**ANNOUNCEMENTS**

Cook announced that the candidates for Dean of Graduate Studies will be coming to campus for interviews, and an email was sent out with the dates and times of open forums with the candidates. Cook encouraged faculty to attend and participate. Tony Waldrop, Provost and Executive Vice President, stressed the importance of feedback from faculty.

Cook announced that a Graduate Student Center will be opening in Colburn Hall. One of the rooms will be named after Patricia Bishop, founding dean of the College of Graduate Studies.

**REPORT OF THE PROVOST**

Budget Update

The administration previously thought there would be a \$4 million shortfall due to low enrollment growth. In the final enrollment numbers from fall semester, student credit hours are flat (no growth), which is an additional \$4 million shortfall. Waldrop stated that he shared with the deans that it is not likely this can be fully absorbed by administrative cuts, and the academic units may be impacted. It is not anticipated that any programs would be closed. Valencia College is our biggest provider of transfer students. Their student credit hours were also flat this fall, indicating our growth may remain flat in the next few years.

Manoj Chopra added that the Board of Governors (BOG) is not asking for an increase in tuition, but for restoration of the \$300 million cut last year plus an additional \$118 million dollars to be spread across the state universities.

Graduate and Retention Rate Programs

Waldrop invited Paige Borden, Assistant Vice President for Institutional Knowledge Management, to address efforts at improving graduation and retention rates. Borden spoke about

the Civitas program, which will collect data and allow for the analysis of problems in retention efforts. Civitas is a very new company; we are in a beta project with them at no cost to us. Valencia is also a beta school, and they are focusing on student interventions that lead to a bachelor's programs. We are currently sending Civitas data to assist with modeling to successfully predict students at risk. There will be a committee of faculty and advisors to provide input into the program.

Joel Hartman, Vice Provost for Information Technologies & Resources, gave a brief overview of the Western Interstate Commission for Higher Education's PAR project, in which UCF has been invited to participate. This project also aims to improve graduation rates, increase retention rates, and reduce excess credit hours.

Waldrop noted that in the future, it is likely that money from the state will be tied to retention, graduation and excess credit hours.

Diane Chase, Executive Vice Provost for Academic Affairs, spoke about UCF's Access to Success project, which is looking at the key factors blocking student success. They are looking for patterns which will enable better interventions.

Discussion was held, questions entertained.

#### General Education Program Revision

Diane Chase reported that she is co-chair of the state-wide steering committee and chair of the SUS steering committee for the revision of the General Education Program. The SUS committee teleconferenced yesterday to set ground rules. The committee is meeting on September 20 to review nominations for the faculty committees that will determine which five courses will be selected for the GEP program. Chase will be calling on the five faculty nominated by UCF to work internally.

#### **OLD BUSINESS**

None.

#### **NEW BUSINESS**

The committee agreed to amend the agenda to hear the report on the Student Perception of Instruction (SPOI) as the next item.

#### Student Perception of Instruction

Chuck Dziuban, Director of the Research Initiative for Teaching Effectiveness, reported on the results of the fall 2011 pilot test of the proposed new SPOI form. Several handouts were distributed, including a copy of Dziuban's PowerPoint presentation.

Dziuban provided an overview of the changes to the SPOI form and briefly discussed his SPOI research. He presented data from the analysis of the proposed form. Some items had no impact and may be considered for removal. Discussion followed. Dziuban entertained questions. He suggested that there are issues related to linking mode of instruction delivery to questions on the SPOI, especially when new modes are introduced. After directly being asked, Dziuban suggested

eliminating modality-specific questions and finding a way to shorten the form to reduce user fatigue. He added that he could not find see any added value in having a different form for each mode of instruction. He also suggested creating a feedback loop so that students can see that their input has an impact.

Cook suggested this report be presented to the full Faculty Senate. Committee members agreed that senators will need time to digest the information and consult with their colleagues. Motion made to add Dziuban's SPOI presentation to the September Senate agenda. Faculty will have time to consult with colleagues and provide feedback, and the issue will go back to Senate in October for action. Motion seconded and carried.

## **COMMITTEE REPORTS**

### Budget and Administrative Committee – *Arlen Chase*

The committee met and elected Robert Dipboye as chair. The committee will be looking at the post-tenure review process, with the idea of putting rewards into the system so that people will want to go through the process. Other items include the focus on STEM and implications for non-STEM disciplines, moving to a six or seven day schedule to better utilize resources, and priorities in making budget cuts.

### Parking Advisory Committee

No report.

### Personnel Committee – *Rob Folger*

The committee elected Kathy Seidel as chair. They will be looking at changes to TIP and RIA. The committee is also interested in looking at post-tenure review, but will defer to the Budget and Administrative Committee at this point.

### Undergraduate Council – *Kelly Allred*

Kelly Allred and Lisa Mills were elected chair and vice chair of the council, respectively. Mills will serve as chair of UCRC and Allred will serve as chair of UPCC. The first meeting of the UPCC will be at noon on September 11.

### Graduate Council

No report.

## **NEW BUSINESS** (*continued*)

### Library Storage

Rich Gause, senator from the University Libraries, discussed issues associated with the robotic library retrieval system that will be built at the back of the library. Most books will be moved to the storage facility, but some will remain on the shelves to be browsed. Gause discussed the need for faculty engagement in the planning process, as different disciplines have different needs and the ability to browse the stacks is more important in some disciplines. Gause would like to inform the Senate of this issue and encourage participation. Motion made to add this issue to the agenda of the September Senate meeting. Motion seconded and carried.

### State of the University Address

Cook announced that she will be giving a brief talk during the upcoming State of the University address. She has been asked to talk about the faculty, and asked for suggestions of milestones to include.

#### Ad Hoc Committee to Discuss Range of Grades

The College of Medicine is proposing adopting a different grading scale for its classes. Cook provided a brief overview of the issue. Since this affects both the Graduate and Undergraduate Councils, Cook suggested that an ad hoc committee be formed with three members from the UPCC and three members from the Graduate Council. The committee voted to approve the creation of the ad hoc committee.

#### **OTHER BUSINESS**

Reid Oetjen, Vice Chair of the Faculty Senate, announced that there are two vacant seats for senators from any college to serve on the University Master Planning Committee. He asked that the Steering Committee members consult with the senators from their colleges to identify people for those seats.

#### **ADJOURNMENT**

The meeting adjourned at 5:57 p.m.

## **RESEARCH INCENTIVE AWARDS PROGRAM**

### **2012-2013 Procedures**

(Approved by the Faculty Senate Steering Committee, October **X**, 2012)

#### **I. Program Overview**

UCF Research Incentive Awards (RIA) are available to faculty in the College of Arts and Humanities, College of Business Administration, College of Education, College of Engineering and Computer Science, College of Health and Public Affairs, College of Optics and Photonics, College of Nursing, College of Sciences, Rosen College of Hospitality Management, and Institutes and Centers (I&C).

For 2012-2013, there are up to 20 new RIA awards available. If a Research Incentive Award recipient of a college, or institute or center leaves university employment, their award will remain within the college, or will revert to the vice president for research (I&C awards only) for "recycling." These recycled awards will become additional UCF Research Incentive Awards for the following academic year. The Office of Academic Affairs provides the funding for these awards. The specifics of the RIA program were developed through consultation between the Office of Academic Affairs and the Faculty Senate Steering Committee. Additional awards are also available at-large (as detailed later) for all faculty and research staff, including those not in a college, institute, or center.

#### **II. Funding and Allocation of Awards:**

Regardless of the contract length (9-months or 12-months), award recipients will receive a \$5,000 increase to their base salary retroactive to August 8, 2012, the start of the 2012-2013 contract. The actual dollar amount awarded for the academic year 2012-2013 will be based on 9-month or 12-month employment.

#### **III. Faculty Eligibility**

Nominations for the awards may be made by faculty, students, staff, alumni, or by self-nomination. The successful nominee must have an outstanding research, scholarly, or creative record that advances the body of knowledge in their field.

Nominees from the colleges must be full-time faculty holding tenured or tenure-earning positions. Nominees from the institutes and centers must be full-time employees in research staff positions who have served as principal investigators on contracts and grants awarded to UCF by an outside sponsor. The Research Council will serve as the peer review committee and will select the recommended I&C awardees. A committee consisting of one representative from each college committee and one representative from the Research Council will serve as the university peer review committee to select the recommended at-large awardees. Nominees for at-large awards will include the runner-ups submitted from each college committee and I&C.

The criteria for evaluating applicants' files will include the following major categories to be applied as is appropriate for the discipline:

2012-13 PROCEDURES**

(Approved by the Faculty Senate Steering Committee, October X, 2012)

The Office of Academic Affairs provides the funding for these awards and the specifics of the UCF- Teaching Incentive Program (TIP) program were developed through consultation between the Office of Academic Affairs and the Faculty Senate Steering Committee.

**I. Awards:**

Regardless of the contract length (9-months or 12-months), award recipients will receive a \$5,000 increase to their base salary retroactive to August 8, 2012, the start of the 2012-13 contract. The actual dollar amount awarded for the academic year 2012-13 will reflect the employee's FTE for the year.

**II. Eligibility Criteria:**

A faculty member will be considered "**eligible**" for an award if all the following criteria are met:

1. The faculty member must be on a full-time, 9- or 12-month tenured or tenure-track appointment with the rank of professor, associate professor, or assistant professor; or be a full-time 9- or 12-month employee who is appointed to a rank which is equivalent to professor, associate professor, or assistant professor; or be on a full-time appointment as an instructor or a lecturer; or be under a multi-year non tenure-track appointment. Faculty on visiting (or similar temporary) appointments and faculty on less than full-time appointments are not eligible for these awards.
2. The faculty member must have a substantial teaching commitment at the University through classroom instruction during the past four academic years (2008-2009, 2009-2010, 2010-2011, and 2011-2012).
3. No faculty member may be selected for a UCF-TIP more than once every five years. Specifically, any faculty member who received a UCF-TIP increase in previous years that became effective August 8, 2008, or later is not eligible for this year's UCF-TIP. Further any faculty member who received a UCF-TIP increase that was effective August 8, 2007 or earlier is eligible for this year's UCF-TIP.

### III. Productivity Criteria:

An eligible faculty member will be considered a “**candidate**” for the award if the following teaching productivity criteria are met:

1. Total Credit Hour Productivity (CHP) **or** total Graduate Hour Productivity (GHP) must be at or above the college or department (or school) or “**unit**” median for **eligible** faculty. A **unit** is defined as any degree granting academic unit not within an established college. CHP and GHP are defined as the sum of classroom, web and media-enhanced credit hours (SCH) generated for the last eight fall and spring semesters (for academic years 2008-2009, 2009-2010, 2010-2011, and 2011-2012).
2. For CHP, SCH is defined as the total student credit hours (**total = undergraduate plus graduate**) from the final end of semester assignment reports. For GHP, SCH is defined as the total student credit hours (**graduate only**) from the final end of semester assignment reports. In either case, SCH excludes student credit hours for individualized instruction such as independent studies, practicums, internships, supervised research, dissertations, and theses. SCH also excludes student credit hours for overload assignments.
3. The total number of candidates for the award in the college is equal to the number of candidates based on CHP criterion **plus** the number of candidates based on GHP criterion.

### IV. Allocation of Awards to the College:

1. The funding from the Office of Academic Affairs provides for new UCF-TIP awards. For year 2012-13, there are up to 40 new awards. These new awards will be allocated to the college in proportion to the total number of faculty candidates determined above (rounded to the nearest integer), and shall have a minimum of one award.
2. In any given academic year, if any former recipients of UCF-TIP awards leave their employment at UCF, the award(s) will remain within their respective colleges or units for “recycling” as **additional** UCF-TIP awards for the following academic year.
3. The number of new and “recycled” UCF-TIP awards will be communicated to the college and to the Faculty Senate Steering Committee as soon as these data become available.

### V. Faculty Senate Oversight Committee:

The Faculty Senate UCF-TIP Oversight Committee will review faculty appeals of their eligibility or of data relative to their productivity and make recommendations to the Provost. Further, this committee will also review the data on allocation of new awards to the college as well as the data on “recycled” awards. No appeals of Selection Committee’s recommendations will be considered.

### VI. Criteria for Awards and Process for Selection of Award Winners:

1. Establishment of selection criteria and selection of award winners from the list of candidates for award as determined above will be the responsibility of faculty in respective college.

2. There will be two college (or unit) level committees **elected annually**: the Selection Criteria and Procedures Committee and the Selection Committee. Both committees will be composed of **elected** faculty and will have **departmental representation**. Both committees, to the extent possible, will be composed of faculty who previously won state-funded TIP or UCF-TIP awards. In addition to the faculty members, the Selection Committee will have a student member selected in accordance with the document prepared by each of the Selection Criteria and Procedures Committee. This document prepared by each of the Selection Criteria and Procedures Committees will be subject to approval by the Provost. Further, these documents will be provided to the Faculty Senate Oversight Committee. Faculty candidates for the award are not eligible to serve on the Selection Committee.
3. Selection criteria shall include teaching quality and effectiveness, continuing commitment to instruction, consideration of class size (large versus small), and innovation and creativity in instruction. Candidates will be asked to prepare a portfolio containing teaching assignments, student evaluations, and other supporting documentation for the past **four** academic years (2008-2009, 2009-2010, 2010-2011, and 2011-2012).

The Selection Criteria and Procedures Committee shall specify the **maximum** permissible size of the faculty portfolio (for example, one 2-inch three-ring binder).

4. The Selection Committee will review faculty portfolios and recommend award recipients to the Provost. The President will give the final approval for awards to the successful faculty members.
