Faculty Senate Personnel Committee Meeting

Present: Stephen King (Chair), Lucretia Cooney (Office of Faculty Excellence), Mindi Anderson, Duncan Dickson, Paul Giordano, Debbie Hahs-Vaughn, Waldemar Karwowski, Myunghee Kim, Jonathan Knuckey, Karol Lucken, Eric Merriam, Vladimir Solonari, Michelle Upvall, Martine Vanryckeghem, Konstantine Vodopyanov.

Motion made, second, and all approved to approve minutes of the last meeting.

Old Business

a. Evaluation of endowed chairs-Lucretia Cooney-update on compilation of endowed chairs

Data is still being gathered. Information has been received from all but two colleges. The report should be available next month.

b. Lactation room availability- Linda Walters-action

Linda Walters was unavailable to attend. Martine Vanryckeghem provided an overview of the resolution. Correction is needed in the first paragraph to indicate 7 rooms currently available. A suggestion was made to include the number of female faculty, staff, and students. The number of female employees can be determined from IKM's IPEDS report: <https://ikm.ucf.edu/files/2016/04/03.01-Employees-2014-15.pdf>. The number of full-time and part-time students can be determined from a similar IKM report: <https://ikm.ucf.edu/files/2016/04/01.02-Enrollment-by-Classification-and-Ethnicity-2013-14.pdf>.

c. Salary study (original study follow up)- discussion

Karol Lucken and Stephen King met with Paige Borden and an update on that meeting was shared. A salary study had not been done since 2009, and the Provost had a general interest in conducting another study. There are no particular plans/remedies in mind for the current study. The TIP, RIA and SoTL awards are factored into the study. The current study is based on 9-month salaries but adjusted for those with 12-month salaries. An internal gender study had not been conducted as it had not been requested. Creating a study to compare fall 2016 to 2015 data would not be too difficult for IKM to generate, now that they have conducted the initial study. The question was raised about putting the salary compression identified by the salary study forward to the union as an item to bargain because a resolution to the administration may not have much impact. The committee may wish to invite a union representative

to an upcoming meeting. Another question to Dr. Borden was regarding ADI and move the market compression to its own category. Dr. Borden did not seem to think that would be a problem from her perspective. Question was raised about across-the-board raises and the concern that it takes away incentive for merit. Concern was raised that our raises do not maintain pace with cost of living. In terms of the Personnel committee, the suggestion was to target what the committee can impact. The broader point is how the committee can recommend some action. Right now, UCF administration cannot act on the results of any Resolution given that all salary considerations have to be part of the collective bargaining process. Any salary compensation must be an item on the bargaining table to be able to take action. Stephen King will talk with Mason Cash on whom from the union to invite. John Faught is head of the bargaining team, and Stephen King will also contact him to see if they can attend the next committee meeting.

e. Nepotism policy- discussion

The two resolutions and policy statement were emailed to the committee. A recap of the discussion from the last meeting was shared. The statements in 3-008.1 (specifically *g* and *h*) were reviewed again and discussed. Clarification was made that federal agencies (e.g., NIH) require a nepotism policy, but do not define what that policy must be. Suggestion was made to strike the last sentence in *h* and offer this suggestion to the Conflict of Interest office given that there are steps in place for all other positions to have an additional review and steps (e.g., *g*). Stephen will work on a resolution that will be discussed next time.

7) New business

a. Committees and summer service [from steering]-discussion

While many faculty are on 9-month appointments, during summer there is understanding that faculty still provide service although they are not compensated and it is not reflected in assignment of duties. This topic was given to us from Steering. Question was whether there is a liability issue for faculty who serve on committees but are not under contract. This question will be posed to the union rep.

b. Salary study (gender bias) [from committee]- Linda Walters- discussion.

The numbers would be so small by department that this would not have much practical value. Dr. Borden was open to assisting with this, but the committee would need to define what they are interested in. This has been tabled.

c. Criteria for emeritus status [from committee] –discussion

Discussion was had regarding what emeritus status means. Lucretia Cooney indicated that she believed Keith Koons met with Rhonda Bishop and changes were made. It was suggested that the committee reach out to Rhonda Bishop's office (ethics and compliance) to get an update. Stephen will ask Steering to fill the committee in on what they know.

d. TIPs, RIAs, and SoTLs [from committee]- discussion

This was tabled. Lucretia Cooney indicated there are negotiations with the union that may add to this discussion next month.

Resolution 2016-2017-x Availability of Lactation Rooms for UCF Women

Whereas, UCF currently has 7 publicly available lactation rooms: one is on the College of Medicine campus at Lake Nona, one is in Research Park at the College of Nursing University Tower building, and five on the main campus. The main campus rooms are located in the Global UCF Building, Physical Science Building, Engineering 1 Building, COHPA, and the Recreation and Wellness Center. On the main campus, these rooms are clustered on the north and east sides of the campus; and

Whereas, UCF Human Resources procedures document entitled, "Break Times and Locations for Nursing Mothers, Effective December 2010", states that the University of Central Florida will provide a supportive environment to enable breastfeeding employees to express their milk during working hours; and

Whereas, UCF currently does not provide sufficient and equitable access to lactation rooms for large population of UCF women who may need to express their milk post-delivery, including UCF women faculty (782), UCF women staff (2363), and UCF women students (35,508); and

Whereas, this lack of lactation rooms has economic implications for UCF, as reported by the 2010 University of Rhode Island report of "College and University Lactation Programs", including a \$3 cost savings for every \$1 invested in breastfeeding support, parental absenteeism is 3X higher for formula-fed infants compared to breastfed babies, companies with an employee lactation support program experience less turnover and lower losses of employees after childbirth, and companies with lactation rooms are also rewarded with higher satisfaction, loyalty and morale; therefore

Be It Resolved that the Faculty Senate encourages the administration to follow the guidelines put forth by the U.S. Department of Health and Human Services, US Office of Personnel Management, and National Institute of Health as well as the US Department of Labor for working women which recommends 6 lactation rooms for every 1000 women employees (Attachment 1), and there be lactation room access within a 5-minute walk for the employee. At a minimum, UCF should triple the number of lactation rooms available to women employees on the main campus through designating space in planned constructions and retro-fitting rooms in existing buildings, especially on the west and south sides of campus; and

Be It Further Resolved that the Faculty Senate additionally recommends that the lactation rooms at the College of Medicine and the College of Nursing (Research Park) be maintained, a room be added at Rosen College and at regional campuses where UCF has a presence (if not currently available), and rooms be added to the new downtown campus construction designs based on expected campus enrollment and employment projections.

Attachment 1:

Recommendations from the U.S. Department of Health and Human Services and National Institute of Health for working women (womenshealth.gov)

The number of spaces needed depends on many factors. For example, companies will want to consider how many women are employed, the number and size of buildings, and the work schedule and job settings of employees. A general rule is to provide at least one permanent milk expression space for every 50–100 women employed by the company, and adjust as employee needs increase. The National Institutes of Health (NIH) compiled a formula for identifying the number of spaces needed, and estimate that at least six milk expression stations for every 1000 female employees should be the general rule. This number is based on a pregnancy rate of 5–7 percent among the female population, a breastfeeding initiation rate of 75 percent, and an assumption that most nursing women cluster milk expression periods around a similar period from 10 a.m. to 3 p.m. during a standard work day. The chart below is based on their general guide:

Milk Expression Spaces	
Number of Female Employees	Number of Stations Needed
Under 100	1
Approximately 250	2
Approximately 500	3
Approximately 750	4
Approximately 1000	6
For every additional 1000 employees	6 additional stations

Seek locations that employees can reach within a 5-minute walk. This means that spaces should be evenly distributed within large buildings, as well as evenly distributed across a large campus in easily accessed locations. Limiting an employee's travel time minimizes the

overall amount of break period women need to express milk. Centralized locations also make it possible for the greatest number of employees to access the space. Within a building, spaces can be located near a central bank of elevators, the entrance to a facility, or the employee lounge or eating areas. **Look for space near running water for washing hands and breast pump parts.**

Women will feel comfortable and safe when the door into the milk expression room can be locked. A keypad lock or electronic key provides privacy, and nursing moms can use a key, key card, or code to enter the room. If a lockable door is not possible, provide a sign outside the door with a well-communicated policy to help prevent others from entering the space. Curtains or partitions by the door might be needed to provide an additional layer of privacy when the door is opened from the outside.

For an employee whose appointment was previously changed from an academic year to calendar year appointment at a salary adjustment other than 122.2 percent or from a calendar year to academic year appointment at a salary adjustment other than 81.82 percent, the percent which is the reciprocal of the percent previously used shall be used to make the salary adjustment.

(4) The summer instructional appointment does not include other credit-generating activities, such as thesis or dissertation supervision, directed individual studies, supervised teaching or research/scholarship/creative activities, or supervision of student interns. Other credit-generating activities, as well as research or service activities, may be assigned by the University during the summer term. However, no faculty member shall be required to undertake such assigned other credit-generating activities, or assigned research or service activities, without compensation for that specific activity in addition to the compensation provided for the faculty member's summer instructional appointment.

(5) Compensation for other credit-generating activities shall be at the following rates per credit hour, rounded to the nearest dollar:

in-state tuition rate x (1 - facilities and administration rate for on-campus instruction)

(2) The calculation of mean salary shall be as follows. For a course that begins during the fall, spring, or subsequent summer of an academic year, compensation shall be based on the employees in the unit and their salary rates as of January 1st of the previous academic year. Any 12-month employee salaries will be multiplied by 81.82 percent to obtain an academic year salary.

(3) Courses of greater or fewer than three ~~(3)~~ credit hours shall be prorated.

(b) Compensation for overload appointments other than those described in 8.7(a) shall be no less than the adjunct rate for the employee's department or unit.

(2) For any course which meets the minimum and in which the course content is delivered by the employee, the employee shall receive a supplemental summer appointment for one course. The University may provide a supplemental summer appointment for the employee even if the program does not meet the minimum, as long as such decisions are made on an equitable basis, based on programmatic needs.

(3) For any course in which the course content is delivered by an instructor other than the employee (for example, an instructor associated with an institution in the host country), but the employee is listed as "Instructor of Record," is traveling with students, and has administrative duties such as recording grades, overseeing excursions, dealing with any food, lodging, or transportation issues, supervising students, etc., the employee shall receive a stipend of \$1,500.00.

~~(4) If an employee is teaching more than one course in a single summer study abroad~~ the program, if an employee chooses to take a smaller number of students, or if the minimum is not met but the employee still wishes to lead the program, the employee may volunteer in writing to opt out of receiving any compensation other than travel, housing, and pre-determined expense reimbursement.

~~(45)~~ If the maximum size of a study abroad program is limited by the nature or location of the program, if an employee chooses to take a smaller number of students, or if the minimum is not met but the employee still wishes to lead the program, the employee may volunteer in writing to opt out of receiving any compensation other than travel, housing, and pre-determined expense reimbursement.

8.9 Reclassification of an Employee to a Non-Unit Classification. Employees shall be provided advance, where practicable, when the University proposes to reclassify the employee to a classification the bargaining unit, ~~or to reclassify an out-of-unit employee to a classification within the bargaining unit.~~ The Office of Faculty Relations ~~sh~~will notify the local UFF Chapter of such a proposed reclassification a reasonable period after the department/unit recommends such a reclassification to Academic Affairs. The employee may request a review of such action consistent with the provisions of Article 28. The UFF may discuss such action pursuant to Article 2, Consultation.

ARTICLE 8 APPOINTMENT

8.1 Policy. The University shall exercise its authority to determine the standards, qualifications, and criteria so as to fill appointment vacancies in the bargaining unit with the best possible candidates. In furtherance of this aim, the University shall,

(c) Upon approval by the president or the president's representative, and assuming that the assigned responsibilities remain substantially the same, an employee's base salary shall be adjusted by 81.82 percent when changing from a calendar year to an academic year appointment or by ~~133.3~~122.2 percent when changing from an academic year to a calendar year appointment. For an employee whose appointment was previously changed from an academic year to calendar year appointment at a salary adjustment other than ~~122.2~~133.3 percent or from a calendar year to academic year appointment at a salary adjustment other than 81.82 percent, the percent which is the reciprocal of the percent previously used shall be used to make the salary adjustment.

The president or representative shall carefully consider such requests, although staffing considerations and other relevant University needs may prevent their being granted.

(b) Effective August 8, 2009, if a calendar year appointment includes a temporary salary adjustment (stipend), the employment agreement shall specify what part if any of the stipend shall be included in salary calculations when converting from a calendar year to an academic year appointment. In the absence of a statement on the employment agreement stating otherwise, all stipends shall be included when converting an employee's salary from a calendar year to an academic year appointment or vice versa.

(c) Upon approval by the president or the president's representative, and assuming that the assigned responsibilities remain substantially the same, an employee's base salary shall be adjusted by 81.82 percent when changing from a calendar year to an academic year appointment or by ~~133.3~~122.2 percent when changing from an academic year to a calendar year appointment. For an employee whose appointment was previously changed from an academic year to calendar year appointment at a salary adjustment other than ~~122.2~~133.3 percent or from a calendar year to academic year appointment at a salary adjustment other than 81.82 percent, the percent which is the reciprocal of the percent previously used shall be used to make the salary adjustment.

8.5 Appointment Types.

(a) Appointments may be offered on a tenured, tenure-earning, or non-tenure-earning basis.

(b) The ranks ~~A~~assistant ~~P~~professor, ~~A~~associate ~~P~~professor, and ~~P~~professor shall be provided to employees who have tenured or tenure-earning appointments except under the following circumstances:

(1) When an employee holding one of these ranks is placed on a terminal contract, the employee's rank will be retained for the duration of that contract;

(2) Up to five (5) untenured, non-tenure earning employees appointed annually whose rank is specifically approved by the president or president's representative;

(3) Individuals who have officially retired from universities or other organizations who are least 55 years of age;

(4) Tenured employees who decide to give up their tenured status to take advantage of whatever incentives might be offered by such an appointment;

(5) Individuals who have held the rank of professor for at least seven (7) years at an institution of higher education;

(6) Employees with the prefix visiting, provisional, courtesy, clinical, or research appended to the rank of assistant professor, associate professor, or professor; and

(7) Non-tenure earning employees whose rank, as of the date of ratification of this Agreement, violates the preceding provision.

(c) Non-tenure-earning multiyear renewable appointments of two to five year duration may be offered. Such appointments shall not be provided to employees with the ranks of assistant professor, associate professor, or professor except under the circumstances of 8.5(b)(2) through 8.5(b)(7), but shall not be offered to visiting, research, or provisional employees.

(d) Visiting Appointments. A visiting appointment is one made to a person having appropriate professional qualifications but not expected to be available for more than a limited period, or to a person in a position which the University does not expect to be available for more than a limited period. A visiting appointment, or a sequence of visiting appointments (i.e., an initial appointment followed by another visiting

101 appointment) may not exceed a total of four years. Similarly, a non-renewable (non-searched) appointment
102 may not exceed a total of 12 months.

103 104 **8.6 Supplemental Summer Appointments.**

105 (a) Policy. Supplemental summer appointments, when available, shall be offered equitably and as
106 appropriate to qualified employees, not later than five weeks prior to the beginning of the appointment, if
107 practicable. Course offerings and summer assignments will be made taking into consideration programmatic
108 needs, student demand, and budget availability. The criteria shall be made available in each department or
109 unit.

110 (b) Compensation. Compensation for summer employment shall be twelve and one half percent
111 (12.5%) of the employee's 9-month base salary for the first three (3) credit hours of summer assignment,
112 including teaching, research, and service; twelve and one half percent (12.5%) of the employee's 9 month
113 base salary for the second three (3) credit hours of summer assignment, including teaching, research, and
114 service; and eight percent (8.0%) of the employee's 9-month base salary for the third three (3) credit hours of
115 summer assignment, including teaching, research, and service. Courses of greater or fewer than three (3)
116 credit-hours shall be prorated. The supplemental summer assignments, like that for the fall and spring
117 semesters, include(s) the normal activities related to such an assignment as defined by the department/unit
118 and the nature of the course, including office hours, course preparation, curriculum development, lectures,
119 evaluation of student efforts, academic advising, research, and department, college, and University
120 committee meetings. Supplemental summer appointments also include activities such as thesis or
121 dissertation supervision, directed individual studies, or supervision of student interns.

122
123 (c) When an employee is not provided a supplementary summer appointment, the employee is
124 not obligated to perform any normal duty or activity for the university during the summer and there is no
125 expectation that the employee will perform any normal duty or activity for the university during the summer.
126 Nevertheless, there may be nine-month employees who choose on their own to perform some normal duty or
127 activity during the summer while not being compensated through a supplemental summer appointment
128 because, for example, doing so may enhance their own professional development or reputation or may
129 benefit a student under their tutelage, in addition to benefitting the university. The university encourages
130 employees to report such uncompensated effort on their next annual report so that their effort may be
131 documented and recognized during their next annual evaluation in accordance with Article 10.1 (g) (3) and
132 during any promotion and/or tenure processes.

133
134 (ed) Supplemental summer appointments shall be made in accordance with Section 1012.945,
135 Florida Statutes (the "twelve hour law").

136
137 **8.7 Overload Appointments.** Overload compensation is defined as compensation for any duties in
138 excess of a full appointment (1.0 FTE). Available overload compensation appointments within the University
139 shall be offered equitably and as appropriate to qualified employees in sufficient time to allow voluntary
140 acceptance or rejection. Courses of greater or fewer than three credit hours shall be prorated.

141 (a) An employee's overload compensation for teaching a three (3) credit hour course in a
142 premium tuition program shall be eleven and one half percent (11.5%) of the mean academic year salary of
143 the tenured and tenure-earning employees in the employee's department/unit.

144 (1) If the employee's department/unit does not offer tenure, the compensation for a three
145 (3) credit hour course shall be eleven and one half percent (11.5%) of the mean 9-month salary of the faculty
146 pay plan employees in the department/unit.

147 (2) The calculation of mean salary shall be as follows. For a course that begins during the
148 fall, spring, or subsequent summer of an academic year, compensation shall be based on the employees in the
149 unit and their salary rates as of January 1st of the previous academic year. Any 12-month employee salaries
150 will be multiplied by 81.82 percent to obtain an academic year salary.

151 (3) Courses of greater or fewer than three (3) credit hours shall be prorated.

(b) Compensation for overload appointments for instruction other than those described in 8.7(a) shall be no less than the adjunct rate for the employee's department college or unit.

~~(c) Overload appointments utilizing C&G funding may be limited on compensation method as defined in this section, depending on any restrictions in the associated contract or grant. Such limitations shall be provided to the employee in writing prior to the commencement of the work associated with the appointment. Compensation for overload appointments that are related to compensatedion from a grant may be made as follows as agreed upon by the university, college/unit, and the employee in writing prior to the commencement of work associated with the appointment:~~

~~(1) As a flat rate paid in regular biweekly installments as additional pay not considered an administrative salary stipend as described in section 23.12, or~~

~~(2) As an equivalent lump sum payment following the conclusion of the appointment and/or completion of the work associated with the appointment.~~

~~(a) Lump sum payments shall be processed by the University and received by the employee in their regular biweekly pay no later than the second pay period following the conclusion of the appointment and/or completion of the work associated with the appointment.~~

8.8 Study Abroad Appointments. Available study abroad appointments within the University shall be offered equitably and as appropriate to qualified employees in sufficient time to allow voluntary acceptance or rejection. An employee shall not be coerced to accept such an appointment or harmed for rejecting an offer for such an appointment. Study abroad programs may be offered as follows:

(a) During the summer semester.

(b) During the fall or spring semester.

(c) During the fall extended or spring extended semester. The fall extended semester may continue through the winter break. The spring extended semester continue until the last day of the academic year contract.

~~(ad)~~ **(ad)** Training. An employee shall attend appropriate training prior to participating in a study abroad program. This training shall include written instructions regarding the employee's responsibilities for students who are participating in the study abroad program.

~~(be)~~ **(be)** Compensation. The minimum number of students required to offer a study abroad program (referred to in this section as "the minimum") shall be determined and put in writing in advance of allowing enrollment in the program. Employees shall be compensated as follows:

(1) All employees serving in study abroad programs shall receive travel, housing, and expense reimbursement defined in the program budget at rates established by the State of Florida or, at rates established in advance, in writing, by the University;

(2) For any course which meets the minimum and in which the course content is delivered by ~~the a 9 month~~ employee during the summer semester, the employee shall receive a supplemental summer appointment for one course. The University may provide a supplemental summer appointment for the employee even if the program does not meet the minimum, as long as such decisions are made on an equitable basis, based on programmatic needs.

(3) For any course in which the course content is delivered by an instructor other than the 9 month employee during the summer semester (for example, an instructor associated with an institution in the host country), but the employee is listed as "Instructor of Record," is traveling with students, and has administrative duties such as recording grades, overseeing excursions, dealing with any food, lodging, or transportation issues, supervising students, etc., the employee shall be eligible to receive a stipend of \$1,500.00.

(4) If ~~a~~ a 9 month employee is teaching more than one course in a single summer study abroad program, and one or more of those courses does not meet the minimum, the department chair or unit head may combine the course enrollments in order to meet the minimum. In such a case, the employee shall receive a supplemental summer appointment for the number of courses the student enrollment would allow, given the minimum. For example, if the minimum is twenty (20), the program includes two (2) courses, and

fourteen (14) students enroll producing the equivalent of twenty-eight (28) students in one course, the employee will receive a supplemental summer appointment for one course. As another example, if the minimum number of students is twenty (20), the program includes three (3) courses, and fourteen (14) students enroll producing the equivalent of forty-two (42) students in one course, the employee will receive a supplemental summer appointment for two courses;

(5) If the maximum size of a study abroad program is limited by the nature or location of the program, if ~~a 9 month~~ employee chooses to take a smaller number of students, or if the minimum is not met but the employee still wishes to lead the program, the 9 month employee may volunteer in writing to opt out of receiving any summer supplemental compensation other than travel, housing, and pre-determined expense reimbursement.

~~(66)~~ If a 9 month employee is teaching a credit-bearing course in a study abroad program during the fall or spring semester, or a fall/spring extended semester, the appointment shall either be a part of the employee's in-load assignment or taught on an overload basis. If the course is taught on an overload basis, the employee shall be compensated according to 8.7(b).

~~(877)~~ If a ~~twelve-12~~ month employee is teaching a credit-bearing course in a study abroad program, the appointment shall either be a part of the employee's in-load assignment or taught on an overload basis. If the course is taught on an overload basis, the employee shall be compensated according to 8.7(b).

8.9 Reclassification of an Employee to a Non-Unit Classification. Employees shall be provided written notice fourteen (14) days in advance, where practicable, when the University proposes to reclassify the employee to a classification which is not contained in the bargaining unit. The Office of Faculty Relations will notify the local UFF Chapter of such a proposed reclassification within a reasonable period after the department/unit recommends such a reclassification to Academic Affairs. The employee may request a review of such action consistent with the provisions of Article 28. The UFF may discuss such action pursuant to Article 2, Consultation.

ARTICLE 8 APPOINTMENT

8.1 Policy. The University shall exercise its authority to determine the standards, qualifications, and criteria so as to fill appointment vacancies in the bargaining unit with the best possible candidates. In furtherance of this aim, the University shall,

- (a) advertise such appointment vacancies, receive applications and screen candidates therefore, and make such appointments as it deems appropriate under such standards, qualifications, and criteria; ~~and~~
- (b) commit to an effort to identify and seek qualified ~~women and minority~~ and diverse candidates for vacancies and new positions; ~~and-~~
- (c) continue to support, where practicable, spousal hires at UCF.

8.2 Advertisement of Vacancies. Bargaining unit vacancies shall be advertised through appropriate professional channels. Employees of lower or equivalent ranks, ~~employees who are spouses of employees,~~ and employees who are local residents shall not, in the hiring process, be advantaged or disadvantaged for that reason. Prior to making the decision to hire a candidate to fill a bargaining unit vacancy, the appropriate administrator(s) shall consider recommendations which have resulted from the review of candidates by employees in the department/unit.

8.3 Employment Agreement. All appointments shall be made on a University employment agreement and signed by the president or representative and the employee. The University may enclose informational addenda, except that such addenda shall not abridge the employee's rights or benefits provided in this Agreement. - (g) Percent of full time effort (FTE) assigned;
- (h) Salary;
- (i) Budget entity
- (j) The following statement, if the appointment is not subject to the notice provisions of Article 12: "Your employment under this agreement will cease on the date indicated. No further notice of cessation of employment is required.";
- (k) Special conditions of employment, including what part, if any, of the salary is provided as a temporary salary adjustment (stipend) subject to the terms of Section 8.4-;
- (l) A statement that the appointment is subject to the Constitution and laws of the State of Florida and the United States, the regulations of the University, and this Agreement;
- (m) A statement that the employee's signature on the employment agreement shall not be deemed a waiver of the right to process a grievance with respect thereto in compliance with Article 20;

University policy and regulation prohibit discrimination against or harassment of any employee based upon age, disability, gender identity or gender expression, genetic information, marital status, national origin, political affiliation, race or color, religion, sex, sexual orientation, or veteran status, or employee rights related to union activity as granted under Chapter 447, Florida Statutes. Claims of such discrimination by the University may be presented as grievances pursuant to Article 20, Grievance Procedure.";

(no) A statement informing the employee of the obligation to report outside activity, conflict of commitment, and conflict of interest under the provisions of Article 19 of the Agreement; and

(op) The statement: "If you have not been provided with a copy of the BOT/UFF Collective Bargaining Agreement, notify your supervisor and you will be given one." A copy may also be found at <http://www.collectivebargaining.ucf.edu/completecba.asp>

8.4 Change in Appointments.

(a) An employee serving on a calendar year appointment may request an academic year appointment. Similarly, an employee serving on an academic year appointment may request a calendar year appointment. The president or representative shall carefully consider such requests, although staffing considerations and other relevant University needs may prevent their being granted.

(b) Effective August 8, 2009, if a calendar year appointment includes a temporary salary adjustment (stipend), the employment agreement shall specify what part if any of the stipend shall be included in salary calculations when converting from a calendar year to an academic year appointment. In the absence of a statement on the employment agreement stating otherwise, all stipends shall be included when converting an employee's salary from a calendar year to an academic year appointment or vice versa.

(c) Upon approval by the president or the president's representative, and assuming that the assigned responsibilities remain substantially the same, an employee's base salary shall be adjusted by 81.82 percent when changing from a calendar year to an academic year appointment or by ~~133.3~~~~22.2~~ percent when changing from an academic year to a calendar year appointment. For an employee whose appointment was previously changed from an academic year to calendar year appointment at a salary adjustment other than ~~122.2~~~~133.3~~ percent or from a calendar year to academic year appointment at a salary adjustment other than 81.82 percent, the percent which is the reciprocal of the percent previously used shall be used to make the salary adjustment.

8.5 Appointment Types.

(a) Appointments may be offered on a tenured, tenure-earning, or non-tenure-earning basis.

(b) The ranks ~~A~~assistant ~~P~~professor, ~~A~~associate ~~P~~professor, and ~~P~~professor shall be provided to employees who have tenured or tenure-earning appointments except under the following circumstances:

(1) When an employee holding one of these ranks is placed on a terminal contract, the employee's rank will be retained for the duration of that contract;

(2) Up to five (5) untenured, non-tenure earning employees appointed annually whose rank is specifically approved by the president or president's representative;

(3) Individuals who have officially retired from universities or other organizations who are least 55 years of age;

(5) Individuals who have held the rank of professor for at least seven (7) years at an institution of higher education;

(6) Employees with the prefix visiting, provisional, courtesy, clinical, or research appended to the rank of assistant professor, associate professor, or professor; and

(7) Non-tenure earning employees whose rank, as of the date of ratification of this Agreement, violates the preceding provision.

(c) Non-tenure-earning multiyear renewable appointments of two to five year duration may be offered. Such appointments shall not be provided to employees with the ranks of assistant professor, associate professor, or professor except under the circumstances of 8.5(b)(2) through 8.5(b)(7), but shall not be offered to visiting, research, or provisional employees.

(d) Visiting Appointments. A visiting appointment is one made to a person having appropriate professional qualifications but not expected to be available for more than a limited period, or to a person in a position which the University does not expect to be available for more than a limited period. A visiting

appointment, or a sequence of visiting appointments (i.e., an initial appointment followed by another visiting appointment) may not exceed a total of four years. Similarly, a non-renewable (non-searched) appointment may not exceed a total of 12 months.

8.6 Supplemental Summer Appointments.

(a) Policy. Supplemental summer appointments, when available, shall be offered equitably and as appropriate to qualified employees, not later than five weeks prior to the beginning of the appointment, if practicable. Supplemental summer appointments also include activities such as thesis or dissertation supervision, directed individual studies, and/or supervision of student interns.

(c) When an employee is not provided a supplementary summer appointment, the employee is not obligated to perform any normal duty or activity for the university during the summer and there is no expectation that the employee will perform any normal duty or activity for the university during the summer. Nevertheless, there may be nine-month employees who choose on their own to perform some normal duty or activity during the summer while not being compensated through a supplemental summer appointment because, for example, doing so may enhance their own professional development or reputation or may benefit a student under their tutelage (i.e., submitting an article for publication, submitting a grant proposal, traveling to a professional conference, supervising student scholarly work, writing letters or recommendation, etc.), in addition to benefitting the university. The university encourages employees to report such uncompensated effort on their next annual report so that their effort may be documented and recognized during their next annual evaluation in accordance with Article 10.1 (g) (3) and during any promotion and/or tenure processes.

(ed) Supplemental summer appointments shall be made in accordance with Section 1012.945, Florida Statutes (the "twelve hour law").

8.7 Overload Appointments. Overload compensation is defined as compensation for any duties in excess of a full appointment (1.0 FTE). Available overload compensation appointments within the University shall be offered equitably and as appropriate to qualified employees in sufficient time to allow voluntary acceptance or rejection. Courses of greater or fewer than three credit hours shall be prorated.

(a) An employee's overload compensation for teaching a three (3) credit hour course in a premium tuition program shall be eleven and one half percent (11.5%) of the mean academic year salary of the tenured and tenure-earning employees in the employee's department/unit.

(1) If the employee's department/unit does not offer tenure, the compensation for a three (3) credit hour course shall be eleven and one half percent (11.5%) of the mean 9-month salary of the faculty pay plan employees in the department/unit.

For example, if the minimum is twenty (20), the program includes two (2) courses, and fourteen (14) students enroll producing the equivalent of twenty-eight (28) students in one course, the employee will receive a supplemental summer appointment for one course. As another example, if the minimum number of students is twenty (20), the program includes three (3) courses, and fourteen (14) students enroll producing the equivalent of forty-two (42) students in one course, the employee will receive a supplemental summer appointment for two courses;

8.9 Reclassification of an Employee to a Non-Unit Classification. Employees shall be provided written notice fourteen (14) days in advance, where practicable, when the University proposes to reclassify the employee to a classification which is not contained in the bargaining unit. The Office of Faculty Relations will notify the local UFF Chapter of such a proposed reclassification within a reasonable period after the department/unit recommends such a reclassification to Academic Affairs. The employee may request a review of such action consistent with the provisions of Article 28. The UFF may discuss such action pursuant to Article 2, Consultation.

Here is the response on the liability during summer when not on contract question, that I forwarded to the UFF. The FEA legal counsel responded.

Question:

RQ from UFF-UCF:

While many faculty are on 9-month appointments, during summer there is understanding that faculty still provide service although they are not compensated and it is not reflected in assignment of duties. Question was whether there is a liability issue for faculty who serve on committees but are not under contract.

Response from FEA staff counsel:

The liability issue for faculty who serve on committees but are not under contract is the same; they are agents/employees of the University, whether paid or not.

The same coverage is afforded to all public employee/agents, whether paid or volunteer. The duties you question are expectations of staff and are simply extensions of the faculty assignment. Such Faculty members therefore continue their relationship as an agent of the University.

Should the University propose otherwise we would need to revisit their contract status and expectations.

You might also confirm this opinion with University Legal Counsel so that we ensure we are addressing the same issue.

Florida Statutes 768.28 (9)(a) No officer, employee, or agent of the state or of any of its subdivisions shall be held personally liable in tort or named as a party defendant in any action for any injury or damage suffered as a result of any act, event, or omission of action in the scope of her or his employment or function, unless such officer, employee, or agent acted in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety, or property. However, such officer, employee, or agent shall be considered an adverse witness in a tort action for any injury or damage suffered as a result of any act, event, or omission of action in the scope of her or his employment or function. The exclusive remedy for injury or damage suffered as a result of an act, event, or omission of an officer, employee, or agent of the state or any of its subdivisions or constitutional officers shall be by action against the governmental entity, or the head of such entity in her or his official capacity, or the constitutional officer of which the officer, employee, or agent is an employee, unless such act or omission was committed in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of

human rights, safety, or property. The state or its subdivisions shall not be liable in tort for the acts or omissions of an officer, employee, or agent committed while acting outside the course and scope of her or his employment or committed in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety, or property.

FEA Rotation Response: The opinions contained in my response are limited to the specific information provided preceding this response. If any other information exists or if there are errors and/or omissions to the information that I was provided, this opinion may no longer be valid.

PREAMBLE

The intent of the parties hereto in carrying out their responsibilities to negotiate the terms and conditions of employment of members of the bargaining unit is to promote the quality and effectiveness of education in the University of Central Florida and to maintain high standards of academic excellence in all phases of instruction, research, and service. The parties concur that these objectives are facilitated by amicable adjustment of matters of mutual interest. It is recognized by the parties that mutual benefits are to be derived from continual improvement in the University of Central Florida, and that participation of faculty and professional employees in the formulation of policies under which they provide their services is educationally sound.

While the United Faculty of Florida (hereinafter UFF) , as the elected bargaining agent, retains the exclusive right to negotiate and reach agreement on terms and conditions of employment for the members of the bargaining unit, and the University of Central Florida Board of Trustees (hereinafter the University) retains its rights, under law, to manage and direct the University of Central Florida, the parties recognize the desirability of a collegial governance system for faculty and professional employees in areas of academic concern. It is desirable that the collegial system of shared governance be maintained and strengthened throughout the University of Central Florida so that employees will have a mechanism and procedure, independent of the collective bargaining process, for making recommendations to appropriate administrative officials.

Collegiality in academic governance on each campus of the University of Central Florida can best be accomplished through the Faculty Senate selected by representatives of the appropriate campus constituencies in accordance with the Faculty Constitution and tradition. Appropriate matters of concern should be brought before the Faculty Senate by its members or steering committee, or by the President of the University or representatives. Among matters which may be of concern to the Faculty Senate include: (a) curriculum policy and curricular structure; (b) requirements for degrees and granting of degrees; (c) policies for recruitment, admission, and retention of students; (d) the development, curtailment, discontinuance, or reorganization of academic programs; (e) grading policies; and (f) other matters of traditional concern.

In such a collegial system, departments or other traditional governance structures should play an active and responsible role in academic matters, including significant involvement in the recruitment of new faculty and professional employees, the development of high quality programs, participation in the development of tenure, promotion, and merit salary increase criteria, participation in the selection of instructional and library materials, and other matters of professional concern. The collegial relationship is most effective when peers work critically together to carry out their duties in the most professional manner possible.

In recognition of the importance of the collegial system of governance described herein, the president or president's representatives shall confer regularly with representatives from the Faculty Senate.

This Preamble is a statement of intent and policy and is, therefore, not subject to Article 20, Grievance Procedure.

ARTICLE 1 *RECOGNITION*

1.1 Bargaining Unit. Pursuant to Commission Order 03E-097, dated April 28, 2003, wherein the Public Employees Relations Commission issued Certification No. 1391 to the United Faculty of Florida, the University recognizes the UFF as the exclusive representative, solely for the purpose of collective bargaining with respect to wages, hours, and other terms and conditions of employment as specifically set forth in this Agreement, for all employees in the bargaining unit described in the certification. Attached as Appendix "A," for information purposes only and not made a part of the Agreement, is the listing of classifications (titles) included in the bargaining unit.

1.2 University Regulations and Policies.

(a) If there is an inconsistency between an existing University regulation or policy and an express provision of this Agreement, the University agrees to promptly remedy the inconsistency.

(b) No new or amended University regulation, policy, or resolution shall apply to employees if it conflicts with an express term of the Agreement.

(c) The University shall provide to the UFF an advance copy of any new or amended University regulation or policy changing a term or condition of employment contained in this Agreement. The University shall provide the advance copy of a proposed regulation no later than the date of publication under the provisions of the Administrative Procedure Act. Such advance copy of a University policy shall be provided to the UFF at least two (2) weeks in advance of its effective date so as to permit the UFF to seek consultation with respect to it. With respect to a regulation adopted pursuant to the emergency provisions of the Administrative Procedure Act, an advance copy shall be provided as far in advance of its effective date as is feasible under the circumstances.

(d) If the University or a committee of the University has scheduled public hearings on any University action that would conflict with an express term of this Agreement, the UFF shall not be denied the opportunity to address the matter.

(e) If any proposed regulation, policy, or resolution would modify an express term of this Agreement, the University or its designee shall engage in collective bargaining with respect to the change upon the UFF's request.

1.3 Board of Trustees Meetings -- Agenda.

(a) The University shall furnish to the UFF a copy of the agenda of each Board of Trustees meeting or Board of Trustees committee meeting at the time those agendas are made available to members of the Board of Trustees, and a copy of the minutes of Board of Trustees meetings at the time they are made available to the general public.

1.4 Right to Hear Views. Nothing contained in this Agreement shall be construed to prevent the University or its representatives, from meeting with any individual or organization to hear views on any matter, provided however, that as to any such matter which is a proper subject of collective bargaining and covered by a term of this Agreement, any changes or modification shall be made only through negotiation and agreement with the UFF.

1.5 Faculty Orientations. UFF shall be given the opportunity to sponsor a breakfast, lunch, or reception during the fall faculty new hire orientation.

ARTICLE 2 **CONSULTATION**

Consultation with President. The president or the president's representatives shall meet with the local UFF Chapter representatives to discuss matters pertinent to the implementation or administration of this Agreement, University actions affecting terms and conditions of employment, or any other mutually agreeable matters. Such meetings shall normally occur once (1) each semester in the academic year and once (1) during the summer term unless the parties mutually agree to meet more frequently. If an issue arises that either party wishes to address separately from a formal consultation, after an attempt at informal resolution, that party shall have the ability to call a consultation in an attempt to resolve that single issue. Either party may request a consultation. If no request is made for a consultation during any given semester or summer term, as applicable, then the consultation for that semester or the summer term, as applicable, is waived. The party requesting consultation shall submit a written list of agenda items at least two weeks in advance of the meeting. The other party may add to that agenda by submitting a written list of agenda items to the party calling for the consultation at least the day before the meeting if it wishes to discuss specific issues.

Consultations may be used to resolve problems regarding the implementation and administration of the Agreement. The parties understand and agree that such meetings shall not constitute or be used for the purpose of collective bargaining, discussing specific grievances, or modifying, adding to, or deleting any provision of this Agreement. However, grievances that are closed and are no longer subject to the provisions of Article 20 may be discussed.

ARTICLE 3 [2015-2018] **[2015-2016 version available in Appendix G]** **UFF PRIVILEGES**

3.1 Use of Facilities and Services. Subject to the rules and policies of the University, the UFF shall have the right to use University facilities for meetings and to use all other services of the University on the same basis as they are generally available to University-related groups and organizations. For purposes of this Agreement, University-related Groups and Organizations are groups that are directly related to University operations or the University community and that may or may not receive budgetary support. Examples of such groups include student organizations, honor societies, fraternities, sororities, alumni associations, faculty committees, and direct support organizations.

3.2 Communications.

(a) UFF may post bulletins and notices relevant to its position as the collective bargaining agent on a reasonable number of existing bulletin boards but on at least one bulletin board per building where a substantial number of employees have offices. Specific locations shall be mutually selected by the University and the local UFF Chapter in the course of consultation pursuant to Article 2, Consultation. All materials placed on the designated bulletin boards shall bear the date of posting and may be removed by the University after having been posted for a period of thirty days. In addition, such bulletin boards may not be used for election campaigns for public office or exclusive collective bargaining representation.

(b) The University will place a link to the UFF web site in an appropriate place on the University web site, as determined by the University.

3.3 Leave of Absence -- Union Activity.

(a) At the written request of the UFF, provided no later than May 1 of the year prior to the beginning of the academic year when such leave is to become effective, a full-time or part-time unpaid leave of absence for the academic year shall be granted to up to two employees designated by the UFF for the purpose of carrying out UFF's obligations in representing employees and administering this Agreement, including lobbying and other political representation. Such leave may also be granted to one employee for the entire summer term, upon written request by the UFF provided no later than March 15 of the preceding academic year. Upon the failure of the UFF to provide the University with a list of designees by the specified deadlines, the University may refuse to honor any of the requests which were submitted late.

(b) No more than two employees from any college/unit, nor more than one employee per fifteen employees per department/unit, need be granted such leave at any one time.

(c) The UFF shall reimburse the University for the employee's salary, fringe benefits, and retirement.

(d) Employees on full-time leave under this paragraph shall be eligible to receive salary increases in accordance with the provisions of Article 17. Employees on less than full-time leave under this paragraph shall be eligible to receive salary increases on the same basis as other employees.

(e) An employee who has been granted leave under this Article for four (4) consecutive academic years shall not again be eligible for such leave until one academic year has elapsed following the end of the leave. One (1) employee, designated by the UFF, shall be exempt from the provisions of this subsection. Other exceptions may be granted at the discretion of the University upon prior written request by the UFF.

(f) The University shall not be liable for the acts or omissions of said employees during the leave and the UFF shall hold the University harmless for any such acts or omissions, including the cost of defending against such claims.

(g) An employee on such leave shall not be evaluated for this activity nor shall such activity be considered by the University in making personnel decisions.

3.4 Released Time.

(a) The University agrees to provide released time each calendar year to full-time employees designated by the UFF for the purpose of carrying out the UFF's obligations in collective bargaining negotiations, representing employees and administering this Agreement. The Parties will take coordinated action to facilitate an adequate and mutually convenient bargaining schedule. A maximum of five units of released time shall be granted during each spring

and fall semester and four units in each summer session. The UFF may designate employees to receive released time during the year subject to the following conditions:

- (1) A maximum of three released time units per semester shall be granted to employees in any one (1) college.
 - (2) The UFF shall provide the University with a list of designees for the academic year no later than May 1 of the preceding academic year. Substitutions for the spring semester shall be made upon written notification submitted by the UFF to the University no later than November 1.
 - (3) Released time shall not become part of the status quo.
- (b) Each "unit" of released time shall consist of a reduction in teaching load of one course per fall or spring semester for instructional employees or, for non-teaching employees, a reduction in workload of ten hours per week, which shall include a 25% reduction in assigned duties. One unit of released time may be used during the summer term at a rate of 12.5% of the employee's nine-month salary and shall be considered the equivalent of one summer term course's FTE for instructional employees. For non-teaching twelve-month employees, one unit of summer released time shall include a reduction in workload of ten hours per week, which shall include a 25% reduction in assigned duties.
 - (c) Released time shall be used for conducting UFF business, at the University or state level, and shall not be used for lobbying or other political representation.
 - (d) Employees who are on leave of any kind shall not be eligible to receive released time.
 - (e) Upon the failure of the UFF to provide a list of designees by the specified deadlines, the University may refuse to honor any of the released time requests which were submitted late. Substitutions submitted after the November 1 deadline shall be allowed at the discretion of the University.
 - (f) An employee who has been granted released time for either or both semesters during four (4) consecutive academic years shall not again be eligible for released time until two (2) academic years have elapsed following the end of the fourth academic year in which such released time was granted.
As an exception to this limitation, three (3) employees designated by the UFF shall be eligible for released time for responsibilities at the UFF state level for one (1) additional year. These employees shall not again be eligible for released time until two (2) academic years have elapsed following the end of the fifth academic year of released time. These employees shall be identified by the UFF no later than May 1 of the preceding academic year; substitutions may be approved by the University at its discretion.
 - (g) Employees on released time shall be eligible for salary increases on the same basis as other employees. Their released time activities shall not be evaluated and the University shall not use such activity against the employee in making personnel decisions.
 - (h) Employees on released time shall retain all rights and responsibilities as employees but shall not be considered representatives of the University for any activities undertaken on behalf of the UFF. The UFF agrees to hold the University harmless for any claims arising from such activities, including the cost of defending against such claims.

ARTICLE 4

MANAGEMENT RIGHTS

4.1 Policy. The Board of Trustees, on its own behalf and on behalf of the University of Central Florida, hereby retains and reserves unto itself all rights, powers, duties, and authority vested in it to plan, govern, manage, and control the University of Central Florida, and in all respects carry out the ordinary and customary functions of management.

4.2 Limitations. All such rights, powers, duties, and authority are retained and reserved by the Board, subject to those limitations imposed by this Agreement. Only violations of such limitations shall be subject to Article 20, Grievance Procedure.

ARTICLE 5

research/creative activities, and assigned service. An employee engaged in such activities shall be free to cultivate a spirit of inquiry and scholarly criticism and to examine ideas in an atmosphere of freedom and confidence.

5.2 Academic Freedom. Academic freedom is the freedom to teach, both in and outside the classroom, to conduct research, and to publish the results of that research. Consistent with the exercise of academic responsibility, employees shall have freedom to present and discuss their own academic subjects, frankly and forthrightly, without fear of censorship, and to select instructional materials and determine grades in accordance with University policies. Objective and skillful exposition of such subject matter, including the acknowledgment of a variety of scholarly opinions, is the duty of every such employee. Faculty are also free to address any matter of institutional policy or action. As individuals, employees are free to express their opinions to the larger community on any matter of social, political, economic, or other public interest, without institutional discipline or restraint due to the content of those messages. Unless specifically authorized by the administration, employees' opinions do not reflect the policies or official positions of the University of Central Florida.

5.3 Academic Responsibility. Academic freedom is accompanied by corresponding responsibility on the part of employees. University faculty are members of a learned profession. As scholars and educators, they should remember that the public may judge their profession and their institution by their utterances. Accordingly, they are obliged to:

- (a) Observe and uphold the ethical standards of their disciplines in the pursuit and communication of scientific and scholarly knowledge;
- (b) Adhere to their proper roles as teachers, researchers, intellectual mentors, or counselors;
- (c) Respect students, staff, and colleagues as individuals; treat them in a professional manner; and avoid any exploitation of such persons for private advantage.
- (d) Respect the integrity of the evaluation process, by evaluating students, staff, and colleagues fairly according to the criteria the evaluation process specifies;
- (e) Contribute to the orderly and effective functioning of their academic unit i.e., program, department, school and/or college and/or the University;
- (f) Observe the regulations of the University, provided they do not contravene the provisions of this Agreement.
- (g) Be forthright and honest in the pursuit and communication of scientific and scholarly knowledge; and
- (h) Indicate when appropriate that one is not an institutional representative unless specifically authorized as such.

ARTICLE 6

NONDISCRIMINATION

6.1 Statement of Intent. The University of Central Florida is an equal opportunity employer. The University and the UFF fully support all laws intended to protect and safeguard the rights and opportunities of each employee to work in an environment free from any form of discrimination or harassment. The parties recognize their obligations under federal and state laws, rules, and regulations prohibiting discrimination, and have made clear their support for the concepts of affirmative action and equal employment opportunity. The parties affirm their commitment to create a diverse faculty, which brings new perspectives and new talent to the University. The parties have, in this Agreement, undertaken programs to ensure equitable opportunities for employees to receive salary adjustments, tenure, appointments, promotion, sabbaticals, and other benefits of employment, free from discrimination and/or harassment. This statement of intent is not intended to be subject to Article 20, Grievance Procedure.

6.2 Policy.

(a) Neither the University nor the UFF shall discriminate against or harass any employee based upon age, disability, gender identity or gender expression, genetic information, marital status, national origin, political affiliation, race or color, religion, sex, sexual orientation, or veteran status, nor shall the University or the UFF abridge any rights of employees related to union activity granted under Chapter 447, Florida Statutes, including but not limited to the right to assist or to refrain from assisting the UFF. Personnel decisions shall be based on job-related criteria and performance.

(b) Sexual Harassment.

(1) Sexual harassment, as defined by federal law, is a prohibited form of sex discrimination.

(2) The University strictly prohibits sexual harassment. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, or verbal or physical conduct of a sexual nature when:

- a. submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- b. submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- c. such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

(3) The parties also recognize the potential for this form of illegal discrimination against students. Relationships between employees and students, even if consensual, may become exploitative, and especially so when a student's academic work, residential life, or athletic endeavors are supervised or evaluated by the employee (see Section 5.3). These relationships may also involve a conflict of interest (see Article 19). The parties discourage romantic or sexual relationships between employees and students.

(c) Harassment. The University also strictly prohibits other forms of illegal harassment, including but not limited to harassment on the basis of race, age, or disability, in accordance with federal and state law. Illegal harassment occurs when discriminatory intimidation, ridicule, and insult are so severe and pervasive as to alter the conditions of employment and create an abusive working environment. Workplace conduct is not measured in isolation – simple teasing, incivility, off-hand comments, and isolated incidents (unless extremely serious) will not amount to discriminatory changes in the terms and conditions of employment.

(d) Retaliation. Retaliation for exercising civil rights is prohibited by federal and state law. Employees shall not be subjected to harassment, intimidation, threats, coercion, or discrimination for filing a complaint, assisting in an investigation or other procedure related to the federal or state civil rights laws, or opposing a practice made illegal by those laws. Retaliation shall be regarded as seriously as discrimination itself and may justify discipline pursuant to the procedures established in Article 16.

(e) Investigation of Charges. Charges of discrimination or harassment, including those filed by employees against students alleging unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature that constitutes sexual harassment, shall be promptly investigated according to established University procedures.

No employee investigated under such procedures shall be disciplined until such investigation is complete and a finding of discrimination has been issued. The University reserves the right to reassign or to provide an alternative worksite to an employee during an investigation as it deems necessary to mitigate the situation and provide protections to the accuser in addition to the accused.

(f) Results of Investigation. In cases alleging discrimination or harassment by an employee, and in which no finding of discrimination or harassment is made, no record of the complaint shall be placed in the employee's evaluation file, unless the employee requests otherwise. The employee may request that a copy of the complete investigation file be placed in the employee's evaluation file. Where a finding of discrimination or harassment is made, a record of the complete findings shall be placed in the employee's evaluation file.

6.3 Access to Documents. No employee shall be refused a request to inspect and copy documents relating to the employee's claim of discrimination, except for records that are exempt from the provisions of the Public Records Act, Chapter 119, Florida Statutes, provided, however, that the University may charge for copies of documents in accordance with law, rule, University procedures, and this Agreement.

6.4 Consultation. As part of the consultation process described in Article 2, the parties agree to discuss efforts made to appoint and retain women and minority employees.

6.5 Grievance Procedures. Employees complaining of violations of this Article by the University may present such claims as grievances pursuant to Article 20, Grievance Procedure. The parties intend that matters that may be presented as grievances under Article 20, Grievance Procedure, be so presented and resolved thereunder instead of using other procedures. The UFF agrees not to process cases arising under this Article when alternate procedures to Article 20 are initiated by the grievant, except as specifically provided for in Section 20.2.

ARTICLE 7

MINUTES, REGULATIONS, BUDGETS, AND REPORTS

7.1 Policy. In accordance with Florida Statutes, Chapter 447.203(17)(d), the University will provide the information listed in sections 7.2 and 7.3 to enable the UFF to fulfill its role as collective bargaining representative. The UFF has a corresponding responsibility to use the information in an accurate manner.

7.2 Board and University Documents.

- (a) The University shall provide the UFF with hard copies of the BOT-UFF agreement and all supplements to the Agreement, consistent with the provisions of Article 28.
- (b) The University shall make the following documents available by links on the University web site:

This report will include the following data elements in spreadsheet format: listing of employees with name, salary administrative plan annual rate, job code, job code title, college, department, date of hire, and complete work address.
 - (2) Worksheet reports, on or before March 1st, where prepared, to reflect posted payroll changes. These worksheets would include the following data elements in spreadsheet format: employee name, job title, administrative title, liability department name, date of hire, prior rate of pay, new rate of pay, percent increase, type of increase (e.g., equity, market, merit, etc.), and FTE.
 - (3) A report showing fall faculty and administrative and professional employment for the then-current academic year, on or before March 1st of that academic year (e.g., report for fall 2004 would be available on or before March 1, 2005). This report will include the following data elements in spreadsheet format: name, job code, employee class, home department number, liability department number, budget entity (E&G, C&G, Auxiliary), primary campus assignment, FTE, budgeted weeks, date of hire, highest degree earned, year of highest degree, faculty rank, tenure status, tenure date, annual salary, termination date.

These reports will include the following data elements in spreadsheet format: reporting term, employee name, primary department, rank, tenure status, activity code, FTE, and level of effort per activity code by employee.
- (e) All documents and reports described in subsection (d) shall be provided in electronic format.

7.3 Request for information. Any request for information beyond the scope contained herein in Section 7.1, shall be made in writing by the UFF to the University. Where such information is readily available at the University level, the University shall endeavor to provide such information at no or minimal cost.

7.4 Bargaining Unit Member List. Upon request and not more than once per semester, the University shall provide the UFF, at no cost, with an electronic list including name, department/unit, position code, title/rank, e-mail address, contact telephone number, work address, date of hire, college or unit, contact mailing addresses for each employee in the bargaining unit.

ARTICLE 8 ***APPOINTMENT***

8.1 Policy. The University shall exercise its authority to determine the standards, qualifications, and criteria so as to fill appointment vacancies in the bargaining unit with the best possible candidates. In furtherance of this aim, the University shall,

- (a) advertise such appointment vacancies, receive applications and screen candidates therefore, and make such appointments as it deems appropriate under such standards, qualifications, and criteria, and
- (b) commit to an effort to identify and seek qualified women and minority candidates for vacancies and new positions.

8.2 Advertisement of Vacancies. Bargaining unit vacancies shall be advertised through appropriate professional channels. Employees of lower or equivalent ranks, employees who are spouses of employees, and employees who are local residents shall not, in the hiring process, be disadvantaged for that reason. Prior to making the decision to hire a candidate to fill a bargaining unit vacancy, the appropriate administrator(s) shall consider recommendations which have resulted from the review of candidates by employees in the department/unit.

8.3 Employment Agreement. All appointments shall be made on a University employment agreement and signed by the president or representative and the employee. The University may enclose informational addenda, except that such addenda shall not abridge the employee's rights or benefits provided in this Agreement. The University employment agreement shall contain the following elements:

- (a) Date;
- (b) Professional Classification System title, class code, rank, and appointment status;
- (c) Principal place of employment;
- (d) Employment unit (e.g., department, college, institute, area, center, etc.);
- (e) Length of the appointment;
- (f) A statement that the position is (1) tenured, (2) non-tenure earning, (3) tenure-earning (specifying prior service in another institution to be credited toward tenure), or (4) multiyear/non-tenure earning;
- (g) Percent of full time effort (FTE) assigned;
- (h) Salary;
- (i) The following statement, if the appointment is not subject to the notice provisions of Article 12: "Your employment under this agreement will cease on the date indicated. No further notice of cessation of employment is required.";
- (j) Special conditions of employment, including what part, if any, of the salary is provided as a temporary salary adjustment (stipend) subject to the terms of Section 8.4.;
- (k) A statement that the appointment is subject to the Constitution and laws of the State of Florida and the United States, the regulations of the University, and this Agreement;
- (l) A statement that the employee's signature on the employment agreement shall not be deemed a waiver of the right to process a grievance with respect thereto in compliance with Article 20;
- (m) The statement: "The University of Central Florida is an equal opportunity employer. University policy and regulation prohibit discrimination against or harassment of any employee based upon age, disability, gender identity or gender expression, genetic information, marital status, national origin, political affiliation, race or color, religion, sex, sexual orientation, or veteran status, or employee rights related to union activity as granted under Chapter 447, Florida Statutes. Claims of such discrimination by the University may be presented as grievances pursuant to Article 20, Grievance Procedure.";

(n) A statement informing the employee of the obligation to report outside activity, conflict of commitment, and conflict of interest under the provisions of Article 19 of the Agreement; and

(o) The statement: "If you have not been provided with a copy of the BOT/UFF Collective Bargaining Agreement, notify your supervisor and you will be given one."

8.4 Change in Appointments.

(a) An employee serving on a calendar year appointment may request an academic year appointment. Similarly, an employee serving on an academic year appointment may request a calendar year appointment. The president or representative shall carefully consider such requests, although staffing considerations and other relevant University needs may prevent their being granted.

(b) Effective August 8, 2009, if a calendar year appointment includes a temporary salary adjustment (stipend), the employment agreement shall specify what part if any of the stipend shall be included in salary calculations when converting from a calendar year to an academic year appointment. In the absence of a statement on the employment agreement stating otherwise, all stipends shall be included when converting an employee's salary from a calendar year to an academic year appointment or vice versa.

(c) Upon approval by the president or the president's representative, and assuming that the assigned responsibilities remain substantially the same, an employee's base salary shall be adjusted by 81.82 percent when changing from a calendar year to an academic year appointment or by 122.2 percent when changing from an academic year to a calendar year appointment. For an employee whose appointment was previously changed from an academic year to calendar year appointment at a salary adjustment other than 122.2 percent or from a calendar year to academic year appointment at a salary adjustment other than 81.82 percent, the percent which is the reciprocal of the percent previously used shall be used to make the salary adjustment.

8.5 Appointment Types.

(a) Appointments may be offered on a tenured, tenure-earning, or non-tenure-earning basis.

(b) The ranks Assistant Professor, Associate Professor, and Professor shall be provided to employees who have tenured or tenure-earning appointments except under the following circumstances:

(1) When an employee holding one of these ranks is placed on a terminal contract, the employee's rank will be retained for the duration of that contract;

(2) Up to five (5) untenured, non-tenure earning employees appointed annually whose rank is specifically approved by the president or president's representative;

(3) Individuals who have officially retired from universities or other organizations who are least 55 years of age;

(4) Tenured employees who decide to give up their tenured status to take advantage of whatever incentives might be offered by such an appointment;

(5) Individuals who have held the rank of professor for at least seven (7) years at an institution of higher education;

(6) Employees with the prefix visiting, provisional, courtesy, clinical, or research appended to the rank of assistant professor, associate professor, or professor; and

(7) Non-tenure earning employees whose rank, as of the date of ratification of this Agreement, violates the preceding provision.

(c) Non-tenure-earning multiyear renewable appointments of two to five year duration may be offered. Such appointments shall not be provided to employees with the ranks of assistant professor, associate professor, or professor except under the circumstances of 8.5(b)(2) through 8.5(b)(7), but shall not be offered to visiting, research, or provisional employees.

(d) Visiting Appointments. A visiting appointment is one made to a person having appropriate professional qualifications but not expected to be available for more than a limited period, or to a person in a position which the University does not expect to be available for more than a limited period. A visiting appointment may not exceed a total of four years.

8.6 Supplemental Summer Appointments.

(a) **Policy.** Supplemental summer appointments, when available, shall be offered equitably and as appropriate to qualified employees, not later than five weeks prior to the beginning of the appointment, if practicable. Course offerings and summer assignments will be made taking into consideration programmatic needs, student demand, and budget availability. The criteria shall be made available in each department or unit.

(b) **Compensation.** Compensation for summer employment shall be twelve and one half percent (12.5%) of the employee's 9 month base salary for the first three (3) credit hours of summer assignment, including teaching, research, and service; twelve and one half percent (12.5%) of the employee's 9 month base salary for the second three (3) credit hours of summer assignment, including teaching, research, and service; and eight percent (8.0%) of the employee's 9-month base salary for the third three (3) credit hours of summer assignment, including teaching, research, and service. Courses of greater or fewer than three (3) credit-hours shall be prorated. The supplemental summer assignments, like that for the fall and spring semesters, include(s) the normal activities related to such an assignment as defined by the department/unit and the nature of the course, including office hours, course preparation, curriculum development, lectures, evaluation of student efforts, academic advising, research, and department, college, and University committee meetings.

(c) Supplemental summer appointments shall be made in accordance with Section 1012.945, Florida Statutes (the "twelve hour law").

8.7 Overload Appointments. Overload compensation is defined as compensation for any duties in excess of a full appointment (1.0 FTE). Available overload compensation appointments within the University shall be offered equitably and as appropriate to qualified employees in sufficient time to allow voluntary acceptance or rejection.

(a) An employee's overload compensation for teaching a three (3) credit hour course in a premium tuition program shall be eleven and one half percent (11.5%) of the mean academic year salary of the tenured and tenure-earning employees in the employee's department/unit.

(1) If the employee's department/unit does not offer tenure, the compensation for a three (3) credit hour course shall be eleven and one half percent (11.5%) of the mean 9-month salary of the faculty pay plan employees in the department/unit.

(2) The calculation of mean salary shall be as follows. For a course that begins during the fall, spring, or subsequent summer of an academic year, compensation shall be based on the employees in the unit and their salary rates as of January 1st of the previous academic year. Any 12-month employee salaries will be multiplied by 81.82 percent to obtain an academic year salary.

(3) Courses of greater or fewer than three (3) credit hours shall be prorated.

(b) Compensation for overload appointments other than those described in 8.7(a) shall be no less than the adjunct rate for the employee's department or unit.

8.8 Study Abroad Appointments. Available study abroad appointments within the University shall be offered equitably and as appropriate to qualified employees in sufficient time to allow voluntary acceptance or rejection. An employee shall not be coerced to accept such an appointment or harmed for rejecting an offer for such an appointment.

(a) **Training.** An employee shall attend appropriate training prior to participating in a study abroad program. This training shall include written instructions regarding the employee's responsibilities for students who are participating in the study abroad program.

(b) **Compensation.** The minimum number of students required to offer a study abroad program (referred to in this section as "the minimum") shall be determined and put in writing in advance of allowing enrollment in the program. Employees shall be compensated as follows:

(1) All employees serving in study abroad programs shall receive travel, housing, and expense reimbursement defined in the program budget at rates established by the State of Florida or, at rates established in advance, in writing, by the University;

(2) For any course which meets the minimum and in which the course content is delivered by the employee, the employee shall receive a supplemental summer appointment for one course. The University may provide a supplemental summer appointment for the employee even if the program does not meet the minimum, as long as such decisions are made on an equitable basis, based on programmatic needs.

(3) For any course in which the course content is delivered by an instructor other than the employee (for example, an instructor associated with an institution in the host country), but the employee is listed as "Instructor of Record," is traveling with students, and has administrative duties such as recording grades, overseeing excursions, dealing

with any food, lodging, or transportation issues, supervising students, etc., the employee shall receive a stipend of \$1,500.00.

(4) If an employee is teaching more than one course in a single summer study abroad program, and one or more of those courses does not meet the minimum, the department chair or unit head may combine the course enrollments in order to meet the minimum. In such a case, the employee shall receive a supplemental summer appointment for the number of courses the student enrollment would allow, given the minimum. For example, if the minimum is twenty (20), the program includes two (2) courses, and fourteen (14) students enroll producing the equivalent of twenty-eight (28) students in one course, the employee will receive a supplemental summer appointment for one course. As another example, if the minimum number of students is twenty (20), the program includes three (3) courses, and fourteen (14) students enroll producing the equivalent of forty-two (42) students in one course, the employee will receive a supplemental summer appointment for two courses;

(5) If the maximum size of a study abroad program is limited by the nature or location of the program, if an employee chooses to take a smaller number of students, or if the minimum is not met but the employee still wishes to lead the program, the employee may volunteer in writing to opt out of receiving any compensation other than travel, housing, and pre-determined expense reimbursement.

(6) If a nine-month employee is teaching a credit-bearing course in a study abroad program during the fall or spring semester, the appointment shall either be a part of the employee's in-load assignment or taught on an overload basis. If the course is taught on an overload basis, the employee shall be compensated according to 8.7(b).

(7) If a twelve-month employee is teaching a credit-bearing course in a study abroad program, the appointment shall either be a part of the employee's in-load assignment or taught on an overload basis. If the course is taught on an overload basis, the employee shall be compensated according to 8.7(b).

8.9 Reclassification of an Employee to a Non-Unit Classification. Employees shall be provided written notice fourteen (14) days in advance, where practicable, when the University proposes to reclassify the employee to a classification which is not contained in the bargaining unit. The Office of Faculty Relations will notify the local UFF Chapter of such a proposed reclassification within a reasonable period after the department/unit recommends such a reclassification to Academic Affairs. The employee may request a review of such action consistent with the provisions of Article 28. The UFF may discuss such action pursuant to Article 2, Consultation.

ARTICLE 9

ASSIGNMENT OF RESPONSIBILITIES

9.1 Policy. The parties agree that

(a) The assignment of responsibilities to employees is one of the primary practical mechanisms by which the University establishes its priorities, carries out its mission and creates opportunities to increase the quality and integrity of its academic programs and enhance its reputation and stature as a major research university.

(b) An employee's professional obligation is comprised of both scheduled and non-scheduled activities.

(c) It is part of the professional responsibility of employees to carry out their duties in an appropriate manner and place. For example, while instructional activities, office hours, and other duties and responsibilities may be required to be performed at a specific time and place, other non-scheduled activities are more appropriately performed in a manner and place determined by the employee in consultation with his/her supervisor.

(d) No employee's assignment shall be imposed arbitrarily or unreasonably. If an employee believes that the assignment has been so imposed, the employee should proceed to address the matter through the procedures in the exclusive assignment dispute resolution (ADR) grievance procedure in Sections 9.10-9.13 of this Agreement, which shall be the exclusive method for resolving such disputes.

(e) Each employee shall be given assignments that provide equitable opportunity, in relation to other employees in the same department/unit, to meet the required standards for promotion, tenure, merit salary increases, and, if applicable, renewal of multi-year appointments.

(f) The University shall make a reasonable effort to provide employees with resources, training, facilities and equipment for carrying out their assigned teaching, research and service assignments.

9.2 Considerations in Assignment.

(a) The employee shall be granted, upon written request, a conference with the person responsible for making the assignment to express concerns regarding:

- (1) the needs of the program or department/unit;
- (2) the employee's qualifications and experiences, including professional growth and development and preferences;
- (3) the character of the assignment, including but not limited to the number of hours of instruction, the preparation required, whether the employee has taught the course in the past, the average number of students enrolled in the course in past semesters and the time required by the course, whether travel to another location is required, the number of preparations required, the employee's assignments in other semesters, the terms and conditions of a contract or grant from which the employee is compensated, the use of instructional technology, the availability and adequacy of materials and equipment, clerical services, student assistants, and other support services needed to perform the assignments, and any changes that have been made in the assignment, including those which may have resulted from previous evaluations of the employee; and

(4) the opportunity to fulfill applicable criteria for tenure, promotion, multi-year appointments, and merit salary increases.

(b) If the conference with the person responsible for making the assignment does not resolve the employee's concerns, the employee shall be granted, upon written request, an opportunity to discuss those concerns with an administrator at the next higher level.

(c) The University and the UFF recognize that, while the Legislature has described the minimum full academic assignment in terms of twelve (12) contact hours of instruction or equivalent research and service, the professional obligation undertaken by a faculty member will ordinarily be broader than that minimum. In like manner, the professional obligation of other professional employees is not easily susceptible of quantification. The University has the right, in making assignments, to determine the types of duties and responsibilities that comprise the professional obligation and to determine the mix or relative proportion of effort an employee may be required to expend on the various components of the obligation.

(d) Furthermore, the University properly has the obligation constantly to monitor and review the size and number of classes and other activities, to consolidate inappropriately small offerings, and to reduce inappropriately large classes.

9.3 Annual Assignment.

(a) Communication of Assignment. Employees shall be apprised in writing, at the beginning of their employment and each year of employment thereafter, of the assignment of effort expected in teaching, research and other creative activities, public service, and of any other specific duties assigned for that year.

Except for an assignment made at the beginning of an employee's employment, the person responsible for making an assignment shall notify the employee prior to making the final written assignment. The assignment shall be communicated to employees no later than six (6) weeks in advance of its starting date, if practicable.

(b) Instructional Assignment. The period of an instructional assignment during an academic year shall not exceed an average of seventy-five (75) days per semester and the period for testing, advisement, and other scheduled assignments shall not exceed an average of ten (10) days per semester. Within each semester, activities referred to above shall be scheduled during contiguous weeks with the exception of spring break, if any. The course assignment shall be communicated to employees no later than six (6) weeks in advance of its starting date, if practicable.

(c) Change in Assignment. Should it become necessary to make changes in an employee's assignment, the person responsible for making the change shall notify the employee prior to making such change and shall specify such change in writing.

9.4 Summer Assignment.

(a) The supplemental summer instructional assignment, like that for the academic year, includes the normal activities related to such an assignment as defined by the department/unit and the nature of the course, such as course preparation, minor curriculum development, lectures, evaluation of student efforts, academic advising, research, and department, college, and university committee meetings.

(b) The employee may be assigned reasonable and necessary non-instructional duties related to the summer instructional appointment prior to the conclusion of the academic year appointment.

9.5 Place of Employment.

(a) **Principal.** Each employee shall be assigned one principal place of employment, as stated on the annual employment agreement. Where possible, an employee shall be given at least one full semester notice of a change in principal place of employment. The employee shall be granted, upon written request, a conference with the person responsible for making the change to express concerns regarding such change, including concerns regarding considerations in assignment as described in Section 9.2, above. Voluntary changes and available new positions within the department shall be considered prior to involuntary changes, if practicable.

(b) **Secondary.** Each employee, where possible, shall be given at least ninety (90) days written notice of assignment to a secondary place of employment. The employee shall be granted, upon written request, a conference with the person responsible for making the change to express concerns regarding such change. Travel expenses shall be paid at the state rate and in accordance with the applicable provisions of state law.

9.6 Teaching Schedule.

(a) An employee's teaching preferences should be honored to the extent possible.

(b) Teaching schedules should be established, if practicable, so that the time between the beginning of the first assignment and the end of the last assignment for any one day does not exceed nine (9) hours unless the employee and the supervisor agree to a schedule with longer hours.

(c) The usual length of time between the end of the last assignment on one day and the beginning of the first assignment on the next day shall be at least twelve (12) hours, unless the employee and the supervisor agree to a schedule with a shorter time off between days.

9.7 Equipment. When equipment is required for classes, it is desirable that there be sufficient equipment to accommodate the students assigned thereto. The University and the UFF are committed to seek funding to provide for the replacement of obsolete equipment, recognizing the necessity for maintaining an adequate inventory of technologically current equipment.

9.8 Workweek. Scheduled hours for all employees shall not normally exceed forty (40) hours per week. Time shall be allowed within the normal working day for research, teaching, or other activities required of the employee, when a part of the assigned duties. Supervisors are encouraged to make appropriate reductions or adjustments in the number of hours scheduled in recognition of evening, night, and weekend assignments, and for periods when an employee is on call. Evenings, nights, and weekends when an employee is on call shall be considered in making other assignments. See Article 17 regarding schedule adjustment for holiday assignment.

9.9 Instructional Technology.

(a) "Instructional technology material" includes video and audio recordings or transmissions, motion pictures, films, slides, photographic and other similar visual materials, electronic and digital media, computer programs, programmed instructional materials, exhibits, and combinations of the above materials, which are prepared or produced in whole or in part by an employee and that are used for instruction. All distance and distributed learning courses and/or modules are included in this definition.

(b) The parties recognize the increasing development and use of technology, such as videotapes, interactive television, and computer software, to support teaching and learning and to enhance the fundamental relationship between employee and student. This technology may be used in the context of distance learning. Furthermore, the parties also recognize that this technology should be used to the maximum mutual benefit of the University and the employee.

(c) The University shall review the considerations stated in (1) through (4), below, which may be raised by employee development and use of instructional technology/distance learning. It is recognized that these considerations may already apply to other employee instructional activities and, therefore, be addressed by existing University policies and procedures. If the University concludes that new or revised policies are needed, they shall develop such policies and consult with UFF pursuant to Article 2, prior to their implementation.

- (1) Recognition that employee effort spent in the assigned development of instructional technology/distance learning materials and in providing instruction assigned in this manner is appreciably greater than that associated with a traditional course;
- (2) Training and development resources available to employees who have been assigned to provide instruction through the use of instructional technology/distance learning;
- (3) Provisions for clerical, technical, and library support in conjunction with the assigned use of instructional technology/distance learning; and
- (4) Compensation, including recognition in an employee's assignment or provisions for extra State compensation, for appreciably greater workload associated with the assigned development and use of instructional technology/distance learning.

(d) The employee shall not make use of appreciable University support in the creation or revision of instructional technology materials unless the University approves such use in advance and in writing.

(e)

(1) Provisions governing releases to be obtained when the University has an interest in instructional technology are contained in Article 18. Consistent with such provisions and prior to the use of the instructional technology materials described in Section 9.9(a), above, releases shall be obtained from persons appearing in, or giving financial or creative support to their development or use, and the employee shall certify that such development or use does not infringe upon any existing copyright or other legal right. The employee shall be liable to the University for judgments resulting from such infringements.

(2) The University shall assist the employee in obtaining releases regarding instructional technology materials when:

- a. the University has asserted an interest in such materials; or
- b. the University has assigned the employee to develop such materials.

9.10 Assignment Dispute Resolution.

(a) Policy. The University and the United Faculty of Florida agree to the following procedure as the exclusive method of resolving disputes under Article 9 of the Agreement that allege that an employee's assignment has been imposed arbitrarily or unreasonably.

(b) Grievance Filing. An employee who alleges that the assignment has been imposed arbitrarily or unreasonably may file a grievance under Article 20 of the BOT/UFF Agreement only to enforce the exclusive Assignment Dispute Resolution (ADR) procedure delineated below, not to seek a determination as to whether an assignment has been arbitrarily or unreasonably imposed.

(c) Representation. The UFF shall have the right to represent any Grievant in a grievance filed hereunder, unless the Grievant elects self-representation or to be represented by legal counsel. If a Grievant elects not to be represented by the UFF, the University shall promptly inform the UFF in writing that the ADR has been filed. Resolution of any individually processed ADR Grievance shall be consistent with the terms of this Agreement and for this purpose the UFF shall have the right to have an observer present at all meetings called for the purpose of discussing this dispute and shall be sent copies of all decisions at the same time as they are sent to the other parties.

(d) Timely Processing. Time limits noted in this ADR procedure give the maximum amount of time allotted to each part of this procedure. All parties are encouraged to complete their portion of the ADR procedure as quickly as possible, while also allowing enough time to complete the work in a competent manner.

9.11 Time Limits.

(a) Calendar Days. All references to "days" within this ADR procedure refer to "calendar days." The "end of the day" shall refer to the end of the business day, i.e., 5:00 p.m. The "day of receipt" of the assignment, a response to Part 1, Part 2 or Part 3 of the ADR process shall not be included in the count of days.

(b) Receipt of Assignment. The dispute shall not be processed unless it is filed within thirty (30) days after the receipt of the assignment by the Grievant. If the Grievant's assignment begins prior to final resolution of the dispute, he or she shall perform the assignment until the matter is resolved using this procedure.

(c) Delivery of Information. In order to comply with the short time limits imposed by this expedited process, all information, including documents, shall be exchanged via:

- (1) email or
- (2) hand-delivered and date-stamped by appropriate staff.

All oral exchanges of information related to the ADR including, but not limited to, scheduling and extension of deadlines, must be confirmed in writing.

(d) Time Limit Extensions. All time limits contained herein may be extended by mutual agreement of the administrator at the level at which the extension is requested and the Grievant or the Grievant's representative. Upon failure of the Grievant or the Grievant's representative to comply with the time limits herein, the dispute shall be deemed to have been finally determined at the prior step.

9.12 Assignment Dispute Resolution Procedures.

(a) A Grievant who believes that his or her assignment has been imposed arbitrarily or unreasonably shall, within thirty (30) days after receipt of the assignment, file Part 1 of the ADR Form to the president's representative responsible for handling grievances. The president's representative shall notify the individual responsible for making the assignment or that individual's representative within three (3) days of the filing of the ADR Grievance. The filing of Part 1 of the ADR Form shall be accompanied by a brief and concise statement of the Grievant's arguments, and any relevant documentation supporting his or her position. This documentation shall be placed in a file entitled "Employee's Assignment Dispute Resolution File," which shall be kept separate from the Grievant's evaluation file. Additional documentation shall not be considered in the ADR process except by agreement of the president's representative unless it is specifically named documentation that the Grievant or the Grievant's representative requested from the university prior to the conference held pursuant to (b) below, but did not receive before such conference.

(b) Within four (4) days of receipt of Part 1 of the ADR Form, the individual responsible for making the assignment in question or his/her representative shall schedule and hold a meeting to discuss the dispute. Twenty-four (24) hours after this conference, the individual responsible for making the assignment or his or her representative shall complete Part 1 of the ADR Form and deliver it to the Grievant and/or Grievant's representative, the Dean or the Dean's representative and the president's representative.

(c) If the Grievant continues to be aggrieved following the initial conference, he or she shall file the ADR Form, with Part 2 completed, with the Dean or the Dean's representative no later than four (4) days after receipt of the ADR Part 1 decision.

(d) The Dean or the Dean's representative shall schedule a meeting with the Grievant and/or the Grievant's representative to be held no later than four (4) days after filing Part 2 of the ADR Form. At this meeting, the Grievant, the Grievant's representative, and the Dean or appropriate administrator shall discuss the dispute and attempt to resolve it. Within twenty-four (24) hours after the conclusion of this meeting, the Dean or the Dean's representative shall complete Part 2 of the ADR Form and deliver it to the Grievant and/or Grievant's representative, the individual responsible for making the assignment or that person's representative and the president's representative.

(e) If consultation with the Dean or the Dean's representative does not resolve the matter, the Grievant and/or the Grievant's representative may file, within four (4) days of receipt of the Part 2 decision and with the approval of the UFF, Part 3 of the ADR Form (with supporting documentation) with the president's representative, indicating an intention to submit the dispute to a Mediator certified in Florida.

(f) Within seven (7) days of receipt of Part 3 of the ADR Form and other documentation, the president's representative shall place a written statement of the University's position, a list of the University's expected witnesses, and other relevant documentation in the Grievant's ADR file. As soon as practicable thereafter, a copy of all documents placed in the Grievant's ADR File shall be presented to the Grievant and the Grievant's representative, who shall provide the president's representative with a list of the Grievant's expected witnesses, which will be placed in the Grievant's ADR File. Any change in either the University's or the Grievant's witness list shall be shared with everyone involved in the ADR within twenty-four (24) hours of that change.

(g) Within seven (7) days of receipt of all materials in (e) and (f) above, the president's representative shall schedule a meeting with the Grievant and/or the Grievant's representative for the purpose of selecting a Mediator from the Mediator Panel in a manner consistent with "4. Mediator Panel" (below). Selection of the Mediator shall be by mutual agreement or by alternatively striking names from the Mediator Panel list until one name remains. The last name remaining on the panel list shall be the Mediator of choice and the last name actually struck from the list shall serve as the alternate if the chosen Mediator cannot serve. The right of first choice to strike from the list shall be determined by the toss of a coin by a third party.

(h) The president's representative shall contact the selected Mediator no later than three (3) days following the selection. Should the Mediator selected be unable to serve, the president's representative shall notify the Grievant and/or Grievant's representative and contact the alternate Mediator within three (3) days. If neither Mediator can serve, the president's representative shall contact the Grievant and/or the Grievant's representative within three (3) days and schedule another selection meeting.

(i) Upon the agreement of the Mediator to participate, the president's representative shall provide the Mediator with the Grievant's ADR File.

(j) The ADR Meeting with the Mediator shall be scheduled as soon as practicable after the Mediator has received the Grievant's ADR File. The president's representative shall notify the Grievant and/or the Grievant's representative of the time and place of the ADR Meeting no later than forty-eight (48) hours prior to it being convened.

(k) No person concerned with, or involved in, the assignment dispute shall attempt to lobby the decision of the Mediator.

(l) The ADR Meeting shall be conducted as follows:

(1) The Mediator shall conduct and have total authority at the ADR Meeting. The Mediator may conduct the ADR Meeting in whatever fashion, consistent with this Agreement, which will aid in arriving at a just decision.

(2) The Grievant's representative shall be the sole representative for the Grievant, and the president's representative shall be the sole representative of the University. Each representative may have one individual present to assist in the presentation of the Grievant's case.

(3) Each representative may present documentary evidence from the employee's ADR File, question witnesses, offer arguments and cross-examine witnesses.

(4) The Mediator shall submit to all parties, on Part 4 of the ADR Form within forty-eight (48) hours after the close of the ADR Meeting, a written, binding decision as to whether the assignment was imposed arbitrarily or unreasonably. The decision shall include the reasons for the Mediator's determination.

(5) If the Mediator decides that the Grievant's assignment was imposed arbitrarily or unreasonably, the Mediator may also suggest an appropriate remedy. This suggestion is not binding on the University but shall be used by the president's representative in fashioning an appropriate remedy.

9.13 Mediator Panel.

(a) The president's representative and the UFF Grievance Representative shall meet within two (2) weeks of the ratification of this Agreement for the purpose of selecting an odd-numbered Mediator Panel. The Panel shall consist of no fewer than five (5) and no more than nine (9) individuals, who meet the following qualifications:

- (1) a mediator certified in the state of Florida;
- (2) familiarity with academic assignments at Florida universities;
- (3) an ability to serve on short notice;
- (4) a willingness to serve on the Panel for one academic year; and
- (5) acceptability to both the University and the UFF.

(b) Panel Membership Review. Panel membership may be reviewed at the initiation of the University or the UFF, through written notice provided before the end of preceding fiscal year.

9.14 Expenses. All fees and costs of the Mediator shall be borne equally by the University and the UFF when the UFF represents the Grievant.

ARTICLE 10 ***EMPLOYEE PERFORMANCE EVALUATIONS***

10.1 Annual Evaluations.

(a) Policy. Performance evaluations are primarily intended to communicate to an employee a qualitative assessment of that employee's performance of assigned duties by providing written constructive feedback that will assist in improving the employee's performance and expertise. Evaluations may be considered in employment related decisions such as salary, retention, assignments, awards, tenure, and promotion. Each employee's performance shall be evaluated in

writing at least once annually. Employees shall be evaluated solely according to the University Criteria for Annual Performance Evaluations and the clarifications thereof provided by the Annual Evaluation Standards and Procedures for their department or unit that were approved most recently but prior to the beginning of the evaluation period.

(b) Annual Evaluation Period. The annual evaluation period shall be the academic year, beginning August 8th, and shall include the preceding summer, as appropriate. The evaluation period for research may be longer than one year if specified in the approved Annual Evaluation Standards and Procedures. The evaluation period used to distinguish between ratings of Conditional and Unsatisfactory in any area of assignment may be longer than one year if specified in the approved Annual Evaluation Standards and Procedures.

(c) Evaluation Ratings. Evaluations shall use the rating categories of outstanding, above satisfactory, satisfactory, conditional, and unsatisfactory in each area of assignment and for the overall evaluation. The overall evaluation shall be consistent with the employee's annual assignment, the evaluations in each assignment area, and the department or unit's Annual Evaluation Standards and Procedures. An employee shall not be evaluated in and the overall evaluation shall not be affected by an area in which the employee had no assignment. A department or unit's Annual Evaluation Standards and Procedures may require an employee to receive a minimum rating of Satisfactory in each area of assignment with an assignment of effort of five percent (5%) or more in order to receive an overall rating of Satisfactory or above.

(d) University Criteria for Annual Performance Evaluations. The annual performance evaluation shall be based upon the professional performance of assigned duties and shall carefully consider the nature of the assignments and quality of the performance in terms, where applicable, of:

(1) Teaching effectiveness, including effectiveness in imparting knowledge, information, and ideas by means or methods such as lecture, discussion, assignment and recitation, demonstration, laboratory exercise, workshop, practical experience, student perceptions of instruction, assessment of and engagement with student work, and direct consultation with students.

a. The evaluation shall include consideration of effectiveness in imparting knowledge and skills, and effectiveness in stimulating students' critical thinking and/or creative abilities, the development or revision of curriculum and course structure, effective student performance evaluation procedures, and adherence to accepted standards of professional behavior in meeting responsibilities to students. The learning objectives of each course, the means of assessing learning objectives, and the outcomes of the assessment should be assessed as part of the teaching performance.

b. The evaluation shall include consideration of other assigned university teaching duties, such as advising, counseling, supervision, or duties of the position held by the employee.

c. The evaluator shall take into account any relevant materials submitted by the employee such as class notes, syllabi, student exams and assignments, an employee's teaching portfolio, results of peer evaluations of teaching, and any other materials relevant to the employee's instructional assignment.

d. The evaluator shall consider all information available in forming an assessment of teaching effectiveness.

(2) Contribution to the discovery of new knowledge, development of new educational techniques, and other forms of research/scholarship/creative activity.

a. Evidence of research/scholarship/creative activity, either print or electronic, shall include, but not be limited to, as appropriate, published books; chapters in books; articles and papers in professional journals; musical compositions, paintings, sculpture; works of performing art; papers presented at meetings of professional societies; funded grant activities; reviews; and research and creative activity that has not yet resulted in publication, funding, display, or performance.

b. The evaluation shall include consideration of the quality and quantity of the employee's research/scholarship and other creative programs and contributions during the evaluation period, and recognition by the academic or professional community of what has been accomplished.

(3) Performance of assigned professional duties such as library instruction, public and technical services librarianship, library collection development, advising, counseling, and supervision as described in a Position Description, if any, of the position held by the employee.

(4) Public service that extends professional or discipline-related contributions to the community; the State, including public schools; and the national and international community. Such service includes contributions to scholarly and professional conferences and organizations, governmental boards, agencies, and commissions that are beneficial to such groups and individuals.

(5) Service within the university and participation in the governance processes of the institution through significant service on committees, councils, and senates, attendance at commencement, and the employee's contributions to the governance of the institution through participation in regular departmental or college meetings.

(6) Other assigned university duties such as academic administration.

(e) Annual Evaluation Standards and Procedures (AESPs) . Each University department or unit shall maintain written AESPs by which to evaluate each employee according to the University Criteria for Annual Performance Evaluations specified in this article. AESPs shall be clarifications of the University criteria in terms tailored to the department or unit's discipline(s), employee positions (e.g., tenured or tenure earning, non-tenure-earning, library faculty), and assigned duties. These discipline-specific clarifications shall:

(1) take into consideration the University's mission, the college's or division's mission the department's mission, and the reasonable expectations for the different ranks;

(2) be adaptable to various assigned duties, so that department employees have an equitable opportunity to earn merit increases, regardless of their assignments;

(3) address, as appropriate, how the department values various research/scholarship/creative activities and the outlets in which employees might be reasonably expected to publish, exhibit, or perform.

(4) be detailed enough that a reasonable employee should not be uncertain or confused about what performance or accomplishment is sufficient in teaching, research/scholarship/creative activity, professional duties commonly assigned in the department or unit, and service to earn each performance evaluation rating. The clarifications shall identify for each assignment area some representative examples of the achievements or performance characteristics that would earn each performance evaluation rating, consistent with an employee's assigned duties. Examples shall be included for typical assignments within the department or unit (e.g., for 2-2 and 3-2 teaching assignments with correspondingly larger and smaller research assignments, if typically assigned), and must demonstrate the equitable opportunity required by (2) above.

(f) Process for developing AESPs.

(1) In tenure-granting departments or units, a committee of six (6) members including four (4) tenured unit employees elected by the tenured employees in the unit, the department chair or unit head, and one representative appointed by the dean will develop or revise AESPs. If such a department or unit has fewer than four (4) tenured employees, the entire department or unit shall serve on the committee, along with the department chair or unit head and one member appointed by the dean. In non-tenure-granting units, the committee will consist of four (4) unit employees elected by the employees in the unit, along with unit head and one member appointed by the appropriate vice president.

(2) In tenure-granting departments or units, tenured employees in the department or unit shall propose AESPs or changes thereto as developed by the committee by a majority vote in a secret ballot. If such a department or unit has fewer than four (4) tenured employees, all employees in the department or unit shall participate in the vote until such time as the department or unit has four (4) or more tenured employees. If a majority exists, the proposed AESPs shall be forwarded to the dean. In non-tenure granting units, all employees in the unit shall participate in the vote and, if a majority exists, the proposed AESPs shall be forwarded to the appropriate vice president.

(3) The proposed AESPs or revisions thereto shall be reviewed by the dean or vice president for consistency with the missions and goals of the college or division. If the dean/vice president determines the proposed AESPs do not meet the mission and goals of the college/division, the dean/vice president may refer them back to the department or unit for revision with a written statement of the reasons for non-acceptance.

(4) Once the dean or vice president determines the proposed AESPs or revisions thereto meet the mission and goals of the college or division, they shall be forwarded to the president or president's representative for review to ensure they are consistent with the mission and goals of the University and comply with this Agreement. If the president or president's representative determines that the proposed AESPs or revisions thereto meet the missions and goals of the university and comply with this Agreement, they shall be approved. If not, they shall be referred back to the college or division for revision by the department or unit with a written statement of reasons for non-approval.

(5) If, one year after the initiation of the process described in this subsection, AESPs acceptable to the dean/vice president and president or president's representative have not been approved by the department or unit, draft AESPs, committee and department votes, and comments from employees, committee, and the dean/vice president shall be forwarded to the president or president's representative for consideration. The president or president's representative shall, in conjunction with the dean/vice president and department head, and in consideration of the opinions of the employees and of approved AESPs for other departments and units, develop and institute new department or unit AESPs. These AESPs shall remain in place until such time as new AESPs are developed and approved according to the procedure outlined in this subsection.

(6) Approved AESPs and revisions thereto shall be kept on file in the department or unit office. Upon written request, employees in each department or unit shall be provided an electronic copy of that department or unit's current AESPs.

(7) Review of AESPs must occur on a regular basis and must begin no later than five (5) years after the adoption or most recent review of those AESPs. The president or president's representative, the dean, or a majority of the tenured employees in the department or unit may initiate the review of AESPs at any time. In non-tenure-granting units, the vice president or a majority of the employees in the unit may initiate a review of the AESPs at any time. The process for reviewing a department or unit's AESPs shall be the same as the process for developing them, as described in this article. The effective date for AESPs or revisions thereto shall be the start of the annual evaluation period that begins after the date the AESPs or revisions are approved by the president or president's representative and the employees of the department or unit are so informed in writing.

(8) If a department or unit is in the process of developing or revising its AESPs when this article is ratified, the department or unit shall begin that process anew, following the procedures required by this article. If a department's or unit's AESPs are not in compliance with this article when it is ratified, the department or unit shall begin the revision process required by this article no later than the Fall semester 2011.

(g) Process for and Sources of Evaluation.

(1) Employee Annual Report. Every year, each employee shall submit to the department chair or unit head (hereafter, "evaluator") a report of the employee's performance in each area of assignment. This report shall be due to the evaluator no sooner than fourteen (14) days after the end of the evaluation period and no sooner than fourteen (14) days after receipt by the employee of all University provided materials required to produce the report, including student evaluations and department or unit and college averages for these evaluations. The employee annual report may include any interpretive comments and supporting data that the employee deems appropriate for evaluating the employee's performance.

(2) The evaluator shall also consider, where appropriate and available, information from the following sources: immediate supervisor, peers, students, employee, other university officials who have responsibility for supervision of the employee, and individuals to whom the employee may be responsible in the course of a service assignment, including public school officials when the employee has a service assignment to the public schools. Copies of materials to be used in the evaluation process submitted by persons other than the employee shall be provided to the employee, who may attach a written response.

(3) All assigned activities for which an employee receives compensation from the university, including summer assignments, shall be reported upon and evaluated. An employee may report activities related to the areas of assignment that are performed during times when the employee is not compensated by the university; if reported upon, these activities shall be evaluated.

(4) Observation/Visitation. The evaluator or the evaluator's representative may conduct classroom observation/visitation in connection with the employee's evaluation. If such classroom observations/visitations are conducted, no fewer than two (2) observations/visitations shall be completed during the evaluation period.

a. Absent immediate concerns described below, the evaluator shall notify the employee at least two (2) weeks in advance of the date and time of any direct classroom observation or visitation. If the employee determines this date is not appropriate because of the nature of the scheduled class activities, the employee may suggest a more appropriate date.

b. If the evaluator has received a complaint or other information that gives rise to immediate concerns about the conduct of the class, the evaluator or the evaluator's representative may observe or visit the class at any time without notice to the employee.

c. Observation/visitation of online classroom settings is permitted under the terms of this section.

d. A written report of the observation/visitation shall be submitted to the employee within two (2) weeks of the observation/visitation. If the observation/visitation involves a course that was assigned to the employee with less than six (6) weeks' notice, such change shall be noted in the report. The employee shall be offered the opportunity to discuss the evaluation with the evaluator prior to its being finalized and placed in the employee's evaluation file and may submit a written reply, which shall be attached to the report.

e. Peer Assessment. An employee has the right to have the evaluator assign a peer to observe/visit the employee's teaching and to have an assessment of that observation/visitation included as part of the employee's annual report. A department or unit AESP may require peer observation/visitation, which shall be carried out in accordance with the requirements of this subsection. In these cases, the peer may be a colleague within the University, a retired colleague, or a colleague in the same discipline from another university.

(5) Written Evaluation.

- a. The proposed written annual evaluation shall be provided to the employee within sixty (60) days after the due date for the Employee Annual Report.
- b. The employee shall be offered the opportunity to discuss the evaluation with the evaluator prior to its being finalized and placed in the employee's evaluation file. The evaluation shall be signed and dated by the evaluator and by the employee, to acknowledge receipt of it. The employee may attach a concise comment to the evaluation. A copy of the evaluation shall be provided to the employee.
- c. Upon written request from the employee, the evaluator shall endeavor to assist the employee in addressing any performance deficiencies.

10.2 Cumulative Progress Evaluations.

(a) Policy. Employees eligible for consideration for promotion to the rank of associate professor and/or tenure shall be informed annually of their progress toward promotion and/or tenure. Each year's cumulative progress evaluation shall build upon prior cumulative progress evaluations so an employee's progress toward tenure and/or promotion in a given year will be viewed in the context of attainments over the entire tenure and/or promotion earning period. Employees eligible for promotion to professor may, at their option and upon written request, be similarly apprised of their progress toward promotion. The cumulative progress evaluations are intended to provide an accurate assessment of cumulative performance as leading to attainment of promotion and/or tenure, and to provide assistance and counseling to candidates to help them qualify themselves for tenure and/or promotion.

(b) Process. All cumulative progress evaluations shall be completed during the spring semester. Beginning with the second year of employment (or the first year, if tenure credit was given) and continuing annually, an employee who is eligible for tenure and/or promotion to the rank of associate professor shall receive a cumulative progress evaluation. Separate cumulative progress evaluations shall be provided by the tenured members of the department or unit (excluding the chair/head and dean), the chair/head, and dean. For cumulative evaluations of progress towards promotion to professor, only tenured professors participate in the employee's evaluation. If the department or unit has fewer than three tenured members or tenured professors, as appropriate, the dean may increase the committee membership to three using tenured members of appropriate rank from other departments or units. The employee may request, in writing, a meeting with the chair/head and/or dean to discuss concerns regarding the cumulative progress evaluation.

(c) Criteria.

(1) Progress toward the promotion to the rank of associate professor with tenure will be assessed based on professional performance of teaching, research, and service, and the likelihood of future contributions at or exceeding current levels of performance.

(2) Progress toward tenure for tenure-earning associate professors will be assessed based on the professional performance of teaching, research, and service, and the likelihood of future contributions at or exceeding current levels of performance.

(3) Progress toward tenure for tenure-earning professors will be assessed based on the professional performance of teaching, research, and service, the achievement of national and/or international prominence, evidence of advancing their field of study, and the likelihood of future contributions at or exceeding current levels of performance.

(4) If requested by the employee, progress toward the rank of professor will be assessed based on the professional performance of teaching, research, and service, the achievement of national and/or international prominence, evidence of advancing their field of study, and the likelihood of future contributions at or exceeding current levels of performance.

10.3 Sustained Performance Evaluations.

(a) Policy. Tenured employees shall receive a sustained performance evaluation once every seven (7) years following the award of tenure or their most recent promotion. The purpose of this evaluation is to document sustained performance during the previous seven (7) years of assigned duties to evaluate continued professional growth and development.

(b) Process.

(1) At the end of seven (7) years of tenured or post-promotion service, and each subsequent seven (7) year period, an employee's sustained performance will be evaluated. This evaluation will consist of a review of the overall annual evaluation ratings for that seven-year period. If the employee's overall performance is, on average, below satisfactory for that seven-year period, then the employee shall be issued a performance improvement plan. The average

shall be determined by assigning a value of 4 for Outstanding, 3 for Above Satisfactory, 2 for Satisfactory, 1 for Conditional, and 0 for Unsatisfactory to each of the employee's annual evaluation ratings over the seven-year period and computing the numeric average. A value below 1.5 shall be considered below satisfactory performance.

(2) A performance improvement plan shall be developed by the employee in concert with the department chair or unit head and shall include specific measurable performance targets with target dates that must be completed in a period of three (3) years. The performance improvement plan requires the approval of the dean and the president or president's representative.

(3) When an employee has a performance improvement plan, the department chair or unit head shall provide an annual evaluation of the employee's performance on the plan. The dean shall also provide a separate annual evaluation of the employee's performance on the plan. Adherence to the performance improvement plan, including its targets and target deadlines, shall be the sole criteria for performance improvement plan evaluations.

(4) The University shall provide for a process to accommodate instances when the employee and the department chair or unit head cannot agree on the elements to be included in the performance improvement plan.

(5) It is the responsibility of the employee to attain the performance targets specified in the performance improvement plan. Lack of success may result in dismissal. The employee may attach a concise response to the sustained performance evaluation, the performance improvement plan, and annual evaluations of performance on the sustained performance plan. Any such responses shall be included in the evaluation file.

10.4 Proficiency in Spoken English.

(a) Requirement. Employees must, to be involved in classroom instruction beyond one (1) semester, establish proficiency in the oral use of English, as set forth in Section 1012.93, Florida Statutes, and any applicable Board of Education or Board of Governors rule or resolution.

(b) Deficiency. For non-tenured employees found to be deficient in the oral use of English as set forth in Section 10.4(a), the University shall provide, as needed, one or two month-long sessions with post-training evaluations administered through the Center for Multicultural and Multilingual Studies. Employees who require more than two sessions to speak English effectively will have to rely upon personal resources to correct this deficiency. Failure to correct the deficiencies may result in termination. This paragraph shall apply only during the first three years of employment.

10.5 Employee Assistance Programs. Neither the fact of an employee's participation in an employee assistance program nor information generated by participation in the program shall be used as evidence of a performance deficiency within the evaluation processes described in this Article, except for information relating to an employee's failure to participate in an employee assistance program consistent with the terms to which the employee and the president or president's representative have agreed.

ARTICLE 11 ***EVALUATION FILE***

11.1 Policy. There shall be one (1) evaluation file containing a dated copy of all documents used in the evaluation process, other than evaluations for tenure and/or promotion. When evaluations and other personnel decisions are made, other than for tenure and/or promotion, the only documents which may be used are those contained in that file. Such documents shall be placed in the evaluation file within a reasonable time after receipt by the custodian of the file.

11.2 Access. An employee may examine the evaluation file, upon reasonable advance notice, during the regular business hours of the office in which the file is kept, normally within the same business day as the employee requests to see it, and under such conditions as are necessary to insure its integrity and safekeeping. Upon request, an employee may paginate with successive whole numbers the materials in the file, and may attach a concise statement in response to any item therein. Upon request, an employee is entitled to one (1) free copy of any material in the evaluation file. Additional copies may be obtained by the employee upon the payment of a reasonable fee for photocopying. A person designated by the employee may examine that employee's evaluation file with the written authorization of the employee concerned, and subject to the same limitations on access that are applicable to the employee.

11.3 Indemnification. The UFF agrees to indemnify and hold the University, its officials, agents, and representatives harmless from and against any and all liability for any improper, illegal, or unauthorized use by the UFF of information contained in such evaluation files.

11.4 Use of Evaluative Materials. In the event a grievance is filed, the University, UFF grievance representatives, the arbitrator, and the grievant shall have the right to use, in the grievance proceedings, copies of materials from the grievant's evaluation file.

11.5 Anonymous Material. There shall be no anonymous material in the evaluation file except for numerical summaries of student evaluations that are part of a regular evaluation procedure of classroom instruction and/or written comments from students obtained as part of that regular evaluation procedure. If written comments from students in a course are included in the evaluation file, all of the comments obtained in the same course must be included.

11.6 Peer Committee Evaluations. Evaluative materials, or summaries thereof, prepared by peer committees as part of a regular evaluation system, may be placed in an evaluation file when signed by a representative of the committee.

11.7 Removal of Contents. Materials shown to be contrary to fact shall be removed from the file. This section shall not authorize the removal of materials from the evaluation file when there is a dispute concerning a matter of judgment or opinion rather than fact. Materials may also be removed pursuant to the resolution of a grievance.

11.8 Limited Access Information. Pursuant to Florida Statute 1012.91, information reflecting academic evaluation of employee performance shall be available for inspection only by the employee, the employee's representative, University officials who use the information in carrying out their responsibilities, peer committees responsible for evaluating employee performance, those investigating the possibility of discrimination or retaliation, arbitrators or others engaged by the parties to resolve disputes, and others by court order. However, such limited access status shall not apply to summary data, by course, for the common "core" items contained in student course evaluations, which have been selected as such by the University and made available to the public on a regular basis.

ARTICLE 12 ***NON-REAPPOINTMENT***

12.1 No Property Right. No appointment or assignment shall create any right, interest, or expectancy in any other appointment or assignment beyond its specific terms, except as provided in Articles 8, 13, and 15.

12.2 Notice. The provision of notice under this section does not provide rights to a summer appointment beyond those provided in Article 8. Summer is not a semester for purposes of this Section.

(a) A&P Employees: Employees in Administrative and Professional (A&P) E&G positions not described in section 12.2(d) whose employment the University intends to terminate are entitled to written notice depending on their length of continuous University service, as follows:

- (1) With less than six months continuous university service, two weeks;
- (2) With six or more months but less than one year of continuous university service, one month;
- (3) With one year or longer but less than two years of continuous university service, three months;
- (4) With two or more years of continuous university service, six months.

(b) Multiyear appointments: Employees who are on multiyear appointments who will not be offered further appointment are entitled to the following written notices:

- (1) For employees in their first three (3) years of continuous University service, twelve months if the employee:
 - (i) will not be continued in his or her multiyear appointment; or
 - (ii) will not be given another appointment.

(2) For employees with three (3) or more years of continuous University service, notice will be given twelve months before expiration of the multiyear appointment term if the appointment will not be renewed.

(c) "Soft money" appointments: Employees who are on "soft money" (e.g., contracts and grants, sponsored research funds, and grants and donations trust funds) are entitled to the following written notice if they will not be offered further appointment:

(1) For employees in their first five (5) years of continuous University service, no notice need be provided and the following statement shall be included in their employment agreements:

“Your employment under this contract will cease on the date indicated. No further notice of cessation of employment is required.”;

(2) For employees who had five (5) or more years of continuous University service as of June 30, 1991, one year;

(3) For other employees with five (5) or more years of continuous University service, ninety (90) days’ notice shall be provided contingent upon funds being available in the contract or grant.

(d) Not entitled to notice: Employees who are appointed for less than one (1) academic year, who are appointed to a visiting appointment, or who are employed in an auxiliary entity are not entitled to notice that they will not be offered further appointment, and the following statement shall be included in their employment agreements: “Your employment under this contract will cease on the date indicated. No further notice of cessation of employment is required.”

(e) Employees not described in (a), (b), (c), and (d) above are entitled to the following written notice if they will not be offered further appointment:

(1) For employees in their first two years of continuous University service, one full semester (or its equivalent, 19.5 weeks, for employees appointed for more than an academic year);

(2) Notice period for employees after two or more years of continuous University service. For employees with two (2) or more years of continuous University service,

(a) notice will be given by August 14 if employment will not be renewed after the next academic year (e.g., notice given by August 14, 2016 means no appointment in the 2017-2018 academic year).

(f) An employee who is entitled to written notice of non-reappointment in accordance with the provisions of Section 12.2 who receives written notice that the employee will not be offered further appointment shall be entitled, upon written request within twenty (20) days following receipt of such notice, to a written statement of the basis for the decision not to reappoint. Thereafter, the president or representative shall provide such statement within twenty (20) days following receipt of such request. All such notices and statements are to be sent by certified mail, return receipt requested, or delivered in person to the employee with written documentation of receipt obtained.

12.3 Grievability. An employee who receives written notice of non-reappointment may, according to Article 20, contest the decision because of an alleged violation of a specific term of the Agreement or because of an alleged violation of the employee's constitutional rights. Such grievances must be filed within thirty (30) calendar days of receipt of the statement of the basis for the decision not to reappoint pursuant to Section 12.2(f), or receipt of the notice of non-reappointment if no statement is requested.

12.4 Non-Reappointment Considerations. If the decision not to reappoint was based solely upon adverse financial circumstances, reallocation of resources, reorganization of degree or curriculum offerings or requirements, reorganization of academic or administrative structures, programs, or functions, and/or curtailment or abolition of one or more programs or functions, the University shall take the following actions for those employees not described in section 12.2(d):

(a) Make a reasonable effort to locate appropriate alternative or equivalent employment within the University.

(b) If that effort is not successful, the employee shall have recall rights as set forth in Article 13.

12.5 Resignation. An employee who wishes to resign has the professional obligation, when possible, to provide the University with sufficient notice to avoid scheduling and classroom disruptions or, where the employee does not have an

instructional assignment, one full semester's notice. Upon resignation, all consideration for tenure and reappointment shall cease.

ARTICLE 13 ***LAYOFF AND RECALL***

13.1 Layoff.

(a) Layoff. A layoff occurs as a result of adverse financial circumstances; reallocation of resources; reorganization of degree or curriculum offerings or requirements; reorganization of academic or administrative structures, programs, or functions; or curtailment or abolition of one or more programs or functions.

(b) Layoff Unit. The layoff unit may be at an organizational level of the University, such as a campus, division, college/unit, school, department/unit, area, program, or other level of organization as the University deems appropriate.

13.2 Layoff Considerations. The selection of employees in the layoff unit to be laid off will be determined as follows:

(a) No tenured employee shall be laid off if there are non-tenured employees in the layoff unit. No non-tenured but tenure-earning employees shall be laid off if there are non-tenured, non-tenure earning employees in the layoff unit.

(b) No employee in a non-tenured position in the layoff unit with more than five (5) years of continuous University service shall be laid off if there are any such employees with five (5) years or less service. The date of layoff unit notification to the UFF shall be the date used to determine length of continuous University service.

(c) The sole instance in which only one (1) employee will constitute a layoff unit is when the functions that the employee performs constitute an area, program, or other level of organization at the University.

(d) Where employees are equally qualified under (a) or (b) above, those employees will be retained who, in the judgment of the University, will best contribute to the mission and purpose of the University, including its commitment to diversity. In making such judgment, the University shall carefully consider employees' length of continuous University service, and shall take into account other appropriate factors, including but not limited to performance evaluation by students, peers, and supervisors, and the employee's academic training, professional reputation, teaching effectiveness, research record or quality of the creative activity in which the employee may be engaged, and service to the profession, community, and public.

(e) No tenured employee shall be laid off solely for the purpose of creating a vacancy to be filled by an administrator entering the bargaining unit.

(f) The University shall notify the UFF Chapter in writing regarding the use of adjunct and other non-unit faculty in those departments/units where employees have been laid off. The use of adjunct and other non-unit faculty in departments/units where employees have been laid off may be the subject of consultation meetings pursuant to Article 2.

13.3 Alternative/Equivalent Employment. Prior to giving a notice of layoff to the employee, the University shall make a reasonable effort to locate appropriate alternate or equivalent employment within the University for that employee and to make known the results of the effort to the person affected.

13.4 Notice. Employees should be informed of layoff as soon as practicable and, where circumstances permit, employees with three or more years of continuous UCF service should be provided at least two (2) full semesters notice (or one year's notice for employees with an assignment greater than an academic year); those with less service, with at least one full semester's notice (or six (6) months' notice for employees with an assignment greater than an academic year). Formal written notice of layoff is to be sent by certified mail, return receipt requested, or delivered in person to the employee with written documentation of receipt obtained. The notice shall include effective date of layoff; reason for layoff; reason for shortened period of notification, if applicable; a statement of appeal/grievance rights and applicable dates for filing; information on how to access the University Vacancy Listing and how to access it. The University shall

copy the local UFF Chapter as well as the UFF state office on the layoff notice provided to the employee. The UFF may request a consultation with the president or president's representatives pursuant to Article 2 to discuss the noticed layoff.

During their notice period, employees shall continue to have rights to alternate or equivalent employment. It shall be the employee's responsibility to check the Vacancy listing and notify the Office of Faculty Relations if he or she sees a vacancy that he or she is interested in and qualified for. After the cessation of their employment, employees shall be provided a statement of their recall rights and the expiration of those rights.

13.5 Re-employment/Recall.

(a) For two years following layoff, an employee who has been laid off and who is not otherwise employed in an equivalent full-time position shall be offered re-employment in the same or similar position at the University should an opportunity for such re-employment arise. If an employee is laid off from a multi-year appointment, the employee shall be eligible for re-employment in the same or similar position at UCF, should such a position become available within one year following the layoff or before the expiration date of the employee's last employment agreement, whichever is shorter. Employees appointed to a multi-year appointment who are recalled shall be offered re-employment not to exceed the time remaining on their employment agreement at the time of layoff. Any offer of re-employment pursuant to this section must be accepted within fifteen (15) days after the date of the offer and shall take effect no later than the beginning of the semester following the date the offer was made. If an employee rejects an offer of re-employment, the employee shall receive no further consideration pursuant to this Article. The University shall notify the local UFF chapter when an offer of re-employment is issued to a laid-off employee.

(b) An employee shall resume the same status upon recall, as applicable.

(c) Upon recall or reemployment, under this section, the employee shall receive the same credit for years of service as held on the date of layoff.

(d) Employee Assistance Programs. Consistent with the University's Employee Assistance Program, employees participating in an employee assistance program who receive a notice of layoff may continue to participate in that program for a period of ninety (90) days following the layoff.

13.6 Limitations. The provisions of Sections 13.2 through 13.5 of this Agreement shall not apply to those employees described in Sections 12.2(a-d) and in 8.5(c).

ARTICLE 14 ***PROMOTION PROCEDURE***

14.1 Policy. Promotion decisions are not merely a totaling of an employee's annual performance evaluations. Rather, the University, through its faculty, professional employees, and administrators, assesses the employee's potential for growth and scholarly contribution as well as past meritorious performance.

14.2 Cumulative Progress Evaluations.

(a) Beginning with the second year of employment, Assistant Professors eligible for consideration for promotion to Associate Professor shall be apprised of their progress toward promotion. For example, employees hired Fall 2012 or Spring 2013 will receive their first cumulative progress evaluation in Spring 2014. The appraisal shall be included as a separate component of the annual evaluation and is intended to provide assistance and counseling to candidates to help them to qualify themselves for promotion. The employee may request, in writing, a meeting with an administrator at the next higher level to discuss concerns regarding the promotion appraisal which were not resolved in previous discussions with the evaluator.

(b) Other employees who are eligible for promotion may, at their option and upon written request, be similarly apprised of their progress toward promotion.

14.3 Criteria.

(a) Promotion decisions shall be a result of meritorious performance and shall be based upon established criteria specified in writing by the University. All affected employees shall be given a copy of the criteria. The University may modify these criteria so long as the local UFF Chapter has been notified of the proposed changes and offered an

opportunity to discuss such changes in consultation with the president or representative. Changes in criteria shall not become effective until one (1) year following adoption of the changes, unless mutually agreed to in writing by the local UFF Chapter President and the president. The date of adoption shall be the date on which the changes are approved by the administrator at the highest level required under applicable University policies and procedures. Any proposal to develop or modify promotion criteria shall be available for discussion by members of the affected departments/units before adoption.

(b) The University is encouraged to review its promotion criteria which may exist at the University, college/school, or department/unit level to ensure that such criteria are consistent with each other and that they comport with the mission of the University and its various academic units.

(c) Promotion criteria shall be available in the department/unit office and/or at the college/unit level.

14.4 Procedures.

(a) The only documents which may be considered in making promotion recommendations are those contained or referenced in the promotion file. The provisions of Article 11 of this Agreement shall apply to the contents of the promotion file. It shall be the responsibility of the employee to see that the file is complete. Prior to the consideration of the employee's promotion, the employee shall have the right to review the contents of the promotion file and may attach a brief response to any material therein. If any material is added to the file after the commencement of consideration, a copy shall be sent to the employee within five (5) days (by personal delivery, by mail, return receipt requested, or through the eP&T portal, if applicable). The employee may attach a brief response within five (5) days of his/her receipt of the added material. The file shall not be forwarded until either the employee submits a response or until the second five (5) day period expires, whichever occurs first. If a document that is not part of the promotion file is considered, then, prior to the committee's decision, it shall be added to the promotion file and the procedures for notifying the employee described in this section shall be followed.

(b) Recommendations for promotion shall include a copy of applicable promotion criteria, the employee's annual assignments and annual evaluations, and, the employee's promotion appraisal(s). Only employees seeking promotion to Associate Professor are required to include their cumulative progress evaluations in the promotion file.

14.5 Notice of Denial. If any employee is denied promotion, the employee shall be notified in writing by the appropriate administrative official, within ten (10) days or as soon as possible thereafter, of that decision. Upon written request by an employee within twenty (20) days of the employee's receipt of such decision, the University shall provide the employee with a written statement of the reasons why the promotion was denied.

14.6 Instructor/Lecturer Promotion. Instructors and lecturers on regular appointments shall be eligible for promotion. Instructors and lecturers are not required to apply for promotion. An instructor or lecturer who applies for but does not achieve promotion shall continue at his or her current rank and retain the right to reapply in a future promotion cycle.

(a) Ranks. The ranks for instructors shall be Instructor, Associate Instructor, and Senior Instructor. The ranks for lecturers shall be Lecturer, Associate Lecturer, and Senior Lecturer.

(b) Years of Service. An instructor or lecturer shall be eligible for promotion to the next rank in the sixth year of full time service at the current rank. Prior years of service at other institutions or as a Visiting Instructor/Lecturer at the University may count toward eligibility for promotion, but three (3) years of full time service at the current rank must be obtained at UCF.

(c) Change in Title. If an employee with an instructor title earns a terminal degree from an accredited institution in an appropriate field of specialization, the employee's title shall be changed to a lecturer title. The employee's rank shall remain the same (e.g., an Associate Instructor shall become an Associate Lecturer) and years of service earned toward eligibility for promotion to the next rank shall not be affected.

(d) Phase In Period. During 2013-2014, only instructors and lecturers hired in or before 2003 shall be eligible for promotion. During 2014-2015, only instructors and lecturers hired in or before 2006 shall be eligible for promotion. During 2015-2016, only instructors and lecturers hired in or before 2009 shall be eligible for promotion. Thereafter, all

instructors and lecturers who meet normal years of service and other eligibility requirements shall be eligible for promotion.

ARTICLE 15

TENURE

15.1 Eligibility. Employees with the rank of Associate Professor and Professor shall be eligible for tenure. Tenure shall be in a department/unit or other appropriate administrative unit. Tenure shall not extend to administrative appointments in the General Faculty or Administrative and Professional classification plans.

15.2 Tenure Decision.

(a) An employee shall normally be considered for tenure during the sixth year of continuous service in a tenure-earning position, including any prior service credit granted at the time of initial employment. An employee's written request for early tenure consideration is subject to the University's written agreement.

(b) By the end of six (6) years of service at the University, an employee eligible for tenure shall either be awarded tenure by the Board or given notice that further employment will not be offered. Upon written request by an employee within twenty (20) days of the employee's receipt of such notice, the University shall provide the employee with a written statement of reasons by the president or representative why tenure was not granted.

(c) Decision by the Board. The Board shall award tenure. This decision shall normally be made at the May Board Meeting but no later than the following meeting. The employee shall be notified in writing by the president or representative within five (5) days of the decision of the Board.

(d) An employee being considered for tenure prior to the sixth (6) year may withdraw from consideration before the Provost issues a final written recommendation without prejudice.

15.3 Criteria for Tenure.

(a) The decision to award tenure to an employee shall be a result of meritorious performance and shall be based on established criteria specified in writing by the University. The decision shall take into account the following:

- (1) annual performance evaluations;
- (2) the needs of the department/unit, college/unit, and University;
- (3) the contributions of the employee to the employee's academic unit (program, department/unit, college/unit); and
- (4) the contributions the employee is expected to make to the institution.

(b) The University shall give a copy of the criteria for tenure to employees eligible for tenure, and, beginning with the second year of employment, each such employee shall be apprised in writing once each year of the employee's progress toward tenure. For example, employees hired Fall 2014 or Spring 2015 will receive their first cumulative progress evaluation in Spring 2016. The appraisal shall be included as a separate component of the annual evaluation and is intended to provide assistance and counseling to candidates to help them to qualify themselves for tenure. The employee may request, in writing, a meeting with an administrator at the next higher level to discuss concerns regarding the tenure appraisal which were not resolved in previous discussions with the evaluator.

(c) Tenure criteria shall be available in the department/unit office and/or at the college/unit level.

15.4 Modification of Criteria.

(a) Modifying Criteria. The University may modify the criteria for tenure so long as the local UFF Chapter has been notified of the proposed changes and offered an opportunity to discuss such changes in consultation with the University president or representative. Changes in criteria shall not become effective until one (1) year following adoption of the changes, unless mutually agreed to in writing by the local UFF president and the University president or representative. The date of adoption shall be the date on which the changes are approved by the administrator at the highest level required under applicable university policies and procedures. Any proposal to develop or modify tenure criteria shall be available for discussion by members of the affected departments/units before adoption.

(b) **Effect on Employees.** The equitable opportunity provisions of Article 9 are applicable to the modified criteria. Further, if an employee has at least four (4) years of tenure-earning credit as of the date on which the tenure criteria are adopted under Section 15.4(a), above, the employee shall be evaluated for tenure under the criteria as they existed prior to modification unless the employee notified the university at least thirty (30) days prior to commencement of the tenure consideration that he/she chooses to be evaluated under the newly adopted criteria.

15.5 Recommendations and Procedures.

(a) Recommendations for the awarding of tenure shall be made by the employee's supervisor and shall include a poll by secret ballot of the tenured members of the employee's department/unit. The performance of an employee during the entire term of employment at the institution shall be considered in determining whether to grant tenure. Recommendations regarding tenure shall include a copy of applicable tenure criteria, the employee's annual assignments and annual evaluations, and the employee's tenure appraisals. Prior to the consideration of the employee's candidacy, the employee shall have the right to review the contents of the tenure file and may attach a brief and concise response to any materials therein. It shall be the responsibility of the employee to see that the file is complete. The provisions of Article 11 of this Agreement shall apply to the contents of the tenure file.

(b) If any material is added to the file after the commencement of consideration, a copy shall be sent to the employee within five (5) days (by personal delivery, by mail, return receipt requested, or through the eP&T portal, if applicable). The employee may attach a brief response within five (5) days of his/her receipt of the added material. The file shall not be forwarded until either the employee submits a response or until the second five (5)-day period expires, whichever occurs first. The only documents which may be considered in making a tenure recommendation are those contained or referenced in the tenure file. If a document that is not part of the tenure file is considered, then, prior to the committee's decision, it shall be added to the tenure file and the procedures for notifying the employee described in this section shall be followed.

15.6 Other Considerations.

(a) During the period of tenure-earning service, the employee's employment shall be governed by the provisions of Article 12.

(b) Part-time service of an employee employed at least one semester in any twelve (12)-month period shall be accumulated. For example, two (2) semesters of half-time service shall be considered one-half year of service toward the period of tenure-earning service.

(c) An employee who is credited with tenure-earning service at the time of initial appointment may request, in writing, that the president or president's representative withdraw all or a portion of such credit. An employee may make such a request only one time, and the request must be received before the end of the spring semester prior to the fall semester of the employee's final year of eligibility.

15.7 Transfer of Tenure. When a tenured employee is transferred as a result of a reorganization or program curtailment within the University and is employed in the same or similar discipline in which tenure was granted, the employee's tenure shall be transferred to the new department.

15.8 Tenure upon Appointment. Tenure may be granted to an employee by the Board at the time of initial appointment, upon recommendation of the appropriate administrator. The administrator shall consider the recommendation of the department or equivalent unit prior to making his/her final tenure recommendation.

15.9 Leave. Authorized leaves of absence shall be credited or not credited toward the period of tenure-earning service according to the provisions of Section 17.4.

15.10 Termination/Layoff. Tenure/permanent status guarantees annual reappointment for the academic year until voluntary resignation, retirement, removal for just cause, or layoff.

ARTICLE 16 ***DISCIPLINARY ACTION AND JOB ABANDONMENT***

16.1 Just Cause.

(a) The purpose of this article is to provide a prompt and equitable procedure for disciplinary action taken with just cause. Just cause shall be defined as:

- (1) incompetence, or
- (2) misconduct.

(b) An employee's activities which fall outside the scope of employment shall constitute misconduct only if such activities adversely affect the legitimate interests of the University

16.2 Letters of Counseling/Instruction. Letters of Counseling or Instruction may be provided to employees to provide guidance for bringing conduct or performance into compliance with university policies, rules, or provisions of the Collective Bargaining Agreement. Such letters, that may include recommendations for participation in an Employee Assistance Program, are not considered discipline and may be used only as evidence to demonstrate the employee's awareness of University expectations.

16.3 Progressive Discipline. Both parties endorse the principle of progressive discipline as applied to professionals.

16.4 Notice of Intent.

(a) Oral Reprimand and Written Reprimand. No notice of intent or employee response time is required when an employee receives an oral reprimand or written reprimand.

(b) Suspension or Termination. When the president or president's representative has reason to believe that a suspension or termination should be imposed, the president or president's representative shall provide the employee with a written notice of the proposed action and the reasons therefore. Such notice shall be sent via certified mail, return receipt requested, or delivered in person with written documentation of receipt obtained. The employee shall be given ten (10) days to respond in writing to president or president's representative before the proposed action is taken. The president or president's representative then may issue a notice of disciplinary action under Section 16.5.

16.5 Notice of Disciplinary Action. Any notice of disciplinary action shall include a statement of the reasons therefore and a statement advising the employee that the action is subject to the Grievance Procedure in Article 20. All such notices shall be sent via certified mail, return receipt requested, or delivered in person to the employee with written documentation of receipt obtained.

16.6 Disciplinary Action Other than Termination. The University retains its right to impose disciplinary action other than termination for just cause including, but not limited to, suspension with or without pay.

16.7 Termination. A tenured appointment or any appointment of definite duration may be terminated during its term for just cause. An employee shall be given written notice of termination at least six months in advance of the effective date of such termination, except that in cases where the president or representative determines that an employee's actions adversely affect the functioning of the University or jeopardize the safety or welfare of the employee, colleagues, or students, the president or representative may give less than six months' notice.

16.8 Employee Assistance Program. Neither the fact of an employee's participation in an Employee Assistance Program, nor information generated by participation in the program, shall be used as a reason for discipline under this Article, except for information relating to an employee's failure to participate in an Employee Assistance Program consistent with the terms to which the employee and the University have agreed.

16.9 Job Abandonment.

(a) If an employee is absent without authorized leave for twelve (12) or more consecutive days under the provisions of Section 17.1, the employee shall be considered to have abandoned the position and voluntarily resigned from the University.

(b) Notwithstanding paragraph (a), above, if the employee's absence is for reasons beyond the control of the employee and the employee notifies the University as soon as practicable, the employee will not be considered to have abandoned the position.

ARTICLE 17

LEAVES

17.1 Requests for a Leave or Extension of Leave of One Semester or More.

(a) For a leave of one semester or more, an employee shall make a written request not less than 120 days prior to the beginning of the proposed leave, if practicable.

(b) For an extension of a leave of one semester or more, an employee shall make a written request not less than sixty days before the end of the leave, if practicable.

(c) The University shall approve or deny such request in writing not later than thirty days after receipt of the request.

(d) An absence without approved leave or extension of leave shall subject the employee to the provisions of Article 16.

(e) An employee's request for use of leave for an event covered by the provisions of the Family and Medical Leave Act (FMLA) of 1993 (Public Law 103-3) shall be submitted and responded to in accordance with the provisions of the FMLA and its implementing regulations.

17.2 Return from Leave. An employee who returns from an approved leave of absence with or without pay shall be returned to the same classification, unless the University and the employee agree in writing to other terms and conditions. The return from FMLA leave shall be governed by the FMLA and its implementing regulations, as discussed in Section 17.6.

17.3 Accrual During Leave with Pay. An employee shall accrue normal leave credits while on compensated leave in full-pay status, or while participating in the sabbatical or professional development programs. If an employee is on compensated leave in less than full-pay status for other than sabbaticals or professional development programs, the employee shall accrue leave in proportion to the pay status.

17.4 Tenure Credit During Periods of Leave. Semester(s) during which an employee is on compensated or uncompensated leave shall be creditable for the purpose of determining eligibility for tenure except by mutual agreement of the employee and the University. Time spent on family and medical, parental, administrative, or military leave, whether paid or unpaid, shall not be tenure-earning unless otherwise mutually agreed to by the employee and the president or president's representative in writing at the time such leave begins. Upon return from military leave, an employee may request that the time spent on military leave be tenure-earning, which request must be granted by the president or president's representative. Time spent on paid or unpaid leave for any purpose not otherwise listed herein shall be tenure-earning unless otherwise mutually agreed to by the employee and the president or president's representative in writing at the time such leave begins.

17.5 Holidays.

(a) An employee shall be entitled to observe all official holidays designated in accordance with Section 110.117, Florida Statutes. No classes or examinations shall be scheduled on holidays. Classes not held because of a holiday shall not be rescheduled.

(b) Supervisors are encouraged not to require an employee to perform duties on holidays; however, an employee required to perform duties on holidays shall have the employee's schedule adjusted to provide equivalent time off, up to a maximum of eight hours for each holiday worked.

(c) If an employee who has performed duties on a holiday terminates employment prior to being given time off, the employee shall be paid, upon termination, for the holiday hours worked within the previous twelve month period.

17.6 Family and Medical Leave Act (FMLA) Entitlements.

(a) The Family and Medical Leave Act of 1993 (“FMLA”) is the common name for the Federal law providing eligible employees an entitlement of up to twelve weeks of leave without pay for qualified family or medical reasons during a one-year period. This Act entitles the employee to take leave without pay; where University policies permit, employees may use accrued leave with pay during any qualifying family or medical leave. Employees are entitled to use FMLA in accordance with law and University policies. The failure to list, define, or specify any particular provision or portion of the FMLA in this Agreement shall in no way constitute a waiver of any of the rights or benefits conferred to the employer or the employee through the FMLA.

17.7 Parental Leave Options. The University of Central Florida provides a supportive environment that enables employees to address the complexity of balancing their work and family commitments. The University provides the following leave options when an employee becomes a biological parent, a child is placed for adoption in the employee’s home, or the employee becomes the legal guardian of a child.

(a) **Modified Work Duties.** If the employee normally has an instructional assignment, then, after consultation with the employee, the supervisor shall determine that:

(1) the assignment be changed to a non-instructional assignment for the academic semester during which the child is expected to arrive; or

(2) the employee’s work schedule may be altered.

(3) once the modified plan is agreed to by the employee and his or her supervisor, it shall be reviewed by the dean or vice president. The dean or vice president shall either approve the modified work plan, or work in collaboration with the supervisor and employee to reach an acceptable solution.

(b) **Paid Parental Leave.** Employees are eligible for paid parental leave as follows.

(1) An employee shall be granted, upon request, a paid parental leave for a period of 19.5 contiguous weeks (for twelve-month employees only) or one regular (Fall or Spring) semester, (or up to 3 months for non-instructional employees) for the birth, adoption, or assumption of legal guardianship of a child. Parental leave may be used no more than twice during the employee’s employment at the University. If both parents are employees of the University, only one parent may request paid parental leave under this program for each qualifying event (birth or adoption).

(2) In order to participate in this program, an employee must be employed for a minimum of one academic year on at least a 0.75 FTE line. This program does not apply to individuals on a temporary, a term limited, or a visiting appointment. Furthermore, employees on soft money shall be eligible to the extent that such benefits are permitted by the terms of the contract or grant, the rules of the funding agency, and/or adequate funds are available.

(3) The employee will request the use of paid parental leave in writing no later than three months prior to the anticipated beginning of the leave and the leave must occur no later than a semester immediately following the birth or adoption event. A shorter notice period may be permitted for good cause and/or special circumstances at the discretion of the provost or designee. Parental leave is separate from, but may run concurrent with, medical or FMLA leave.

(4) The employee will sign a written agreement detailing the terms of the paid parental leave. Participation in paid parental leave is contingent upon execution of the signed agreement.

(5) The employee must agree in writing to return to University employment for at least one academic year following participation in the program. This time does not include time awarded for a sabbatical or other type of leave. For example, it would be possible for a nine-month employee to take a sabbatical and then opt for the parental leave program. In that case, the employee would need to return to active university service for one year for each of the programs; in this case, two academic years.

(6) Repayment of salary, retirement, benefits, and expenses received during paid parental leave shall be required in those instances where payments are made in the absence of a signed agreement by the employee, or when the employee fails to comply with the terms of the program.

(7) An employee who makes use of parental leave and who remains in University employment for at least one academic year (calendar year for non-instructional faculty) following participation in the parental leave program shall have the total number of hours used deducted from the employee’s sick leave and/or annual leave balance (with sick leave being deducted first) that the employee has remaining at the time

of separation from the University, or upon transferring between an annual leave and non-annual leave accruing contract.

(8) Employees on paid parental leave cannot engage in outside employment unless approved in advance.

(c) Unpaid Parental Leave.

If the medical certification furnished by the employee is not acceptable, the employee may be required to submit to a medical examination by a health care provider who is not a University staff member which shall be paid for by the University. 18.3 Works.

(a) Independent Creative Efforts. A Work made in the course of Independent Creative Efforts is the property of the employee, who has the right to determine the disposition of such Work and the revenue derived from it. The

employee shall provide documentation to substantiate his or her Independent Creative Efforts. As used in this Section, the term "Independent Creative Efforts" means that:

- (1) the ideas came from the employee;
- (2) the Work was made without the use of appreciable University Support; and
- (3) the University is not responsible for any opinions expressed in the Work.

(b) **University-Supported Efforts.** A Work that is created with the use of University Support as defined in 18.2(d) is the property of the University, and the employee shall share in the proceeds therefrom. For example, Web-based courses developed with University resources use a team of technical support experts and faculty members to develop materials and software used in the course. These materials may be licensed by mutual agreement between the University and the employee(s) who developed the materials.

(c) **Exceptions.** The University shall not assert rights to the following Works:

- (3) The intellectual content developed by faculty members for Web-based courses.

(d) **Disclosure/University Review.**

(1) Upon the creation of a Work and prior to any publication, the employee shall disclose to the president or president's representative any Work made in the course of University-supported efforts, together with an outline of the project and the conditions under which it was done. (3) Within one-hundred twenty (120) days after such disclosure, the president or president's representative will inform the employee whether the University seeks an interest in the Work, and a written agreement shall thereafter be negotiated to reflect the interests of both parties, including provisions relating to the equities of the employee and the allocation of proceeds resulting from such Work. Allocation of proceeds/royalties shall be made in accordance with the University's policy on copyrights and patents. The agreement will also include provisions relating to the creation, use, and revision of such Works by the University or the employee, as well as provisions relating to the use or revision of such Works by persons other than the University or employee. All such agreements shall comport with and satisfy any preexisting commitments to outside sponsoring contractors.

(4) The employee shall assist the University in obtaining releases from persons appearing in, or giving financial or creative support to, the development or use of these Works in which the University asserts an interest, including Instructional Technology Materials as defined in Section 18.2(c). The employee shall certify that such development or use does not infringe upon any existing copyright or other legal right.

(5) The employee and the University shall not commit any act that would tend to defeat the University's or employee's interest in the Work, such as making a public disclosure prior to the University obtaining intellectual property protection, and shall take any necessary steps to protect such interests.

(e) **Outside Activity.** An employee may, in accordance with Article 19, Conflict of Interest or Commitment and Outside Activity, engage in outside activity, including employment pursuant to a consulting agreement.

18.4 Inventions.

(a) **Independent Inventive Efforts.** All Inventions made outside the field or discipline in which the employee is employed by the University, and for which no University Support has been used, are the property of the employee, subject to 35 U.S.C. 115, who has the right to determine the disposition of such property and revenue derived from such property. The employee and the president or president's representative may agree that the patent for such Invention be pursued by the University and the proceeds shared.

(b) **University-Supported Efforts.** Inventions made in the field or discipline in which the employee is employed by the University, or by using University Support, are the property of the University and the employee shall share in the proceeds therefrom. Such Inventions and related rights shall be the property of the University and are hereby assigned to the University by the employee. If the University decides to patent, develop and market the Invention, all costs of the patent application and related activities, including those which lead to active licensed production, shall be paid from University funds. These costs shall be recovered before any division of patent or license revenue is made between the University and the employee.

(c) **Private or Industrially Sponsored Efforts.** Except in unusual cases, Inventions developed in the course of privately or industrially sponsored research are the property of the University. The sponsor may be accorded the first option to negotiate an exclusive license, in which case the term of exclusivity and the compensation shall be negotiated at the time the Invention is made or under the provisions of the University's policy on copyrights and patents. If the sponsor exercises this option, the University retains royalty-free license rights to use the Invention or discovery for its own purposes.

(d) **Outside Activity.** An employee may, in accordance with Article 19, Conflict of Interest or Commitment and Outside Activity, engage in outside activity, including employment pursuant to a consulting agreement. All Inventions arising from authorized Outside Activity and outside of the field or discipline of the employee are the property of the employee, subject to the following conditions:

(1) Any requirement that an employee waive the University's rights to any Inventions that arise during the course of such outside activity shall not be entered into unless specifically approved by the president or president's representative, in writing, prior to the start of such outside activity.

(2) An employee who proposes to engage in an outside activity where the employee may be asked to waive the University's rights shall furnish a copy of this Article and the University's Patents, Trademarks, and Trade Secret Regulation to the outside employer prior to the time a consulting or other agreement is signed or, if there is no written agreement, before the outside activity/employment begins. Employees are not authorized to waive University rights, and any such waiver is deemed rejected unless specifically accepted by the Vice President of Research and Commercialization or designee.

(3) Undisclosed Outside Activity is considered unauthorized.

a. Any Invention arising from undisclosed Outside Activity must be disclosed to the Vice President of Research & Commercialization (see 18.4(e)). If the employee claims the Invention resulted from Independent Inventive Effort(s), then as part of the disclosure, the employee shall provide sufficient documentation to substantiate the claim.

b. Upon receipt of written notice from the Vice President of Research & Commercialization confirming the University's decision not to assert a University interest in an Invention resulting from unauthorized Outside Activity, the employee shall have the right to determine the disposition of such Invention. However, the employee and the Vice President of Research & Commercialization may agree that a patent for such Invention will be pursued by the University; in that event, the employee and University shall share in the proceeds of any Invention as provided by this Article any applicable University policies or procedures, including applicable University of Central Florida Research Foundation ("UCFRF") Guidelines and Procedures for Distribution of Funds or in such other manner as the employee and the Vice President of Research & Commercialization may agree.

(e) **Disclosure/University Review.** Employees are required to disclose all Inventions owned by the University and all Inventions resulting from any Outside Activity within the field or discipline of the inventing employee. It is the policy of the University that, in general, research results should be publishable; publication of such results in appropriate venues is encouraged. However, if the publication of research results may reveal an Invention in which the University has an interest, employees should seek advice on how and when to publish the results in order that potential patent rights for the Invention are not compromised. That is, upon the making of an Invention and prior to any publication or public disclosure, employees shall promptly and fully disclose to the Vice President of Research & Commercialization any

Invention described in 18.4(b). Any delay in publication resulting from seeking such advice shall be minimized, but in any event shall not exceed 120 days from the date of presentation of the proposed publication.

(1) The disclosure shall be made on the forms and according to procedures prescribed by the Vice President of Research & Commercialization. At a minimum the disclosure shall: (1) identify each employee, (2) provide a brief description of the Invention, and (3) identify and summarize the research project including the participants and applicable funding sources

(2) The Vice President for Research & Commercialization shall conduct an investigation to assess the patentability and marketability, as well as the respective equities of the employee and the University in the Invention, and to determine the extent to which the University should be involved in its protection, development, and promotion.

(3) The Vice President for Research and Commercialization shall inform the employee of the University's decision regarding the University's interest in the Invention within a reasonable time, not to exceed 120 days from the date of the disclosure.

(4) In the event the University elects to obtain a Patent, register a Trademark or a Copyright, or to formally define a Trade Secret to protect the University's rights in the Invention, employees will execute any and all necessary documents to affirm, publicly formalize, and record the transfer of all rights to the University or to UCFRF. UCFRF is required to comply with the same policies and procedures regarding allocation of proceeds/royalties as the University.

(5) In the event the University asserts its rights in the Invention, all costs and expense of patenting, developing, and marketing the Invention and related activities, including those which may lead to active licensing of the Invention, shall be paid by the University.

(6) The division, between the University and the employee, of proceeds generated by the licensing or assignment of an Invention shall be negotiated and reflected in a written contract between the University and the employee and/or as set forth in the University's policy on copyrights and patents, including the applicable UCFRF Guidelines. All such agreements shall comport with and satisfy any preexisting commitments to outside sponsoring contractors. Faculty members who have a significant role or equity position in companies that license university intellectual property waive their University distribution.

(7) The employee shall not commit any act that would tend to defeat the University's interest in the matter, and the University shall take any necessary steps to protect such interest.

(f) Release of Rights.

(1) In the event a sponsored research contractor has been offered the option to apply for the patent to an Invention or other rights in an Invention, the University will obtain the contractor's decision regarding the exercise of such rights within 120 days, or within the time provided in the sponsored research agreement.

(2) Prior to making a patent application, at any stage of the patent process, or in the commercial application of an Invention, if the University has not otherwise assigned to a third party the right to pursue its interests, the president or president's representative may elect to waive the University's rights to the patent, or withdraw from further involvement in the protection or commercial application of the Invention. At the request of the employee in such case, the University shall transfer the Invention rights to the employee. The Invention shall be the employee's property and any costs already incurred by the University or on its behalf shall not be assessed against the employee.

(3) All assignments or releases of Inventions, including patent rights, by the president or president's representative to the employee shall contain the provision that such Invention, if patented by the employee, shall be available royalty-free for governmental purposes of the State of Florida and research or instructional purposes of the University, unless otherwise agreed in writing by the University.

(g) University Policy.

(1) The University shall have a policy addressing the division of proceeds between the employee and the University.

(2) Such policy may be the subject of consultation meetings pursuant to Article 2.

ARTICLE 19

CONFLICT OF INTEREST OR COMMITMENT/OUTSIDE ACTIVITY

19.1 Policy.

(a) The University and UFF recognize that outside employment, consulting, and similar activities may further the dissemination and use of employee knowledge and expertise and also advance the professional competence and

reputation of employees. Employees may participate in outside activities and hold financial interests in accordance with the provisions of this Article.

(b) An employee is bound to observe, in all official acts, the highest standards of ethics consistent with the Code of Ethics of the State of Florida (Chapter 112, Part III, Florida Statutes), the advisory opinions rendered with respect thereto, Board of Governors rules, and University regulations.

(c) Nothing in this Article is intended to discourage an employee from engaging in outside activity in order to increase the employee's professional reputation, service to the community, or income, subject to the conditions stated herein.

19.2 Definitions.

(a) "Outside Activity" shall mean any private practice, private consulting, additional teaching or research, or other personal commitment, e.g., service on a Board of Directors, participation in a civic or charitable organization, political activity, etc., whether compensated or uncompensated, that is not part of the employee's assigned duties and for which the University provides no compensation.

(b) "Conflict of Interest" shall mean:

(1) any conflict between the private interests of the employee and the public interests of the University, the Board of Governors, or the State of Florida, including conflicts of interest specified under Florida Statutes; or

(2) any activity that interferes with the full performance of the employee's professional or institutional responsibilities or obligations.

(c) "Conflict of Commitment" shall mean:

(1) outside activities that involve frequent or prolonged absences from the University on non-University business; or

(2) outside activities that engage a substantial portion of the time an employee is expected to spend on assigned duties or University-related activities.

19.3 Conflicts of Interest/Commitment Prohibited. Conflicts of interest and commitment, including those arising from University or outside activities, are prohibited. Employees are responsible for resolving such conflicts of interest or commitment, working in conjunction with their supervisors and other University officials.

19.4 Report of Outside Activity/Financial Interest.

(a) An employee who proposes to engage in outside activity, including but not limited to one that could reasonably be concluded to create a conflict of interest or commitment, or proposes to hold a financial interest that may create a conflict of interest, shall report on a form provided by the University to the employee's supervisor the details of such proposed activity or financial interest prior to engaging therein. Employment at other institutions of higher learning can create a conflict of interest or commitment. If the employee participates in more than one outside activity or holds more than one financial interest, separate forms for the various activities and interests should be completed.

(b) The report as described in paragraph 19.4(a) shall include as applicable the following information:

(1) name of the employing or contracting entity, or name of the entity in which the financial interest is held, and nature of its business;

(2) involvement of students and other employees in the activity, employing entity, or entity in which the financial interest is held, if that involvement is known to the employee making the disclosure;

(3) nature of the activity or financial interest (e.g., description of equity interest or intellectual property), including time spent if an activity is involved (e.g., instructional hours, estimated hours per week of travel time);

(4) source and type of compensation, and in the case of legal representation or service as an expert witness, all parties to the matter must be identified; and

(5) any conditions of the activity that involve waiving or impairing the employee's or the University's right to intellectual property.

(c) A new report shall be submitted annually or when an outside activity begins, substantially changes (e.g., expansion of outside activity, new source of funding) or has not been previously reported.

(d) The reporting provisions of this Section shall not apply to activities performed wholly during a period in which the employee has no appointment with the University. However, the employee should still be aware of the conflict of interest considerations that may arise from such activities.

19.5 Expedited Grievance Procedure.

(a) In the event the proposed outside activity is determined to constitute a conflict of interest or commitment, and the employee disagrees with that determination, the employee may file a grievance under the expedited grievance procedure contained in Article 20.

(b) The employee may engage in such outside activity pending a resolution of the matter pursuant to Section 19.5(a) but does so at the risk of violating statutes or regulations.

(c) If the resolution of the matter is that there is a conflict of interest or commitment, the employee shall cease such activity immediately and may be required to turn over to the University all or part of compensation earned therefrom.

19.6 Use of University Resources. An employee engaging in any outside activity shall not use the facilities, equipment, or services of the University in connection with such outside activity without prior approval of the president or president's representative. Approval for the use of University facilities, equipment, or services may be conditioned upon reimbursement for the use thereof.

19.7 No University Affiliation. An employee engaging in outside activity shall take reasonable precautions to ensure that the outside employer or other recipient of services understands that the employee is engaging in such outside activity as a private citizen and not as an employee, agent, or spokesperson of the University.

ARTICLE 20

GRIEVANCE PROCEDURE AND ARBITRATION

20.1 Policy/Informal Resolution. The parties agree that all problems should be resolved, whenever possible, before the filing of a grievance but within the time limits for filing grievances stated elsewhere in this Article, and encourage open communications between administrators and employees so that resort to the formal grievance procedure will not normally be necessary. The parties further encourage the informal resolution of grievances whenever possible. At each step in the grievance process, participants are encouraged to pursue appropriate modes of conflict resolution. The purpose of this Article is to promote a prompt and efficient procedure for the investigation and resolution of grievances. The procedures hereinafter set forth shall be the sole and exclusive method for resolving the grievances of employees as defined herein.

20.2 Resort to Other Procedures. It is the intent of the parties to first provide a reasonable opportunity for resolution of a dispute through the grievance procedure and arbitration process. Except as noted below, if prior to seeking resolution of a dispute by filing a grievance hereunder, or while the grievance proceeding is in progress, an employee requests, in writing, resolution of the matter in any other forum, whether administrative or judicial, the University shall have no obligation to entertain or proceed further with the matter pursuant to this grievance procedure. As an exception to this provision, a grievant may file an EEOC charge while the grievance is in progress when such filing becomes necessary to meet federal filing deadlines pursuant to 42 U.S.C. § 2000e et seq. Further, since the parties do not intend that this grievance procedure be a device for appellate review, the president's response to a recommendation of a hearing officer or other individual or group having appropriate jurisdiction in any other procedure shall not be an act or omission giving rise to a grievance under this procedure.

20.3 Definitions and Forms. As used herein:

(a) the term "grievance" shall mean a dispute filed on a form referenced in Section 20.3(c) concerning the interpretation or application of a specific term or provision of this Agreement, subject to those exclusions appearing in

other Articles of this Agreement. A Step 1 Grievance is a grievance alleging that one or more violations of this Agreement have occurred at, or within, a college level unit. A Step 2 Grievance is a grievance that has either

(1) continued from the Step 1 college or unit level to the University level or

(2) filed alleging that one or more violations of the Agreement have occurred at the University level.

(b) the term "grievant" shall mean an employee or group of employees who has/have filed a grievance in a dispute over a provision of this Agreement which confers rights upon the employee(s) or the UFF. The UFF may file a grievance:

(1) in a dispute over a provision of this Agreement which confers rights upon the UFF. A grievance filed by the UFF on behalf of the UFF shall be initiated at Step 2; or

(2) on behalf of the bargaining unit, a group of employees, or an individual employee, provided any group is identified with sufficient specificity to enable the University to identify its members.

(c) Consolidation. The parties may agree to consolidate grievances of a similar nature to expedite the review process. In a consolidated grievance, one Appendix "C," "D," or "E" may be attached, bearing the signatures of the grievants.

(d) Grievance Forms. Each grievance, request for review, and notice of arbitration must be submitted in writing on the appropriate form attached to this Agreement as Appendix "C", "D," or "E," respectively, and shall be signed by the grievant. All grievance forms shall be dated when the grievance is received. If there is difficulty in meeting any time limit, the grievance representative may sign such documents for the grievant; however, grievant's signature shall be provided prior to the Step 1 meeting or Step 2 review if filed directly at Step 2. The aforementioned grievance forms, as well as Appendix "H," may be filed by means of fax, United States mail, or any other recognized means of delivery.

(e) Remedy. A grievance shall specify the remedy sought by the grievant.

20.4 Burden of Proof. In all grievances except disciplinary grievances in accordance with Article 16, Disciplinary Action and Job Abandonment, the burden of proof shall be on the employee. In disciplinary grievances, the burden of proof shall be on the University.

20.5 Representation. The UFF shall have the exclusive right to represent any employee in a grievance filed hereunder, unless an employee elects self-representation or to be represented by legal counsel. If an employee elects not to be represented by the UFF, the University shall promptly inform the UFF in writing of the grievance. No resolution of any individually processed grievance shall be inconsistent with the terms of this Agreement and for this purpose the UFF shall have the right to have an observer present at all meetings called with the grievant or grievance representative for the purpose of discussing such grievance and shall be sent copies of all decisions at the same time as they are sent to the other parties.

20.6 Grievance Representatives. The UFF shall, on or before September 1 of each year, furnish to the University a list of all persons authorized to act as grievance representatives and shall update the list as needed. The UFF grievance representative shall have the responsibility to meet all classes, office hours, and other duties and responsibilities incidental to the assigned workload. Some of these activities are scheduled to be performed at particular times. Such representative shall have the right during times outside of those hours scheduled for these activities to investigate, consult, and prepare grievance presentations and attend grievance hearings and meetings. Should any hearings or meetings with the president or president's representatives necessitate rescheduling of assigned duties, the representative may, with the approval of the appropriate administrator, arrange for the rescheduling of such duties or their coverage by colleagues. Such approval shall not be unreasonably withheld.

20.7 Appearances.

(a) When an employee participates during working hours in an arbitration proceeding or in a grievance meeting between the grievant or representative and the University, that employee's compensation shall neither be reduced nor increased for time spent in those activities.

(b) Prior to participation in any such proceedings, conferences, or meetings, the employee shall make arrangements acceptable to the appropriate supervisor for the performance of the employee's duties. Approval of such arrangements shall not be unreasonably withheld. Time spent in such activities outside regular working hours shall not be counted as time worked.

20.8 Formal Grievance Procedure.

(a) Filing.

(1) Step 1 and Step 2 grievances shall be filed in the Office of Faculty Relations in Academic Affairs within thirty (30) days following the act or omission giving rise thereto, or the date on which the employee knew or

reasonably should have known of such act or omission if that date is later. Thirty days shall be determined by the date stamped on the completed grievance form filed in the Office of Faculty Relations, or by the date of mailing as determined by the postmark. The grievant may amend the Appendix "C" form one time, either prior to the Step 1 meeting for all grievances filed at Step 1, or prior to the Step 2 review for all grievances filed directly at Step 2.

(2) An employee may seek redress of alleged salary discrimination by filing a grievance under the provisions of Article 20. An act or omission giving rise to such a grievance may be the employee's receipt of the employee's salary warrant for the first full-pay period in which the annual salary increases referenced in Article 23 are reflected.

(3) The filing of a grievance constitutes a waiver of any rights to judicial review of agency action pursuant to Chapter 120, Florida Statutes, or to the review of such actions under University procedures which may otherwise be available to address such matters. This grievance procedure shall be the sole review mechanism for resolving disputes regarding rights or benefits which are provided exclusively by this Agreement. Only those acts or omissions and sections of the Agreement identified at the initial filing may be considered at subsequent steps.

(b) Time Limits. All time limits contained in this Article may be extended by mutual agreement of the parties, except that the time limits for the initial filing of a grievance may be extended only by agreement between the University and the UFF. Upon failure of the University to provide a decision within the time limits provided in this Article, the grievant or the UFF, where appropriate, may appeal to the next step. Upon the failure of the grievant or the UFF, where appropriate, to file an appeal within the time limits provided in this Article, the grievance shall be deemed to have been resolved by the decision at the prior step.

(c) Postponement.

(1) The grievant may, in the written grievance at Step 1, request the postponement of any action in processing the grievance formally for a period of up to thirty (30) days, during which period efforts to resolve the grievance informally shall be made. The initial such request shall be granted. Upon the grievant's written request, additional extensions should be granted unless to do so would impede resolution of the grievance. Upon request, the president or president's representative shall, during the postponement period(s), arrange an informal meeting between the appropriate administrator and the grievant. The grievant shall have the right to representation by the UFF during attempts at informal resolution of the grievance. The grievant may, at any time, terminate the postponement period by giving written notice to the president or president's representative that the grievant wishes to proceed with the Step 1 meeting. If the postponement period, or any extension thereof, expires without such written notice, the grievance shall be deemed informally resolved to the grievant's satisfaction and need not be processed further.

(2) In the case of a grievance filed pursuant to the Expedited Grievance Procedure referenced in Section 20.15, the postponement period shall be no more than seven (7) days unless the employee and the university agree otherwise.

(d) Step 1.

(1) Meeting. The president or president's representative and the grievant and the grievance representative shall meet no sooner than seven (7) and no later than fifteen (15) days following

- a. receipt of the grievance if no postponement is requested, or
- b. receipt of written notice that the grievant wishes to proceed with the Step 1 meeting.

At the Step 1 meeting, the grievant shall have the right to present any evidence in support of the grievance, and the grievant and/or the UFF representative or the grievant's legal counsel (if selected pursuant to Section 20.5), and the president or president's representative, shall discuss the grievance.

(2) Decision. The president or president's representative shall issue a written decision, stating the reasons therefore, to grievant's Step 1 representative within thirty (30) days following the conclusion of the meeting. In the absence of an agreement to extend the period for issuing the Step 1 decision, the grievant may proceed to Step 2 if the grievant's Step 1 representative has not received the written decision by the end of the 30th day following the conclusion of the Step 1 meeting. A copy of the decision shall be sent to the grievant and to the local UFF Chapter if grievant elected self-representation or representation by legal counsel.

(3) Documents. Where practicable, the Step 1 reviewer shall make available to the grievant, or grievance representative, documentation referenced in the Step 1 decision prior to its issuance. All documents referred to in the decision and any additional documents presented by the grievant shall be attached to the decision, together with a list of these documents. In advance of the Step 1 meeting, the grievant shall have the right, upon written request, to a copy of any reasonably identifiable documents relevant to the grievance.

(e) Step 2

(1) Filing.

a. Continuation of Step 1 Grievance. If the grievance is not satisfactorily resolved at Step 1, the grievant may file a written request with the Office of Faculty Relations in Academic Affairs for review of the Step 1 decision by the president or president's representative. The grievant must make this request within thirty (30) days following receipt of the Step 1 decision by grievant's Step 1 representative. Thirty days shall be determined by the date stamped on the notice by the Office of Faculty Relations when the request is received in that office or by the date of mailing as determined by the postmark.

b. Step 2 Grievance Alleging Violation(s) of the Agreement at the University Level. A grievance may be filed at Step 2 if it alleges that one or more violations have occurred at the University level.

(2) Meeting. The president or president's University representative and the grievant and the grievant's representative shall meet no sooner than seven (7) and no later than fifteen (15) days following

a. receipt of the grievance if no postponement is requested or

b. receipt of written notice that the grievant wishes to proceed with the Step 2 meeting.

At the Step 2 meeting the grievant shall have the right to present evidence in support of the grievance, and the grievant and/or the UFF representative or the grievant's legal counsel (if selected pursuant to Section 20.5) and the president or president's representative, shall discuss the grievance.

(3) Decision. The president or president's representative shall issue a written decision, stating the reasons therefore, to the grievant and grievant's Step 2 representative within thirty (30) days following the conclusion of the review meeting. Thirty days shall be determined by a receipt executed by the Office of Faculty Relations, or by the date of mailing as determined by the postmark. In the absence of an agreement to extend the period for issuing the Step 2 decision, the UFF may proceed to Step 3 if the grievant's Step 2 representative has not received the written decision by the end of the 30th day following the conclusion of the Step 2 meeting. A copy of the decision shall be sent to the grievant and to the UFF grievance chair if the grievant elected self-representation or representation by legal counsel.

(f) Step 3 Arbitration.

(1) Filing. If the grievance has not been satisfactorily resolved at Step 2, the UFF may, upon the request of the grievant, proceed to arbitration by filing a written notice of the intent to do so. Notice of intent to proceed to arbitration must be filed with the Office of Faculty Relations within thirty (30) days after receipt of the Step 2 decision by grievant and grievant's Step 2 representative (if the grievant is represented by the UFF, the decision will be sent to the UFF grievance representative) and shall be signed by the grievant and the UFF President or UFF Director of Arbitrations. Thirty days shall be determined by a receipt executed by the office receiving the grievance, or by the date of mailing as determined by the postmark. The grievance may be withdrawn at any time by the grievant or by the UFF President or Director of Arbitrations at any point during Step 3. The parties shall stipulate to the issue(s) prior to the arbitration. In the event a stipulation is not reached, the parties shall proceed to a hearing on arbitrability pursuant to Section 20.8(f)(4).

(2) Selection of Arbitrator. Representatives of the University and the UFF shall meet within ninety (90) days after the execution of this Agreement for the purpose of selecting an Arbitration Panel of ten (10) or more members. Within fourteen (14) days after receipt of a notice of intent to arbitrate, representatives of the University and the UFF shall meet for the purpose of selecting an arbitrator from the Panel. Selection shall be by mutual agreement or by alternately striking names from the Arbitration Panel list until one name remains. The right of the first choice to strike from the list shall be determined by the flip of a coin. If the parties are unable to agree to a panel of arbitrators, they shall follow the normal American Arbitration Association procedure for the selection of an arbitrator. The parties may mutually select as the arbitrator an individual who is not a member of the Arbitration Panel. The arbitration shall be held within sixty (60) days following the selection of the arbitrator, if practicable.

(3) Authority of the Arbitrator.

a. The arbitrator shall not add to, subtract from, modify, or alter the terms or provisions of this Agreement. Arbitration shall be confined solely to the application and/or interpretation of this Agreement and the precise issue(s) submitted for arbitration. The arbitrator shall refrain from issuing any statements of opinion or conclusions not essential to the determination of the issues submitted.

b. Where an administrator has made a judgment involving the exercise of discretion, such as decisions regarding tenure or promotion, the arbitrator shall not substitute the arbitrator's judgment for that of the administrator. Nor shall the arbitrator review such decision except for the purpose of determining whether the decision has violated this Agreement. If the arbitrator determines that the Agreement has been violated, the arbitrator shall direct the University to take appropriate action. An arbitrator may award back salary where the arbitrator determines that the employee is not receiving the appropriate salary from the University, but the arbitrator may not award other monetary damages or penalties. If notice that further employment will not be offered is not given on time, the arbitrator may direct the University to renew the appointment only upon a finding that no other remedy is adequate, and that the notice was

given so late that (a) the employee was deprived of reasonable opportunity to seek other employment, or (b) the employee actually rejected an offer of comparable employment which the employee otherwise would have accepted.

c. An arbitrator's decision awarding employment beyond the sixth year shall not entitle the employee to tenure. In such cases the employee shall serve during the seventh year without further right to notice that the employee will not be offered employment thereafter. If an employee is reappointed at the direction of an arbitrator, the president or president's representative may reassign the employee during such reappointment.

(4) Arbitrability. Issues of arbitrability shall be bifurcated from the substantive issue(s) and, whenever possible, determined by means of a hearing conducted by conference call. The arbitrator shall have ten (10) days from the hearing to render a decision on arbitrability. If the issue is judged to be arbitrable, an arbitrator shall then be selected to hear the substantive issue(s) in accordance with the provisions of Section 20.8(f)(2).

(5) Conduct of Hearing. The arbitrator shall hold the hearing in the city where the grievant is employed, unless otherwise agreed by the parties. The hearing shall commence within twenty-five (25) days of the arbitrator's acceptance of selection, or as soon thereafter as is practicable, and the arbitrator shall issue the decision within forty-five (45) days of the close of the hearing or the submission of briefs, whichever is later, unless additional time is agreed to by the parties. The decision shall be in writing and shall set forth findings of fact, reasoning, and conclusions on the issues submitted. Except as expressly specified in this Article, the provisions of the Florida Arbitration Code, Chapter 682, Florida Statutes, shall not apply. Except as modified by the provisions of this Agreement, arbitration proceedings shall be conducted in accordance with the rules and procedures of the American Arbitration Association.

(6) Effect of Decision. The decision or award of the arbitrator shall be final and binding upon the University, the UFF, and the grievant, provided that either party may appeal to an appropriate court of law a decision that was rendered by the arbitrator acting outside of or beyond the arbitrator's jurisdiction, pursuant to Section 682.13, Florida Statutes.

(7) Venue. For purposes of venue in any judicial review of an arbitrator's decision issued under this agreement, the parties agree that such an appeal shall be filed in the courts in Orange County, Florida, unless both parties specifically agree otherwise in a particular instance. In an action commenced in Orange County, neither the University nor the UFF will move for a change of venue based upon the defendant's residence in fact if other than Orange County.

(8) Fees and Expenses. All fees and expenses of the arbitrator shall be divided equally between the parties. Each party shall bear the cost of preparing and presenting its own case. The party desiring a transcript of the arbitration proceedings shall provide written notice to the other party of its intention to have a transcript of the arbitration made at least one week prior to the date of the arbitration. The party desiring such transcript shall be responsible for scheduling a stenotype reporter to record the proceedings. The parties shall share equally the appearance fee of the stenotype reporter and the cost of obtaining an original transcript and one copy for the party originally requesting a transcript of the proceedings.

(9) Retroactivity. An arbitrator's award may or may not be retroactive as the equities of each case may demand, but in no case shall an award be retroactive to a date earlier than thirty (30) days prior to the date the grievance was initially filed in accordance with this Article.

20.9 Filings and Notification. With the exception of Step 1 and Step 2 decisions, all documents required or permitted to be issued or filed pursuant to this Article may be transmitted by fax, United States mail, or any other recognized delivery service (note: e-mail is not an acceptable form of delivery). Step 1 and Step 2 decisions shall be transmitted to the grievance representative (s) by personal delivery with written documentation of receipt or by certified mail, return receipt requested. In the event that any action falls due on a Saturday, Sunday, or holiday (as referred to in Section 17.5), the action will be considered timely if it is accomplished by 5:00 p.m. on the following business day.

20.10 Precedent. No complaint informally resolved, or grievance resolved at either Step 1 or 2, shall constitute a precedent for any purpose unless agreed to in writing by the president or representative and the UFF acting through its President or representative.

20.11 Processing.

(a) The filing or pendency of any grievance or arbitration proceedings under this Article shall not operate to impede, preclude, or delay the University from taking the action complained of. Reasonable efforts, including the shortening of time limits when practical, shall be made to conclude the processing of a grievance prior to the expiration of the grievant's employment, whether by termination or failure to reappoint. An employee with a pending grievance will not continue to be compensated beyond the last date of employment.

21.2 Office Space. Each employee shall be provided with office space that may be on a shared basis when appropriate individual office space is unavailable. The parties recognize the desirability of providing each employee with enclosed office space with a door lock, air conditioning/heating, office equipment commensurate with assigned responsibilities, and ready access to a telephone, computer and the Internet. Each employee shall, consistent with building security, have reasonable access to the employee's office space and laboratories, studios, music rooms, and the like used in connection with assigned responsibilities; this provision may require that campus security provide access on an individual basis. Before an employee's office location is changed, or before there is a substantial alteration to an employee's office to a degree that impedes the employee's work effectiveness, the affected employee shall be notified, if practicable, at least one (1) month prior to such change.

21.3 Safe Conditions. Whenever an employee reports a condition which the employee feels represents a violation of safety or health rules and regulations or which is an unreasonable hazard to persons or property, such conditions shall be promptly investigated. The appropriate administrator shall reply to the concern, in writing, within fourteen (14) days of receipt, if the employee's concern is communicated in writing.

21.4 Limitation on Personal Liability.

(a) In the event an employee is sued for an act, event, or omission which may fall within the scope of Section 768.28, Florida Statutes, the employee should notify the president's office as soon as possible after receipt of the summons commencing the action in order that the University may fulfill its obligation. Failure to notify the employer promptly may affect the rights of the parties.

(b) For information purposes, the following pertinent language of Section 768.28(9), Florida Statutes, is reproduced herein.

No officer, employee, or agent of the state or any of its subdivisions shall be held personally liable in tort or named as a party defendant in any action for any injury or damage suffered as a result of any act, event, or omission of action in the scope of his or her employment or function, unless such officer, employee, or agent acted in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety or property.

SABBATICALS AND PROFESSIONAL DEVELOPMENT PROGRAMS

22.1 Sabbaticals.

(a) Policy. Sabbaticals are granted to increase an employee's value to the University through opportunities for research, writing, professional renewal, further education or other experiences of professional value. While such leaves may be provided in relation to an employee's years of service, they are not primarily a reward for service.

(b) Types of Sabbaticals.

(1) Type I Sabbaticals: Each year, each college shall make available at least one (1) [Type IA] sabbatical, either at full pay for one (1) semester or a [Type IB] at three-fourths pay for one (1) academic year, for each twenty (20) tenured and tenure-earning employees, subject to the conditions of this Article. Standard rounding techniques shall be used to determine the total number of Type I sabbaticals to be made available in each college. (e.g., a college with 29 tenured or tenure-earning employees shall make one (1) Type I sabbatical available. A college with 30 tenured or tenure-earning employees shall make two (2) Type I sabbaticals available.) Colleges with fewer than twenty (20) tenured and tenure-earning employees shall make available at least one such sabbatical every other year.

(2) Type II Sabbaticals: Each college shall make available to each employee whose application meets the policy requirements noted above, and whose application has been recommended by the college committee and granted by the dean a sabbatical for two (2) semesters (i.e., one (1) academic year) at half pay, subject to the conditions of this Article.

(c) Eligibility for Sabbaticals.

(1) Full-time tenured employees with at least six (6) years of full-time continuous service with UCF shall be eligible for sabbaticals.

(2) No paid or unpaid family and medical, parental, administrative, military, or other authorized leave(s) will be considered a break in continuous employment.

(3) An employee who is compensated through a contract or grant may receive a sabbatical only if the contract or grant allows a sabbatical and the employee meets all other eligibility requirements.

(4) Employees shall be notified annually regarding eligibility requirements and application deadlines.

(d) Sabbatical Availability & Eligibility of Employees Not in a College

(1) For the purposes of Section 22.1, "college" shall also mean the group of tenured and tenure-earning employees whose primary assignments are in an institute, center, or other non-college unit.

(2) These employees shall be grouped together for purposes of calculating the number of available sabbaticals and for purposes of ranking employees' applications. Sabbatical applications for these employees will be reviewed and ranked by the University Research Council, whose rankings will be finally reviewed by the president or president's representative. In all other respects, the application and selection process for these employees shall follow the provisions of Section 22.1(e).

(e) Application and Selection.

(1) Applications for sabbaticals shall be submitted in accordance with college procedures.

(2) Each application shall include a two-page statement describing the program and activities to be followed while on sabbatical; the expected increase in value of the employee to the University, the college and the employee's academic discipline; specific results anticipated from the leave; any anticipated supplementary income; and a statement that the applicant agrees to comply with the conditions of the sabbatical program as described in Section 22.1(f).

(3) The employee's immediate supervisor, e.g., the chair, shall be given a copy of the application when it is submitted for review by the college committee.

(4) A college committee shall be elected by and from the tenured unit employees. The committee shall equitably represent the departments or units of eligible employees.

(5) Employees who indicate they plan to apply for the leave are not eligible to serve on the committee.

(6) A committee chairperson shall be elected by and from the college sabbatical committee.

(7) The college committee shall review sabbatical applications and shall submit a ranked list of recommended employees to the dean or dean's representative.

(8) In ranking the applicants, committee members shall consider the merits of the proposal and the benefits of the proposed program to the employee, the University, the college and the profession; and the length of service since previous sabbatical. Committee members shall not disadvantage an applicant due to his/her academic discipline.

(9) Absent a legitimate business reason other than staffing or fiscal considerations, the dean or dean's representative shall make sabbatical appointments from the list and consult with the committee prior to an appointment that does not follow the committee's list. In the event that the dean or dean's representative decides not to make a sabbatical appointment to an employee on the list, he or she shall consult with the affected employee. If staffing or fiscal considerations preclude a sabbatical from being granted, the employee shall be provided the sabbatical the following year, or at a later time as agreed to by the employee and the college. The period of postponement shall be credited for eligibility for a subsequent sabbatical.

(10) In the event of an exceptional opportunity for an employee to participate in a prestigious academic award/activity for which deadlines prevent application during the normal application process, the dean may award a sabbatical outside of the above defined process. All employee eligibility requirements must be met and all sabbatical terms defined below apply.

(f) Terms of Sabbatical Program.

(1) The employee must return to the University for at least one (1) academic year following participation in the program. If the employee fails to return to the University for at least two consecutive semesters (excluding summer) following participation in the program, or makes little to no effort to complete the project described in the application, all salary and fringe benefits received during his/her participation in the program must be repaid to the University within 30 days of resignation or job abandonment.

(2) Within thirty (30) days after the beginning of the spring semester (for a fall-only sabbatical) or when annual reports are due (for a spring-only or fall/spring sabbatical), the employee must provide a brief written report to the college dean's office and his or her department or unit that relates accomplishments during the sabbatical to the proposal submitted for that leave.

(3) Annual evaluations shall be conducted for employees who have been granted sabbaticals. The overall evaluation shall be weighted between time on and not on sabbatical.

(4) Employees shall be eligible for another sabbatical after six (6) years of continuous service at UCF are completed following the end date of the previous sabbatical.

(5) University contributions normally made to retirement and Social Security programs shall be continued during the sabbatical leave on a basis proportional to the salary received.

(6) University contributions normally made to employee insurance programs and any other employee benefit programs shall be continued during the sabbatical.

(7) Eligible employees shall continue to accrue annual and sick leave on a full-time basis during the sabbatical leave.

(8) While on leave, an employee shall be permitted to receive funds for travel and living expenses, and other sabbatical-related expenses, from sources other than the University, such as fellowships, grants-in-aid, and contracts and grants, to assist in accomplishing the purposes of the sabbatical. Receipt of funds for such purposes shall not result in reduction of the employee's University salary. Grants for such financial assistance from other sources may, but need not, be administered through the University. If financial assistance is received in the form of salary, the University salary may be reduced by the amount necessary to bring the total income of the sabbatical period to a level equal to the employee's current year salary rate. Employment unrelated to the purpose of the sabbatical leave is governed by the provisions of Article 19.

22.2 Professional Development Leave.

(a) Policy. (b) Types of Professional Development Leave. Each year, the University will make available at least one (1) professional development leave either at full pay for one (1) semester or term or at three-fourths pay for one (1) academic year, for each thirty (30) employees who are not tenured or tenure-earning, subject to the conditions set forth below.

(c) Eligibility for Professional Development Leave.

(1) Employees with six (6) or more years of full-time, continuous service with UCF shall be eligible for professional development leaves, except those employees who are serving in tenure-earning or tenured positions.

(2) No paid or unpaid family and medical, parental, administrative, military, or other authorized leave(s) will be considered a break in continuous employment.

(3) An employee who is compensated through a contract or grant may receive a professional development leave only if the contract or grant allows for such leaves and the employee meets all other eligibility requirements.

(1) Application for professional development leave shall contain an appropriate outline of the project or work to be accomplished during the leave.

(2) Each application shall include a two-page statement describing the program and activities to be followed while on professional development leave; the expected increase in value of the employee to the University and unit; specific results anticipated from the leave; any anticipated supplementary income; and a statement that the applicant agrees to comply with the conditions of the professional development leave program as described in Section 22.2(e).

(3) The employee's immediate supervisor and his or her dean, director, or unit head shall be given a copy of the application when it is submitted for review by the University Professional Development Leaves committee.

(5) Employees who indicate they plan to apply for the leave are not eligible to serve on the committee.

(6) A committee chairperson shall be elected by and from the University Professional Development Leaves committee.

(7) The University committee shall review professional development leave applications and shall submit a ranked list of recommended employees to the president or president's representative.

(8) In ranking the applicants, committee members shall consider the merits of the proposal; the benefits of the proposed program to the employee, the University, the college/unit, and the job function of which the employee is a part; and length of service since previous professional development leave. Committee members shall not disadvantage an applicant due to the academic discipline, function, or profession of the applicant.

(9) Absent a legitimate business reason other than staffing or fiscal considerations, the president or president's representative shall make professional development leave appointments from the list and consult with the committee prior to an appointment that does not follow the committee's list. In the event that the president or president's representative decides not to make a sabbatical appointment to an employee on the list, he or she shall consult with the affected employee.

(10) No more than one (1) employee for each fifteen (15) employees in each department or unit need be granted professional development leave for the same semester.

(11) Leaves shall be granted contingent upon the availability of staff and unit funds. If staffing or fiscal considerations preclude a professional development leave from being granted, the employee shall be provided the professional development leave the following year, or at a later time as agreed to by the employee and the college/unit. The period of postponement shall be credited for eligibility for a subsequent professional development leave.

(e) Terms of Professional Development Leave.

(1) The employee must return to University employment for at least one (1) academic year following the conclusion of such leave.

(2) An employee who fails to return to the University for at least one year following professional development leave must return all salary and fringe benefits received during his/her professional development leave to the University within 30 days of resignation or job abandonment.

(3) An employee who fails to spend the time as stated in the application shall reimburse the University for all salary and fringe benefits received during such leave within 30 days following the scheduled completion of the leave.

(5) Annual evaluations shall be conducted for employees who have been granted professional development leaves. Evaluation of the professional development leave shall be based not on the unit Annual Evaluation Standards & Procedures, rather on accomplishments made in light of the professional development leave proposal and ensuing circumstances. The overall evaluation shall be weighted between time on and not on professional development leave.

(6) Employees shall be eligible for another professional development leave after six (6) years of continuous service at UCF are completed following the end date of the previous professional development leave.

(7) University contributions normally made to retirement and Social Security programs shall be continued during the professional development leave on a basis proportional to the salary received.

(8) University contributions normally made to employee insurance programs and any other employee benefit programs shall be continued during the professional development leave.

(9) Eligible employees shall continue to accrue annual and sick leave on a full-time basis during the professional development leave.

(10) While on leave, an employee shall be permitted to receive funds for travel and living expenses, and other professional development leave-related expenses, from sources other than the University, such as fellowships, grants-in-aid, and contracts and grants, to assist in accomplishing the purposes of the professional development leave. Receipt of funds for such purposes shall not result in reduction of the employee's University salary. Grants for such financial assistance from other sources may, but need not, be administered through the University. If financial assistance is received in the form of salary, the University salary may be reduced by the amount necessary to bring the total income of the professional development leave period to a level comparable to the employee's current year salary rate. Employment unrelated to the purpose of the professional development leave is governed by the provisions of Article 19.

22.4 Retraining. The University may, at its discretion, provide opportunities for retraining of employees when it is in the University's best interests. Such opportunities may be provided to employees who are reassigned or laid off, or in other appropriate circumstances. Examples of such groups include student organizations, honor societies, fraternities, sororities, alumni associations, faculty committees, and direct support organizations.

3.2 Communications.

(a) UFF may post bulletins and notices relevant to its position as the collective bargaining agent on a reasonable number of existing bulletin boards but on at least one bulletin board per building where a substantial number of employees have offices. Specific locations shall be mutually selected by the University and the local UFF Chapter in the course of consultation pursuant to Article 2, Consultation. All materials placed on the designated bulletin boards shall bear the date of posting and may be removed by the University after having been posted for a period of thirty (30) days. In addition, such bulletin boards may not be used for election campaigns for public office or exclusive collective bargaining representation.

(b) The University will place a link to the UFF web site in an appropriate place on the University web site, as determined by the University.

3.3 Leave of Absence -- Union Activity.

(a) At the written request of the UFF, provided no later than May 1 of the year prior to the beginning of the academic year when such leave is to become effective, a full-time or part-time unpaid leave of absence for the academic year shall be granted to up to two (2) employees designated by the UFF for the purpose of carrying out UFF's obligations in representing employees and administering this Agreement, including lobbying and other political representation. Such leave may also be granted to one (1) employee for the entire summer term, upon written request by the UFF provided no later than March 15 of the preceding academic year. Upon the failure of the UFF to provide the University with a list of designees by the specified deadlines, the University may refuse to honor any of the requests which were submitted late.

(b) No more than two (2) employees from any college/unit, nor more than one employee per fifteen (15) employees per department/unit, need be granted such leave at any one time.

(c) The UFF shall reimburse the University for the employee's salary, fringe benefits, and retirement.

(d) Employees on full-time leave under this paragraph shall be eligible to receive salary increases in accordance with the provisions of Article 17. Employees on less than full-time leave under this paragraph shall be eligible to receive salary increases on the same basis as other employees.

(e) An employee who has been granted leave under this Article for two (2) consecutive academic years shall not again be eligible for such leave until two (2) consecutive academic years have elapsed following the end of the leave. One (1) employee, designated by the UFF, shall be exempt from the provisions of this subsection. Other exceptions may be granted at the discretion of the University upon prior written request by the UFF.

(f) The University shall not be liable for the acts or omissions of said employees during the leave and the UFF shall hold the University harmless for any such acts or omissions, including the cost of defending against such claims.

(g) An employee on such leave shall not be evaluated for this activity nor shall such activity be considered by the University in making personnel decisions.

3.4 Released Time.

(a) The University agrees to provide released time each calendar year to full-time employees designated by the UFF for the purpose of carrying out the UFF's obligations in collective bargaining negotiations, representing

employees and administering this Agreement. The Parties will take coordinated action to facilitate an adequate and mutually convenient bargaining schedule. A maximum of three units of released time shall be granted for summer 2014, and four units of released time for fall 2014. The UFF may designate employees to receive released time during the year subject to the following conditions:

(1) A maximum of three (3) released time units per semester shall be granted to employees in any one (1) college.

(2) The UFF shall provide the University with a list of designees for the academic year no later than May 1 of the preceding academic year. Substitutions for the spring semester shall be made upon written notification submitted by the UFF to the University no later than November 1.

(3) Released time shall not become part of the status quo.

(b) (1) Each "unit" of released time shall consist of a reduction in teaching load of one (1) course per fall or spring semester for instructional employees or, for non-teaching employees, a reduction in workload of ten (10) hours per week, which shall include a 25% reduction in assigned duties. One unit of released time may be used during the summer term at a rate of 12.5% of the employee's nine-month salary and shall be considered the equivalent of one summer term course's FTE for instructional employees. For non-teaching twelve-month employees, one unit of summer released time shall include a reduction in workload of ten (10) hours per week, which shall include a 25% reduction in assigned duties.

(c) Released time shall be used for conducting UFF business, at the University or state level, and shall not be used for lobbying or other political representation.

(d) Employees who are on leave of any kind shall not be eligible to receive released time.

(e) Upon the failure of the UFF to provide a list of designees by the specified deadlines, the University may refuse to honor any of the released time requests which were submitted late. Substitutions submitted after the November 1 deadline shall be allowed at the discretion of the University.

(f) An employee who has been granted released time for either or both semesters during four (4) consecutive academic years shall not again be eligible for released time until two (2) academic years have elapsed following the end of the fourth academic year in which such released time was granted.

As an exception to this limitation, three (3) employees designated by the UFF shall be eligible for released time for responsibilities at the UFF state level for one (1) additional year. These employees shall not again be eligible for released time until two (2) academic years have elapsed following the end of the fifth academic year of released time. These employees shall be identified by the UFF no later than May 1 of the preceding academic year; substitutions may be approved by the University at its discretion.

(g) Employees on released time shall be eligible for salary increases on the same basis as other employees. Their released time activities shall not be evaluated and the University shall not use such activity against the employee in making personnel decisions.

(h) Employees on released time shall retain all rights and responsibilities as employees but shall not be considered representatives of the University for any activities undertaken on behalf of the UFF. The UFF agrees to hold the University harmless for any claims arising from such activities, including the cost of defending against such claims.

23.4 Across-the Board Salary Increases. Effective January 17, 2014, each eligible employee shall receive a two percent (2%) increase to the employee's base salary. An employee shall be eligible if the employee's most recent annual evaluation, if provided, was *Satisfactory* or above; the employee was in an employment relationship with the University prior to July 1, 2013; and the employee remains in an employment relationship at the date of implementation. Employees employed in 2012 and not evaluated shall be provided with an evaluation for that period and shall be eligible for the increase.

23.5 Incentive Award Programs. Incentive Award Programs shall be implemented as set forth in Paragraphs

(a) through (c) below, to recognize and promote faculty excellence and productivity that respond to and support the mission of the University of Central Florida. The president shall give the final approval for awards to the successful faculty. Regardless of the contract length (9 months through 12 months), award recipients shall receive a \$5,000 increase to their base salary retroactive to the start of the employment agreement for the academic year in which the award was given. These awards shall be made according to existing criteria and procedures.

(a) UCF-Teaching Incentive Program. The UCF-Teaching Incentive Program (“UCF-TIP”) rewards teaching productivity and excellence. Each academic year the University shall award up to forty (40) new UCF-TIP awards (additional awards may be given as a result of rounding, e.g. a college allocated 5.5 awards would round up to 6 awards) in addition to recycled awards.

(b) UCF-Research Incentive Award program. The UCF-Research Incentive Award (“UCF-RIA”) program recognizes outstanding research, scholarly, or creative activity that advances the body of knowledge in a particular field. Each academic year the University shall award up to twenty (20) new UCF-RIA awards (additional awards may be given as a result of rounding, e.g. a college allocated 5.5 awards would round up to 6 awards) in addition to recycled awards.

(c) Scholarship of Teaching and Learning Program. The Scholarship of Teaching and Learning (SoTL) program recognizes success in research related to the scholarship of teaching and learning. Each academic year the University shall award up to ten (10) new SoTL awards in addition to recycled awards.

(2) Each academic year, the University shall award up to eight (8) Trustee Chair Professorships.

(3) These awards shall be made according to existing criteria and procedures.

(b) Pegasus Professor. The Pegasus Professor award recognizes excellence in the three primary areas of academic endeavor: teaching, research and service.

(3) These awards shall be made according to existing criteria and procedures.

23.7 Salary Increases for Employees Funded by Contracts and Grants.

(a) Employees on contracts or grants shall receive salary increases equivalent to similar employees on Education and General funding, provided that such salary increases are permitted by the terms of the contract or grant and adequate funds are available for this purpose in the contract or grant. In the event such salary increases are not permitted by the terms of the contract or grant, or in the event adequate funds are not provided, the president or president's representative shall seek to have the contract or grant modified to permit or fund such increases.

(b) Nothing contained herein shall prevent employees whose salaries are funded by grant agencies from being allotted raises higher than those provided in this Agreement if such increases are provided by the granting agency.

23.8 Administrative Discretion Increases. On May 8, 2014, through December 23, 2014, the University may provide Administrative Discretion Increases up to three quarters of one percent (0.75%) of the total salary rate of education and general (E&G) employees who were in an employment relationship with the University on the 6th of May, 2013. Any Administrative Discretion Increase provided to contract and grant (C&G) employees, any court-ordered or court-approved salary increase, any prevailing wage adjustment for the purpose of qualifying for immigration status, or any salary increase to settle a legitimate, broad-based employment dispute shall not be subject to the terms and limitations of this Section.

(a) The University may provide Administrative Discretion Increases for verified written offers of employment, special achievements, compression and inversion, equity and market equity considerations, and similar special situations, to employees in the bargaining unit.

(b) UFF Notification. At least 14 days prior to the effective date of any such increase, the University shall provide to the UFF a written notification of the increase which states the name of the employee, the rank and discipline of the employee, the amount of the increase, and the reason for the increase.

(c) The University's ability to provide Administrative Discretion Increases shall expire on December 23, 2014, and shall not become part of the status quo.

23.9 Report to Employees. All employees shall receive notice of their salary increases prior to implementation.

23.10 Type of Payment for Assigned Duties.

(a) Duties and responsibilities assigned by the University to an employee that do not exceed the available established FTE for the position shall be compensated through the payment of salary, not Other Personal Services (OPS) wages.

(b) Duties and responsibilities assigned by the University to an employee that are in addition to the available established FTE for the position shall be compensated through OPS wages, not salary.

23.11 Twelve-Month Payment Option. The parties agree that a twelve-month payment option for 9-month employees shall be offered. The plan shall allow for employees to select a fixed savings amount to be deducted from each of the nineteen (19) full bi-weekly paychecks received during the Fall and Spring semesters with a change in that amount to account for those paychecks from which double premiums are deducted. The total savings shall be returned to the employee in equal amounts for the five (5) full bi-weekly paychecks received during the Summer semester. The University shall provide an online calculator and assistance as reasonable, taking into account time and resources, to assist the employee in determining a savings amount and fixed reduction amount that will allow the employee's net paychecks to remain approximately level across the 24 pay periods. Pay received for supplemental summer assignments shall be unaffected by this plan. This pay plan is subject to tax limitations.

23.12 Administrative Salary Stipends. A temporary salary increase which is provided to an employee as compensation for performing a specific, titled administrative function shall be permitted under this agreement as an Administrative Salary Stipend. At least 14 days prior to the effective date of any Administrative Salary Stipend, the University shall provide UFF a written notification of the stipend which states the name of the employee, the rank and discipline of the employee, the amount of the stipend, and the reason for the stipend. If all or part of the stipend is later added to the employee's base salary, the amount so converted shall be treated as an Administrative Discretion Increase during the year in which the conversion takes place and shall be subject to Section 23.8.

23.13 Salary Rate Calculation and Payment. The biweekly salary rate of employees serving on twelve (12) month (calendar year) appointments shall be calculated by dividing the calendar year salary rate by 26.1 pay periods.

Dr. King,

The current emeritus policy (4-502.1) can be found in the university's policy library. Here is the link to the policy:

<http://policies.ucf.edu/documents/4-502.1FacultyEmeritusStatus.pdf>

However, changes to this policy will be going forward to the policy committee for approval at the November meeting. I am attaching the updated draft policy. Draft policy 4-502.2 is a compilation of changes requested by the president, the faculty senate, and the Faculty Excellence office.

As background, draft policy 4-502.2 went to the policy committee for approval at the beginning of the summer. The Faculty Union exercised its right to bargain and required that the policy be discussed during the most recent bargaining sessions prior to going to the committee for approval. I just received an email this week that no changes were bargained and we can move forward with approval. I am attaching the draft policy that will be going to the policy committee for approval. I am also copying Dr. Koons who was involved with the edits to the policy so that he can provide additional background to you if needed.

While the faculty senate can always propose changes to the emeritus policy to the president, I encourage you to hold off considering additional changes until 4-502.2 is approved. Requesting additional edits will only delay the process and the current policy will remain in effect until a new policy is approved. Additionally, any new changes to the policy will require the policy to go through the two week comment period again and the union may again exercise their right to bargain.

If you have additional questions, please let me know.

Regards,

Rhonda

SUBJECT: Emeritus Status – DRAFT	Effective Date:	Policy Number: 4-502.2	
	Supersedes: 4-502.1	Page 1	Of 3
	Responsible Authority: President		

DATE OF INITIAL ADOPTION AND EFFECTIVE DATE 4/28/2005

APPLICABILITY/ACCOUNTABILITY

This policy applies to all UCF faculty members and vice presidents who wish to be considered for an emeritus status appropriate to their rank or position.

POLICY STATEMENT

The title Emeritus is provided to individuals who have achieved eminence and serves as an honor to the individual and to the university. Faculty and vice presidents who wish to be considered for emeritus status must:

- apply within five years of retiring from UCF;
- be fully retired and not within DROP or phased retirement;
- have been a permanent employee at UCF for a minimum of five years;
- have held the rank of professor or associate professor for five years immediately prior to retirement;
- have held the equivalent rank of professor or associate professor a minimum of five years if non-tenured;
- have been nominated by member(s) of her or his department or unit; and
- have an established record of distinguished performance in teaching, research, scholarship, or other professional achievement including contributions and service to UCF and the UCF community.

The president may grant (or deny) emeritus status on an exception basis and may rescind emeritus status at any time.

PROCEDURES

Nominations or applications are made to the head of the unit with which the candidate is affiliated. The candidate will provide to the unit head an application that contains the specific title sought by the applicant, a one page summary of accomplishments, current curriculum vitae and other evidence to support the major professional contributions and university activities while at UCF. The unit head will present the candidate's application to the tenure and tenure earning unit members, and a vote will be taken. The results of the vote and the candidate's application will be forwarded to the dean or equivalent administrator. The dean or equivalent administrator will provide a detailed letter including the support or lack of support for the candidate's application, the results of the vote, and supporting information regarding the appropriateness of the award to the chair of the Commencements, Convocations, and Recognitions Committee by February 1.

An advocate who is educated on the merits of the candidate will present the candidate's application to the committee. The Commencements, Convocations, and Recognitions Committee will consider the merits of each application as documented by the nominee, member vote, unit chair, and responsible administrator. Only faculty members on the committee may vote on applications for emeritus status.

The chair of the Commencements, Convocations, and Recognitions Committee will transmit the committee's recommendation to the provost or appropriate vice president, who, in turn, will make recommendations to the president. The president will determine the awarding of emeritus status, considering all the evidence assembled.

The chair of the Commencements, Convocations, and Recognitions Committee will inform the chair of the Faculty Senate or appropriate vice president of the president's recommendation. No award will be considered final and official until it is formally announced by the president. Candidates will be notified in writing of the decision to award or not award emeritus status by the chair of the Commencements, Convocations, and Recognitions Committee. Edwin,

Thank you for your message. I did talk to Ida recently, but it was a brief conversation. I am copying Stephen King on this message; he is the chair of the Faculty Senate Personnel Committee.

In regards to the 3% contribution, this has been in place for several years. I remember that that this was mostly driven from the state level and that the governor was a strong supporter. Honestly, I don't think there is much chance of this changing until after 2018. I don't know the full story behind this, but someone working in the benefits department (such as Paul Newman) should be able to help.

This is a bargained issue. If the benefits committee feels that a particular part of our benefits are lacking, then I would recommend bringing that opinion to the attention of the administration, Personnel Committee, and faculty and staff union leadership.

Best regards,
Keith

Dear Dr. Koons,

I hope this message finds you well. I'm Edwin Torres and I'm the Chair of the faculty and staff benefits committee for this academic year. It is my understanding that Ida Cook, a retired UCF faculty and also a member of our committee communicated with your recently. Our Committee met earlier this semester and discussed several of our benefit programs with regards to their strengths and weaknesses. One item brought forth during the meeting was the employee contribution (3%) under the optional retirement plan. To be honest, I'm not sure that there is much that we as a committee could do about this particular subject. However, from my conversation with Ida, I gathered that there might have been a discussion of this subject on the personnel committee. I am aware of a court case concerning this issue in which the courts ruled for the state. However, I did wanted to inquire if there were any efforts you were aware of to eliminate the employee contribution. Another issue that was brought forth in the committee was the potential for involvement of an OPS representative (at the time our committee constitution does not allow for that). During our meeting we also discuss the desire for improvement on our dental programs and other benefit options. As we continue these discussions I will , as stated in the committee's constitution, submit a more detailed report with the committees review and recommendations concerning various benefit offerings. In the meantime, I was wondering if you could provide some clarity on the issues of optional retirement benefit contribution and including OPS representation, so I can bring a concrete answer to the committee when we meet again towards the end of this semester.

Thank you,

Edwin N. Torres, Ph.D.

Draft Resolution 2016-2017 xx- Fair and equal enactment of the UCF Employment of Relatives Policy

Whereas, UCF has a broad interest in maintaining an open and transparent conflict of interest policy, including disclosing the employment of relatives, to ensure all stakeholder that the actions, policies, and decisions made by UCF faculty, staff, and administrators are in the best interests of the University; and

Whereas, research projects at UCF may require the unique skill sets or attributes of research personnel that may be related to the principal investigator of the project; and

Whereas, UCF has in place a conflict of interest policy that requires all relationships to family members to be reported as part of the annual conflict of interest assessment, and for mitigation plans to be set up and enacted when potential conflicts of interest are identified; therefore

Be It Resolved that the Faculty Senate endorses fair and equal enactment of the policies for identifying and mitigating potential conflicts of interest via the employment of relatives at UCF. In particular, employment of skilled researchers on a research project should not be singled out as the sole instance in which family members cannot utilize the mitigation procedures open to all other cases involving the employment of relatives. Therefore the second sentence of paragraph h in the Employment of Relatives Policy 3-008.2 should be removed from that policy.
