Faculty Senate Research Council -Duties and Responsibilities

a. To recommend policies as it deems necessary and appropriate with respect to research activities, facilities, personnel, and patents to the vice president for the Office of Research.

b. To consult with and advise the vice president for the Office of Research on the stimulation of and support for research activities, including policies for allocation of monies to be invested in UCF research endeavors.

c. To assist in the evaluation of research programs within the university and advise on new research centers and institutes and the evaluation of performance of existing centers and institutes.

d. To recommend policies that will foster a strong, mutually productive relationship between research centers and institutes and departments.

e. To speak for the faculty on governmental, industrial, and other private sector and foundation support of the research programs of the university.

f. To review the activities of the committees that deal with the use of human subjects or animals in research.

g. To review the activities of the committee that deals with copyrights and patents.

h. To review and make recommendations to the vice president for the Office of Research on internal research grants and awards.

i. To work with the vice president for the Office of Research in establishing guidelines for submissions and review of research proposals.

j. To recommend policies to promote the responsible conduct of research by UCF faculty, staff, and students.

k. To make recommendations to the Steering Committee of the Faculty Senate.
