Expecting Mothers Reserved Parking Spots

1. Linda Walters from the UCF Center for Success of Women Faculty presented details on the proposal to reserve parking spots for expecting mothers.
2. The proposal put forward to the Parking and Transportation Advisory Committee includes an application form and numerous testimonials from women faculty supporting the idea.
3. Krishna Singh, representing the Administration, noted that the proposal was on course for a trial implementation in the Spring of 2015.
4. The committee decided to suspend further discussion on this topic till more information is available from the Spring trial.

Hangtag and Decal Price Equalization

1. Krishna Singh noted that the price of the hangtag had been reduced, and the difference between hangtag and decal prices was now 25% (down from 50% previously). As a consequence, an extra 1800 hangtags had been sold.
2. Krishna Singh promised to share detailed information on decal and hangtag sales for the recent academic year, for the committee to better understand the effect of hangtag price reduction.
