

Faculty Senate Steering Committee Meeting
Minutes of
September 9, 2010

Dr. Ida Cook, Faculty Senate Chair, called the Faculty Senate Steering Committee to order at 4:01 p.m. The roll was circulated for signatures. The minutes of August 12, 2010 were approved as recorded.

RECOGNITION OF GUESTS

Diane Chase, Executive Vice Provost for Academic Affairs
Melody Bowden, Director of the Faculty Center for Teaching and Learning
Elliot Vittes, Interim Vice Provost and Dean of Undergraduate Studies
Lin Huff-Corzine, Associate Vice Provost for Faculty Affairs
David Jenkins, Texas Christian University

ANNOUNCEMENTS

Provost's Update

Provost Waldrop announced that Diane Chase has been promoted to Executive Vice Provost for Academic Affairs. Provost Waldrop met with Coach O'Leary regarding the policy governing makeup assignments for student-athletes, and whether the forms should continue to be submitted by the student to the faculty member or if Athletics should contact the faculty member directly. Concerns regarding the possible change include: (1) whose signature is on the form; (2) communication must come from one valid source within the Athletics Department, rather than from multiple contacts; and (3) taking responsibility away from the students.

Green River Technology

Arlen Chase informed the committee that there are several organizations offering faculty royalties for their course materials, including Green River Technology. Often times, these organizations portray themselves as creating a book rather than a course. Faculty are given long-term contracts and in return, the organization will develop new online courses and charge students an extra fee. Many of these contracts preclude faculty from using the same course. The Budget and Administration committee will be reviewing this. It was suggested that a cautionary email be sent to all faculty.

University Rankings

Provost Waldrop announced that UCF has been recognized for our online offerings. In addition, U.S. News & World Report named us as one of the Top 100 Public Universities. Lastly, UCF was ranked third for Hispanics majoring in Engineering.

OLD BUSINESS

Constitutional Revisions

Dr. Cook has received notes from several senators about the Constitutional revisions, and asked that any questions/suggestions be sent to the Faculty Senate office so they can be distributed to the Senate.

Committee Updates

The Graduate Council and the Budget and Administrative Committee have met and elected officers. The Personnel Committee will be meeting tomorrow, and the Undergraduate Policy and Curriculum Committee will be meeting on September 14.

NEW BUSINESS

TIP, RIA, and SOTL Awards

The Faculty Senate Steering Committee approved the TIP, RIA, and SoTL awards. A correction was made to the TIP for the College of Medicine (COM) document. As presented, it stated that the production histories are sent to the chairs for review, but returned by the dean. This was revised to read that production histories are sent to the dean for review.

STANDING COMMITTEE REPORTS

Budget and Administrative Committee Update - Arlen Chase

Carla Poindexter was elected chair. The committee will be more active than in the past. As such Vanessa Fortier, Associate Vice President for Administration and Finance, will be coming to address the group. Green River (see above) and similar organizations were discussed.

Graduate Council – Stephen Goodman

The initial joint meeting was held. Jim Moharam was elected chair of Council and as such will serve as chair of the Graduate Policy Committee. Tosha Dupras was elected vice chair of the Council and will serve as chair of the Graduate Curriculum Committee. Kevin Coffee will chair the Graduate Appeals and Awards Committee and Paul Dombrowski will chair the Graduate Program Review Committee.

Graduate Appeals and Awards Committee – The committee met three times over the summer to review petitions. Sixteen (16) appeals were approved and five (5) were denied. The first meeting of the fall semester is scheduled for 9/16/2010.

Graduate Program Review Committee – The committee met twice over the summer. It continues to review nominations for reappointment to graduate faculty. A master's degree in conservation biology was approved by the committee and the Board of Trustees, and has been sent forward to the Board of Governors. The committee will meet 10/1/2010.

Graduate Curriculum Committee – The committee will meet on 9/29/2010.

Graduate Policy Committee – The committee will meet on 9/22/2010.

A more detailed accounting of Graduate Council activities can be found in the attached report.

Personnel Committee – Ida Cook (for Jeffrey Kaplan)

The committee will meet tomorrow to elect officers.

Undergraduate Policy and Curriculum Committee

The Undergraduate Policy and Curriculum Committee will be holding its joint meeting with the Undergraduate Curriculum Review Committee on September 14. Officers will be elected at that meeting.

OTHER BUSINESS

Citation Analyses

Rich Gause distributed a copy of Resolution 2004-2005-7 Citation Indices and a letter that accompanies citation analyses for faculty going up for promotion. The letter highlights the limitations of the Web of Science (ISI) citation analyses. A question has arisen about whether there is sufficient awareness about the variety of sources that can be utilized. It was suggested that the Personnel Committee examine whether the intent of the resolution is being fairly implemented across the units.

Board of Governors Update

The Board of Governors (BOG) is beginning to talk about how the budget process can be managed. They recognize that funds are limited and are offering suggestions as part of their managerial process of the SUS. Dr. Cook will keep the committee informed of any developments. The BOG has distributed information to the SUS Trustees to reacquaint them with their role in their university.

University Parking Committee

The administration had previously agreed to have two faculty members from the Senate serve on the University Parking and Transportation Advisory Committee; however, the Faculty Senate office recently received communication stating that the committee does not want to be in the Constitution. Dr. Cook believes that this may be due to miscommunication, and will be meeting with the relevant administrators to discuss the issue.

Admissions and Standards Committee

The undergraduate Admissions and Standards Committee is constituted of faculty and administrators who are experienced with undergraduate issues. Dr. Cook received a query about having this committee also handle appeals for (re)admission at the graduate level. Those appeals are currently handled by a committee of the Graduate Council, which will be discussing the issue. At this point, it has not come forth as a formal proposal.

Agenda for September Senate meeting

There was a discussion of whether or not to have Vice President Al Harms address the Senate regarding UCF's strategic plan. It was decided that VP Harms should be invited to the October Steering Committee meeting to allow time for the committee to provide feedback.

The Faculty Senate will be discussing Constitutional revisions and rooms have been reserved for subsequent Thursdays if the meeting needs to be recessed. A reminder was issued that if the meeting is recessed, we do not need to call roll or quorum when the meeting reconvenes; if quorum is called and not met, we cannot conduct business until the next meeting.

ADJOURNMENT

The meeting adjourned at 5:07 p.m.

Faculty Senate Steering Committee: 9/9/2010 meeting
Report on Graduate Council Activities
Stephen Goodman, Steering Committee Liaison to the Graduate Council

The leadership of the Graduate Council and its four subcommittees has been established, and is as follows:

Graduate Council Chair: Jim Moharam
Graduate Council Vice Chair: Tosha Dupras
Graduate Policy Committee Chair: Jim Moharam
Graduate Curriculum Committee Chair: Tosha Dupras
Graduate Program Review Committee Chair: Paul Dombrowski
Graduate Appeals and Awards Committee Chair: Kevin Coffey

The Graduate Appeals and Awards Committee had three meetings since the last report to the Steering Committee. The committee considered 21 petitions on a variety of topics (ranging from waiving time limit rules, transferring excess credits into programs, course substitutions, reversion to earlier catalogs, and waiving the minimum 6XXX hour requirements). 16 of these petitions were approved and 5 were denied. The committee has scheduled its first Fall 2010 meeting on 9/16/2010, at which petitions received between the end of Summer 2010 and the beginning of Fall 2010 will be considered. The submission deadline for items to appear on the agenda for that meeting was September 8, 2010.

The Graduate Program Review Committee had two meetings since the last report to the Steering Committee. The committee continued its review of nominations for reappointment of the graduate faculty. Faculty from Physics, Accounting, Math, and Nursing were considered in these rounds of review. The committee approved a proposal for a new program (Professional Science Masters degree in Conservation Biology). This proposal has been moved forward to the BOG. The committee approved proposed revisions to five COE Master of Arts for Teaching (MAT) programs. The committee has scheduled its first Fall 2010 meeting on October 1, 2010.

The Graduate Curriculum Committee has not met since the last report to the Steering Committee. The committee has scheduled its first Fall 2010 meeting on September 29, 2010. At that meeting the committee will engage in its routine consideration of a variety of Course Action Requests and Special Topics Requests. The submission deadline for items to appear on the agenda for that meeting is September 15, 2010.

The Graduate Policy Committee has not met since the last report to the Steering Committee. The committee has not yet established its meeting schedule for the Fall 2010 semester.

COLLEGE OF MEDICINE

UNIVERSITY OF CENTRAL FLORIDA TEACHING INCENTIVE PROGRAM 2010-11 PROCEDURES

(Approved by the Faculty Senate Steering Committee, **date**)

The University of Central Florida Teaching Incentive Program was established as a new initiative in 2000-2001. The Office of Academic Affairs provides the funding for the new awards and the specifics of the TIP program were developed through consultation between the Office of Academic Affairs and the Faculty Senate Steering Committee.

I. Awards:

Regardless of the contract length (9-months or 12-months), award recipients will receive a \$5,000 increase to their base salary retroactive to August 8, 2010, the start of the 2010-11 contract.

II. Eligibility Criteria:

A faculty member will be considered “**eligible**” for an award if all the following criteria are met:

1. The faculty member must be on a full-time, 9- or 12-month tenured or tenure-track appointment with the rank of professor, associate professor, or assistant professor; or be a full-time 9- or 12-month employee who is appointed to a rank which is equivalent to professor, associate professor, or assistant professor; or be on a full-time appointment as an instructor or a lecturer; or be on a multi-year non tenure-track appointment. Faculty on visiting (or similar temporary) appointments and faculty on less than full-time appointments are not eligible for these awards.

2. The faculty member must have a substantial teaching commitment at the University through classroom instruction during the **past four** academic years (2006-2007, 2007-2008, 2008-2009, and 2009-2010).

3. No faculty member may be selected for a TIP more than once **every five** years. Specifically, any faculty member who received a TIP increase in previous years that became effective August 8, 2006, or later is not eligible for a TIP this year. Further, any faculty member who received a TIP increase that was effective August 8, 2005, or earlier is eligible for a TIP this year.

III. Productivity Criteria:

An eligible faculty member will be considered a “**candidate**” for the award if the following teaching productivity criteria are met:

1. Total Credit Hour Productivity (CHP) **or** total Graduate Hour Productivity (GHP) must be at or above the college, school, department, or unit median for **eligible** faculty. A **unit** is defined as any degree granting academic unit not within an established college. CHP and GHP are defined as the sum of classroom, web and media-enhanced credit hours (SCH) generated for the last eight fall and spring semesters (for academic years 2006-2007, 2007-2008, 2008-2009, and 2009-2010).

2. For CHP, SCH is defined as the total student credit hours (**total = undergraduate plus graduate**) from the final end of semester assignment reports. For GHP, SCH is defined as the total student credit hours (**graduate only**) from the final end of semester assignment reports. In either case, SCH excludes student credit hours for individualized instruction such as independent studies, practicums, internships, supervised research, dissertations, and theses. SCH also excludes student credit hours for overload assignments.

3. The total number of candidates for the award in the college is equal to the number of candidates based on CHP criterion **plus** the number of candidates based on GHP criterion.

IV. Allocation of Awards to the College:

1. The funding from the Office of Academic Affairs provides for new TIP awards. For year 2010-11, there will be a minimum of 1 award for the college. These new awards will be allocated to the college in proportion to the total number of faculty candidates determined above (rounded to the nearest integer).

2. In any given academic year, if any former recipients of TIP awards leave their employment at UCF, the award(s) will remain within their respective colleges or units for “recycling” as **additional** TIP awards for the following academic year.

3. The number of new and “recycled” TIP awards will be communicated to the college and to the Faculty Senate Steering Committee as soon as these data become available.

V. Faculty Senate Oversight Committee:

The Faculty Senate TIP Oversight Committee, the Faculty Senate Steering Committee, will review faculty appeals of their eligibility or of data relative to their productivity and make recommendations to the Provost’s representative. Further, this committee will also review the data on allocation of new awards to the college as well as the data on “recycled” awards. No appeals of Selection Committee’s recommendations will be considered.

VI. Criteria for Awards and Process for Selection of Award Winners:

1. Establishment of selection criteria and selection of award winners from the list of candidates for award as determined above will be the responsibility of faculty in the college.

2. The College of Medicine TIP selection committee will include six members, one nominated by the Dean, four most recent TIP award winners in the College of Medicine and a student member selected in accordance with the criteria developed by the Criteria and Procedures Committee. The TIP Selection Committee and Criteria and Procedures Committee will include the same committee members except participation by a student member in the Selection Committee.

The documents prepared by the Selection Criteria and Procedures Committees will be subject to approval by the Provost's representative. Further, these documents will be provided to the Faculty Senate Oversight Committee. Faculty candidates for the award are not eligible to serve on the Selection Committee.

3. Selection criteria shall include teaching quality and effectiveness, continuing commitment to instruction, consideration of class size (large versus small), and innovation and creativity in instruction. Candidates will be asked to prepare a portfolio containing teaching assignments, student evaluations, and other supporting documentation for the past **four** academic years (2006-2007, 2007-2008, 2008-2009, and 2009-2010).

The Selection Criteria and Procedures Committee shall specify the **maximum** permissible size of the faculty portfolio (for example, one 2-inch three-ring binder or a 6-page written document).

4. The Selection Committee will review faculty portfolios and recommend award recipients to the Provost. The President will give the final approval for awards to the successful faculty members.

UNIVERSITY OF CENTRAL FLORIDA
UCF-TEACHING INCENTIVE PROGRAM (UCF-TIP)
2010-11 PROCEDURES

(Approved by the Faculty Senate Steering Committee, **date**)

The University of Central Florida Teaching Incentive Program (UCF-TIP) was established as a new initiative in 2000-2001 and is designed as a successor to the Teaching Incentive Program (TIP) funded by the Florida Legislature in previous years. The Office of Academic Affairs provides the funding for these awards and the specifics of the UCF-TIP program were developed through consultation between the Office of Academic Affairs and the Faculty Senate Steering Committee.

I. Awards:

Regardless of the contract length (9-months or 12-months), award recipients will receive a \$5,000 increase to their base salary retroactive to August 8, 2010, the start of the 2010-11 contract. The actual dollar amount awarded for the academic year 2010-11 will reflect the employee's FTE for the year.

II. Eligibility Criteria:

A faculty member will be considered "**eligible**" for an award if all the following criteria are met:

1. The faculty member must be on a full-time, 9- or 12-month tenured or tenure-track appointment with the rank of professor, associate professor, or assistant professor; or be a full-time 9- or 12-month employee who is appointed to a rank which is equivalent to professor, associate professor, or assistant professor; or be on a full-time appointment as an instructor or a lecturer; or be under a multi-year non tenure-track appointment. Faculty on visiting (or similar temporary) appointments and faculty on less than full-time appointments are not eligible for these awards.

2. The faculty member must have a substantial teaching commitment at the University through classroom instruction during the **past four** academic years (2006-2007, 2007-2008, 2008-2009, and 2009-2010).

3. No faculty member may be selected for a UCF-TIP more than once **every five** years. Specifically, any faculty member who received a UCF-TIP increase in previous years that became effective August 8, 2006, or later is not eligible for this year's UCF-TIP. Further any

faculty member who received a UCF-TIP increase that was effective August 8, 2005 or earlier is eligible for this year's UCF-TIP.

III. Productivity Criteria:

An eligible faculty member will be considered a “**candidate**” for the award if the following teaching productivity criteria are met:

1. Total Credit Hour Productivity (CHP) **or** total Graduate Hour Productivity (GHP) must be at or above the college or department (or school) or “**unit**” median for **eligible** faculty. A **unit** is defined as any degree granting academic unit not within an established college. CHP and GHP are defined as the sum of classroom, web and media-enhanced credit hours (SCH) generated for the last eight fall and spring semesters (for academic years 2006-2007, 2007-2008, 2008-2009, and 2009-2010).

2. For CHP, SCH is defined as the total student credit hours (**total = undergraduate plus graduate**) from the final end of semester assignment reports. For GHP, SCH is defined as the total student credit hours (**graduate only**) from the final end of semester assignment reports. In either case, SCH excludes student credit hours for individualized instruction such as independent studies, practicums, internships, supervised research, dissertations, and theses. SCH also excludes student credit hours for overload assignments.

3. The total number of candidates for the award in the college is equal to the number of candidates based on CHP criterion **plus** the number of candidates based on GHP criterion.

IV. Allocation of Awards to the College:

1. The funding from the Office of Academic Affairs provides for new UCF-TIP awards. For year 2010-11, there are 40 new awards. These new awards will be allocated to the college in proportion to the total number of faculty candidates determined above (rounded to the nearest integer), and shall have a minimum of one award.

2. In any given academic year, if any former recipients of UCF-TIP awards leave their employment at UCF, the award(s) will remain within their respective colleges or units for “recycling” as **additional** UCF-TIP awards for the following academic year.

3. The number of new and “recycled” UCF-TIP awards will be communicated to the college and to the Faculty Senate Steering Committee as soon as these data become available.

V. Faculty Senate Oversight Committee:

The Faculty Senate UCF-TIP Oversight Committee will review faculty appeals of their eligibility or of data relative to their productivity and make recommendations to the Provost. Further, this committee will also review the data on allocation of new awards to the college as well as the data on “recycled” awards. No appeals of Selection Committee's recommendations will be considered.

VI. Criteria for Awards and Process for Selection of Award Winners:

1. Establishment of selection criteria and selection of award winners from the list of candidates for award as determined above will be the responsibility of faculty in respective college.

2. There will be two college (or unit) level committees **elected annually**: the Selection Criteria and Procedures Committee and the Selection Committee. Both committees will be composed of **elected** faculty and will have **departmental representation**. For “units,” as defined above, these committees will have no less than three and no more than five members. Both committees, to the extent possible, will be composed of faculty who previously won state-funded TIP or UCF-TIP awards. In addition to the faculty members, the Selection Committee will have a student member selected in accordance with the document prepared by each of the Selection Criteria and Procedures Committee. This document prepared by each of the Selection Criteria and Procedures Committees will be subject to approval by the Provost. Further, these documents will be provided to the Faculty Senate Oversight Committee. Faculty candidates for the award are not eligible to serve on the Selection Committee.

3. Selection criteria shall include teaching quality and effectiveness, continuing commitment to instruction, consideration of class size (large versus small), and innovation and creativity in instruction. Candidates will be asked to prepare a portfolio containing teaching assignments, student evaluations, and other supporting documentation for the past **four** academic years (2006-2007, 2007-2008, 2008-2009, and 2009-2010).

The Selection Criteria and Procedures Committee shall specify the **maximum** permissible size of the faculty portfolio (for example, one 2-inch three-ring binder).

4. The Selection Committee will review faculty portfolios and recommend award recipients to the Provost. The President will give the final approval for awards to the successful faculty members.

RESEARCH INCENTIVE AWARDS PROGRAM*
2010-11 PROCEDURES
(Approved by the Faculty Senate Steering Committee, date)

I. Program Overview

UCF Research Incentive Awards (RIA) are available to faculty in the College of Arts and Humanities, College of Business Administration, College of Education, College of Engineering and Computer Science, College of Health and Public Affairs, College of Optics and Photonics, College of Nursing, College of Sciences, Rosen College of Hospitality Management, and Institutes and Centers (I&C). Additional awards are also available at-large (as detailed later) for all faculty and research staff, including those not in a college, institute, or center. For 2010-11, there are 20 new RIA awards available. If any recipient of a college or I&C Research Incentive Award leaves University employment, that award will remain within the college or will revert to the Vice President for Research (I&C awards) for "recycling" as additional UCF Research Incentive Awards for the following academic year. The Office of Academic Affairs provides the funding for these awards and the specifics of the RIA program were developed through consultation between the Office of Academic Affairs and the Faculty Senate Steering Committee.

II. Funding and Allocation of Awards:

Regardless of the contract length (9-months or 12-months), award recipients will receive a \$5,000 increase to their base salary retroactive to August 8, 2010, the start of the 2010-11 contract. The actual dollar amount awarded for the academic year 2010-11 will reflect the employee's FTE for the year.

III. Faculty Eligibility

Nominations for the awards may be made by faculty, students, staff, alumni, or by self-nomination. The successful nominee must have an outstanding research, scholarly, or creative record that advances the body of knowledge in their field.

Nominees from the Colleges must be full-time faculty holding tenured or tenure-earning positions. Nominees from the institutes and centers must be full-time employees in research staff positions who have served as principal investigators on contracts and grants awarded to UCF by an outside sponsor. Nominees from other academic units applying for an at-large award must be full-time faculty holding tenured or tenure-earning positions. All candidates must have served continuously in their full-time appointment since August 8, 2006, the start of the 2006-07

academic year contract. No candidate may be selected for the RIA award more than **once every five years**. Specifically, any faculty member who received a RIA increase that became effective August 8, 2006 or later is not eligible for this year's RIA. Further, any faculty member who received a RIA increase that was effective August 8, 2005 or earlier is eligible for this year's RIA. I&C faculty who are members of academic departments should be considered for nomination through their respective colleges.

IV. Application and Supporting Documentation

The accompanying application form must be used for all nominations. Documentation and materials supporting the nominee's research or creative accomplishments must accompany each application.

V. Evaluation and Award Process

Each college will **elect** a peer review committee of at least 5 **tenured** faculty that will select its recommended awardees. The Dean of a college may nominate a maximum of two additional **tenured** faculty members to the committee. The Research Council will serve as the peer review committee and will select the recommended I&C awardees. Candidates for an award are not eligible to serve on these peer review committees. A committee consisting of one representative from each college committee and one representative from the Research Council will serve as the university peer review committee to select the recommended at-large awardees. Nominees for at-large awards will include the runner-ups submitted from each college committee and I&C.

The criteria for evaluating applicants' files will include the following major categories to be applied as is appropriate for the discipline:

- Value or impact of research and creative efforts both within the discipline and to society;
- Recognition of research and creative efforts by the individual's peers in the same or related disciplines;
- Publication and presentation of research and creative efforts;
- External grant and contract support for the research and creative efforts appropriate to the candidate's discipline;
- All peer review committees should take into consideration the fraction of time assigned (FTE) for research for all applicants.

The President, on recommendation from the Provost and Vice President for Research, will give the final approval for award recipients. After the approval by the President, each college, institute, and center will notify all nominees of the results, including an explanation of the unit's reasons for its recommendations.

COLLEGE OF MEDICINE

RESEARCH INCENTIVE AWARDS PROGRAM

2010-11 PROCEDURES

(Approved by the Faculty Senate Steering Committee **DATE**)

I. Program Overview

Research Incentive Awards (RIA) are now available to faculty in the College of Medicine. For 2010-11, there will be a minimum of 1 new RIA and any recycled awards that may exist. The Office of Academic Affairs provides the funding for the new awards, whereas funding for recycled awards comes from the college. The specifics of the RIA program were developed through consultation between the Office of Academic Affairs and the Faculty Senate Steering Committee and approved by the latter.

II. Funding and Allocation of Awards:

Regardless of the contract length (9-months or 12-months), award recipients will receive a \$5,000 increase to their base salary retroactive to August 8, 2010, the start of the 2010-11 contract.

In any given academic year, if any former recipients of RIA awards leave their employment at UCF, the award(s) will remain within the respective college or unit for “recycling” as **additional** RIA awards for the following academic year.

III. Faculty Eligibility

Nominations for the awards may be made by faculty, students, staff, alumni, or by self-nomination. The successful nominee must have an outstanding research, scholarly, or creative record that advances the body of knowledge in their field.

Nominees from the college must be continuous, full-time faculty holding tenured, tenure-earning, or multiyear appointments since August 8, 2006, the start of the 2006-07 academic year. No candidate may be selected for a RIA award more than **once every five years**. Specifically, any faculty member who received a RIA increase that became effective August 8, 2006, or later is not eligible for a RIA this year. Any faculty member who received a RIA increase that was effective August 8, 2005, or earlier is eligible to compete for a RIA this year provided all other eligibility criteria are met.

IV. Application and Supporting Documentation

The accompanying application form must be used for all nominations. Documentation

and materials supporting the nominee's research or creative accomplishments must accompany each application.

V. Evaluation and Award Process

The college will **elect** a peer review committee of at least 2 faculty members, who will select the recommended awardees. The dean of the college may nominate a maximum of one additional faculty member to the committee. Candidates for an award are not eligible to serve on peer review committees.

The criteria for evaluating applicants' files provided here in no order of preference will include the following major categories, which are to be applied as appropriate for the discipline:

- value or impact of research and creative efforts both within the discipline and to society
- recognition of research and creative efforts by the individual's peers in the same or related disciplines
- publication and presentation of research and creative efforts
- external grant and contract support for the research and creative efforts appropriate to the candidate's discipline
- The peer review committee should take into consideration the fraction of time assigned (FTE) for research for all applicants.

The president, on recommendation from the provost and executive vice president and vice president for research and commercialization, will give the final approval for award recipients. After the approval by the president, Academic Affairs will notify all nominees of the results. In addition, the college will notify the all nominees of the results, which will include an explanation of the reasons for its recommendations.
