  - Voting on the resolution for *Accessible Well Equipped Well Supported Conference Rooms* in UCF campus.
- **Old Business**
  - Navigation/Directions on Campus.
- **New Business**
  - Frequent mandatory NID password change practice needs update: Best practices for information security in industry and in federal agencies now discourage frequent and mandatory password changes. Studies have found that such mandatory changes do more harm than good. UCF-IT should reduce or eliminate this frequent mandatory NID password change practice.
- **Other Business**
- **Adjournment**

### 4. **Recognition of Guests**

No guests.

### 5. **Old Business**

- a. Teleconference Technology: Dr. Jeannie Halm updated Conference room inventory with Rosen Campus conference rooms and their status.

The committee reviewed the related draft resolution. The list of issues discussed were as follows:

- It was felt that we should include all campuses in the discussion.
- Of the conference rooms available for out of unit use, some are being used for holding classes (Ex: Phillips Hall conference rooms are regularly used for holding polisci and sociology grad classes). Those rooms have gotten equipped using technology fees. Those rooms are in principle are available for anyone to use. Should we include/exclude those rooms?
- “Need statements” missing from the resolution.
- The inventory may not have all the conference rooms (current and/or future). Instead of asking for equipping a fixed number (say 39) of conference rooms, it is better if request is made for a recurring pot of money. Money from other sources (say technology fees, ADA accessibility fund etc.) may be pooled together with this

pot of money to take care of installation, regular maintenance and periodical upgrade of the Conference rooms.

Based on all these discussions, Dr. Joe Harrington edited the draft resolution. He will finalize the draft and electronically circulate it among the committee members for their feedback and edits to the draft. The committee will vote on the revised draft during their first meeting (Jan 14). If it is accepted then the resolution will be forwarded to the Senate Steering committee for consideration.

**6. Pending Business**

- a. Navigation/Directions on Campus.

**7. Adjournment**

The meeting was adjourned at 3:06pm.
