AGENDA ITEMS – New Business

II-A: Introduction of new members

II-B: Data for on-call shuttle stop at Partnership Building II – Due to lack of ridership the shuttle stop was discontinued with an option for those who needed the service to call to be picked up. A request was received from Glenn Martin to restore the shuttle stop to full status. A count of riders was taken in the spring and summer of 2015 with total of 143 riders during the eight month period. This item was tabled until next meeting and Parking Services will retrieve the fall 2014 data from Transdev, our shuttle contractor.

II-C: Parking permit rate structure for staff (USPS) – Currently the regulations state that USPS staff in paygrade 24 or above, must purchase a B parking permit. Given that the paygrade has changed considerably and is no longer a true reflection of salaries, two options were presented.

- Option 1. Those with salaries <\$40,000 annually are eligible to purchase only C permits
- Those with salaries of \$40,001 - \$50,000 may opt to purchase B or C permits
- Those with salaries >\$50,001 annually are eligible to purchase only B permits

- Option 2. Those with salaries <\$35,000 annually are eligible to purchase only C permits
- Those with salaries of \$35,001 - \$50,000 may opt to purchase B or C permits
- Those with salaries >\$50,001 annually are eligible to purchase only B permits

There was a motion and second to approve option 2. The motion was approved.

II-D: Re-allocation of disabled, 24-hour reserved, faculty and staff parking spaces currently located in parking lot C-1. The disabled spaces will be moved to parking garage C and parking lot D-1.

II-E: Discussion – The University will be hiring an additional 100 faculty members in the next year. Allocation of parking spaces will be discussed as the new academic year approaches.

AGENDA ITEMS – Old Business
