the Bylaws**

4 **Whereas,** The Faculty Senate Steering Committee is the executive committee of the
5 Faculty Senate and as such plays critical roles in setting the agenda for Faculty Senate
6 meetings, overseeing Senate elections, approving resolutions, steering topics to particular
7 Faculty Senate Committees, and acting for the Senate during emergencies; and

8 **Whereas,** because the number of senators in the Faculty Senate is expanding from 75 to
9 100 over a two-year period, there will be a change in the composition of the Steering
10 Committee; and

11 **Whereas,** the current Bylaws state that the total membership of the Steering Committee is
12 20% of the Faculty Senate membership and is allocated according to the formula shown in
13 Section VI.A.1.b; and

14 **Whereas,** in light of an expanding Faculty Senate and concomitant expanding Steering
15 Committee membership, the Steering Committee evaluated the Bylaws regarding its
16 composition and duties and responsibilities to identify where updates to the Bylaws would
17 better reflect current practice and provide the representation needed for the Steering
18 Committee's duties and responsibilities; and

19 **Whereas,** the analysis of the Steering Committee Bylaws identified other areas of the
20 Bylaws that fail to clearly delineate duties or responsibilities of the Steering Committee
21 from those of the entire Faculty Senate; therefore

22 **Be it resolved,** that the Steering Committee *Bylaws in Sections VI.A.1-4* be replaced with
23 the text below:

24 **A. Steering Committee**

25 1. Composition.

26 The Steering Committee is composed of the chair of the Faculty Senate, the vice
27 chair, the secretary of the Faculty Senate, and the immediate past chair of the Senate.

29 the total number of senators on the Steering Committee shall be no greater than one-
30 fifth (20) of the total number of senators (100) and apportioned as provided below.
31 Steering Committee members shall be elected by a majority vote of senators present
32 and voting within each of the academic units. There shall be no voting by proxy.

- 33 a. Each academic unit will have one representative on the Steering Committee.
34 b. Additional seats shall be allocated in descending order of academic unit size
35 until all seats are filled.

- 36 c. In the event of a vacancy on the Steering Committee, the senators of that
37 academic unit shall elect a replacement from amongst its membership.

38 2. Duties and Responsibilities of the Steering Committee.

- 39 a. To serve as the “executive committee” of the Faculty Senate.
40 b. To act on behalf of the Senate on matters declared by the chair of the Faculty

42 Steering Committee shall be reported by the chair of the Faculty Senate to the
43 members of the Faculty Senate at or before the next regular meeting. The
44 Senate shall then review such action. The chair of the Faculty Senate will give
45 the members of the Senate advance notice of the emergency meeting of the
46 Steering Committee, if feasible.
47 c. To serve as an advisory body of the chair of the Faculty Senate on any matter
48 which the chair of the Faculty Senate brings before the Steering Committee.
49 Meetings of an advisory nature need not be announced or reported to the

51 d. To monitor Senate elections, Senate Officer elections, and academic unit
52 allocation votes, and ensure that the Office of the Faculty Senate maintains all
53 election and vote records.
54 e. To develop Faculty Senate agendas. Additional items may be added to the

56 action on any resolutions added to the agenda during a meeting cannot be taken
57 prior to the next Senate meeting.
58 f. To consider resolutions forwarded by Senate committees and to forward them to
59 the full Senate or refer them back to the Senate committee.
60 g. To appoint from its membership liaisons to each of the Senate operational
61 committees and curricular councils. Liaisons shall report on committee or
62 council activities at Steering Committee meetings.
63 h. To periodically review Senate operational, curricular, and joint committees and
64 councils. Creation of new committees and changes in any committee's charter,
65 membership, or duties and responsibilities shall be conveyed to the Faculty
66 Senate for consideration as amendments to the *Bylaws*.

68 provost and vice president for Academic Affairs when requested.

73 invite any such person to meet with the Steering Committee and/or the full
74 Senate for consultation or advice on matters within its jurisdiction.
75 l. To establish ad hoc committees to facilitate its work.
76

77 3. Meetings

83 the voting members.

84 and;

85 **Be It Further Resolved**, that Bylaws Section II.C add the following sentence after the last

87 The Office of the Faculty Senate shall maintain all election records.

88 and;

89 **Be It Further Resolved**, that Bylaws Section IV Meetings of the Senate .I Resolution be
90 amended to state:

91 I Resolutions

92 As the elected body of the general faculty, the Faculty Senate may formulate its opinion
93 upon any subject of interest to the university and adopt appropriate resolutions. Resolutions
94 addressing those areas of authority legally reserved to the president and Board of Trustees
95 are advisory. A Resolution must be on the agenda of a Senate meeting and provided in the
96 meeting materials at least one week before a Senate meeting for final action on the
97 Resolution. Final action on any resolutions added to the agenda during a meeting cannot be
98 taken prior to the next Senate meeting. Each resolution adopted by the Faculty Senate is
99 forwarded to the provost and vice president for Academic Affairs who shall act upon the
100 recommendation within 60 days. The provost and vice president for Academic Affairs shall
101 have veto power over any resolution by the Senate. The veto or denial with rationale shall be
102 communicated in writing to the Faculty Senate and the chair of the Faculty Senate. The
103 Senate, by a two-thirds majority vote, may appeal to the president any resolution vetoed. A

A. Nominating Committee.

The Nominating Committee shall be formed at the Steering Committee meeting prior to the March Senate meeting at the latest. Prior to the Steering committee meeting that directly precedes the election, the Nominating Committee shall identify willing candidates for each office from among the candidates nominated by the general faculty. In addition, the Nominating Committee may add additional willing nominees for each office not previously put forward by the faculty. The Nominating Committee shall present a list of the names of willing candidates as a report to the Steering Committee at the meeting that directly precedes the election. Additional nominations for each office shall also be accepted from the floor of the Faculty Senate.

Voting for officers will be conducted by secret ballot. Election of officers will be by majority of those senators present and voting. There shall be no voting by proxy.

Comparison of current and proposed **Bylaws Section II Senate Membership:**

Current Bylaws:

A. Nomination and Election of Senators

Senators representing an academic unit shall be elected by a vote of the general faculty of that academic unit. Each academic unit shall decide on a mechanism for conducting elections (e.g., college assembly, paper or electronic ballot) as guided by *Robert's Rules of Order* (latest edition). Visiting faculty, regardless of their rank or duration of appointment, are not eligible to vote.

Each academic unit shall, by majority vote of its faculty, decide on a system of internal allocation of Senate representation; e.g., at academic unit level, by department, by proportion to department size, by a combination of department and academic unit representation, etc. Each academic unit shall annually inform the chair of the Faculty Senate of the details of such allocation and any subsequent changes in it.

No later than the fourth week of the spring semester, the Office of the Faculty Senate will provide each academic unit with a list of faculty eligible for election to the Faculty Senate and the number of seats to be filled. On receiving this information, the academic unit will conduct an election.

An open call for nomination, including self-nomination, is expected.

Each academic unit will report election results to the Office of the Faculty Senate no later than March 1. In order to provide a current list of alternate members of the Senate, each academic unit will also forward the number of votes cast for each candidate for any election. If an alternate is needed, the alternate with the highest number of votes from the most recent election shall serve. If no alternate is provided, or no alternate can serve, a special election must be held. The chair of the Faculty Senate will certify all Senate elections.
