- Call to Order
 - Meeting called to order at 3:15 due to issues with the Zoom meeting not started by the meeting host
- Approval of the Minutes for October 24, 2023 Meeting
 - Minutes approved as presented
- Items discussed prior to official meeting start and revisited upon start of the meeting
 - Recommendation that the IT Committee consider inviting Sherri Herring and her team to discuss all they have done to address Work Day deployment issue and the Work Day governance processes. Prioritization of processes that help faculty
 - Possibility of Work Day being used for two student related services and the cost related to making the switch now versus waiting.
 - Student information Systems
 - Student Success Systems – this one has some implication for student success and its role in UCF achieving preeminence.
- Old Business
 - Cisco Umbrella DNS filtering
 - UCF IT to present demonstration of system (including categories of sites)
 - David Zambri presented updates:
 - The prohibited technologies list is dictated by Florida Statute.
 - No one at UCF can provide an exemption for banned technologies
 - Researchers can request access and David Zambri's office has offered to assist researchers with this as needed in order to streamline the process.

- DUO will be phased out in March of 2024 and be replaced by Microsoft Entra MFA. David reviewed the advantages of the shift to the Microsoft MFA system.
- Provided data on related to the 1.7 billion requests made in October and the 78 million that were blocked. On the blocked request, only 11 were bad blocks.
 - Discussion of categories
 - Provided the review of categories that are blocked.
 - Artificial Intelligence Usage in Research – Not discussed due to time limitations
 - Departure of Matt Hall
 - Interim CIO?
 - No news on this front
 - Plans for finding permanent replacement? Not discussed due to time limitations
