There was a motion and second to provide permits at no charge for the period of May 7th through August 4th to those who do not have a permit for the summer term. The motion was unanimously approved.

III-C. Expectant mother spaces: Currently we have 15 active spaces

Discussions: Student representatives requested change the time restrictions for parking in faculty and faculty/staff lots to 4:30 p.m. instead of 5:30 p.m. The consensus is to leave the time restrictions as is.

On or about May 1, 2017, parking lot H-1 will be closed for the construction of the Colbourn Hall building. The faculty, disabled and reserved spaces currently in that lot will be relocated to parking garage I.

There is a proposal to build a parking lot on existing parking lot C-2. There is no definitive time schedule for this project.

The meeting adjourned at 9:50 a.m.
