Topics for 2019 – 2020:

Ahmad solicited inputs from committee members for topics and issues for the committee to address during its 2019-2020 sessions. The following items/topics were reported:

1. Autonomous Shuttles - - will be launched in a year or so. This is a part of a larger and smart campus transportation project. The committee needs to discuss how it will create more efficient transportation environment. It was suggested that Dr. Mohamed Abdel-Aty be invited to speak to the committee at a future meeting about the project.

Action Item: Ahmad will send an invitation to Dr. Aty to attend a future committee meeting.

2. Gun Safety on Campus - - What are the university policies on guns on campus.

Action Item: Ahmad will send an invitation to Mr. Metzger to attend a future committee meeting.

3. Vaping Issues and Effect on Campus Health and Safety

4. Increased Number of Service Dogs on campus

5. Absence of Lime Bikes. Chief Metzger mentioned that an alternative Scooter provider will provide service on campus. The committee will address safety issues and related speeds limits.

6. Safety and lighting in parking Garages

7. In addition, the committee was assigned/reassigned the following topics from the Steering committee:

a. Golf Carts Speed Limits

b. Navigation/Directions on Campus.

Meeting adjourned at 12:08 pm.
