RESOLUTION 1991-1992-15

Whereas one of the most important hallmarks of a first-rate university is a first-rate library, and

Whereas library quality depends almost entirely on a reliable (steady) source of income that keeps pace with enrollment, and

Whereas a severe cut in one year's allocation reduces the base and thus erodes future support,

Therefore, be it resolved that the library, like salaries, be protected from cuts and given priority for support from capital campaign funds.

Submitted 3/16/92 by the Library Advisory Committee.
