

Minutes

Budget and Administration Committee
Faculty Senate
November 1, 2012, 4:00 pm
Psychology 101

The subcommittees submitted for discussion their revisions of the Interdisciplinary Research, the STEM, and the Sustained Performance Review resolutions.

Suggestions were made for revisions in each of these three resolutions and sent back to the subcommittees for discussion. The subcommittees were asked to submit prior to the December 6 meeting of the subcommittee a final draft of the resolutions for submission to the Faculty Senate Budget committee.
