Information Technology Committee

Minutes of meeting of Tuesday, April 18, 2023, 2:00 p.m.
Location: Zoom

Present: Glenn Martin (chair), Joseph Harrington (vice chair, minutes), Matt Hall, Henry Glaspie, Amy Sugar, Athena Hoeppner, Chad Macusconok, Francisca Yonekura, Lee Dotson, Mahmet Altin, Pieter Kik, Richard Zraick, Shengli Zou, Taj Azarian, Viatcheslav Kokoouline

- Call to order at 2:06 pm

- Approval of the Minutes for April 4, 2023
    - Minutes approved without change

- Old Business
    - Update on policy feedback system. No update from Joe Harrington.
    - Linux support. Full-time student hired for summer and tasks from department have started to be addressed. There is interest to hire additional students.
    - EndNode licensing. UCF has identified funds and is renewing site license. Approval is expected quickly (end of week). This issue has demonstrated the need for better tacking of users and services for targeted communications.

- New Business
    - Migration of Knightsmail with guests Lisa Isham, Brett Peeling, George Wiedmyer, Amy Gendusa. Students will move by start of Fall (just current students) with their new email of NID@student.ucf.edu. Migration will happen in waves while trying to avoid moving during enrolled periods. Faculty will be able to email students. For FERPA questions, we can contact Dan LoPresto (email addresses will not be FERPA-protected anymore).
        - If you are a student and a faculty/staff, your Knightsmail will be migrated to your ucf.edu (employee email) account.
        - There was significant feedback on the use of "student.ucf.edu" with some on the committee suggesting just "ucf.edu" be used for all while others suggesting just keeping "knights.ucf.edu" since it is generic. In general, it was felt that people are not students forever, and such an email can have implications on published papers and other long-term uses.

- - Lisa will bring concerns raised to Matt Hall and others. Additional IT Committee meetings will be held this academic year to continue the conversation. Joe moved and Athena seconded holding meetings every two weeks through May (if we lack quorum, we will not take any votes on items).
  - Tiktok, WeChat and others now banned. Some students angry, some relieved. Will discuss more in next meeting.

- Meeting adjourned 3:20 pm
